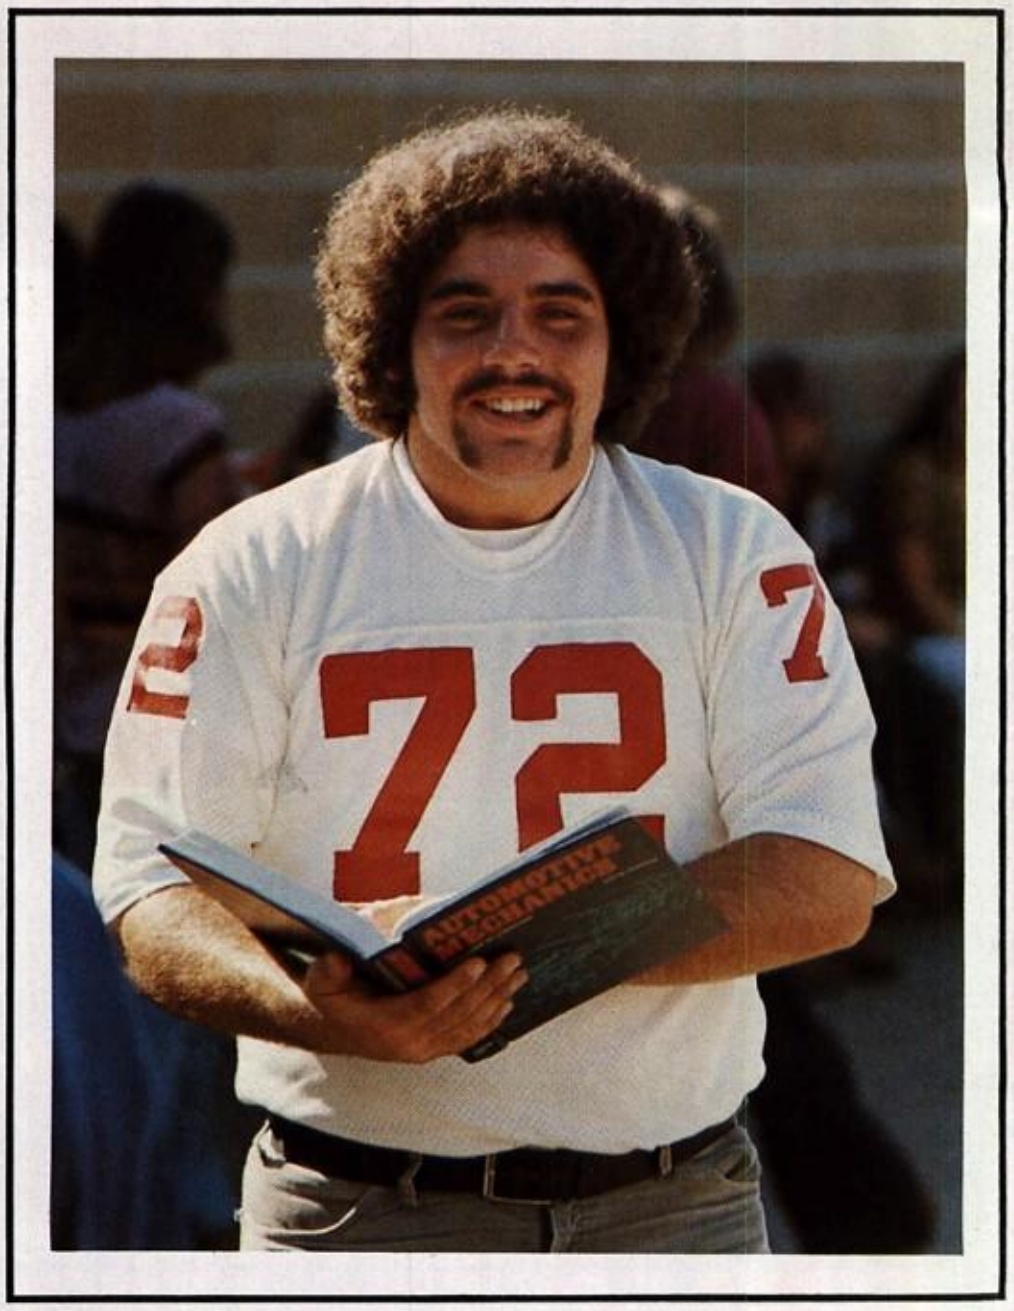
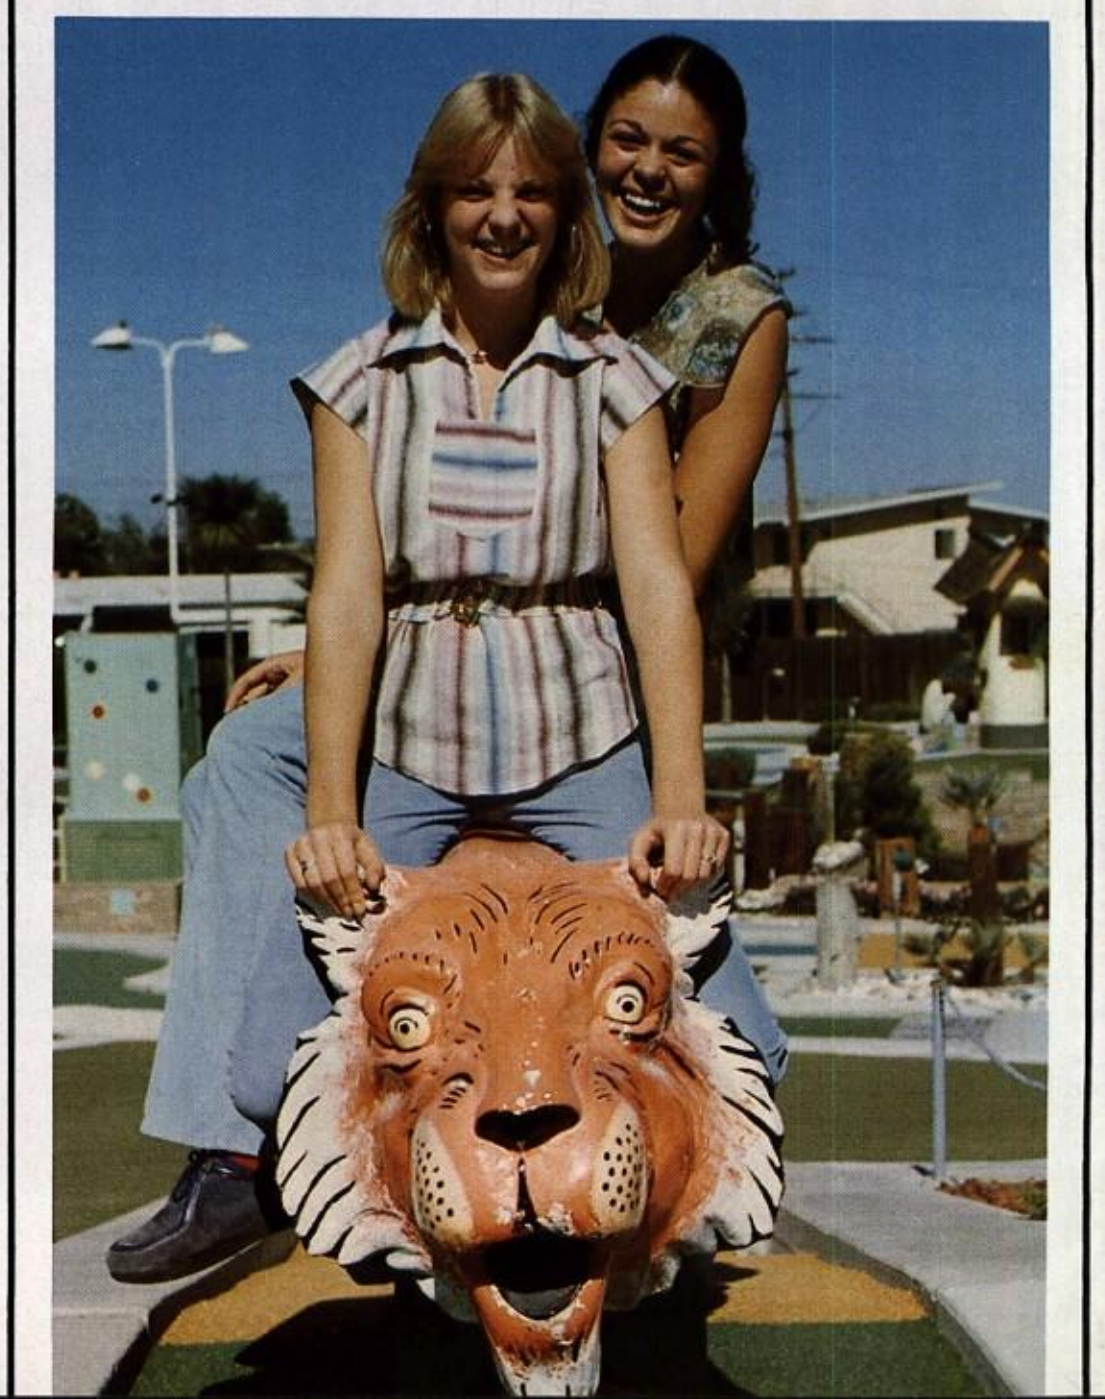
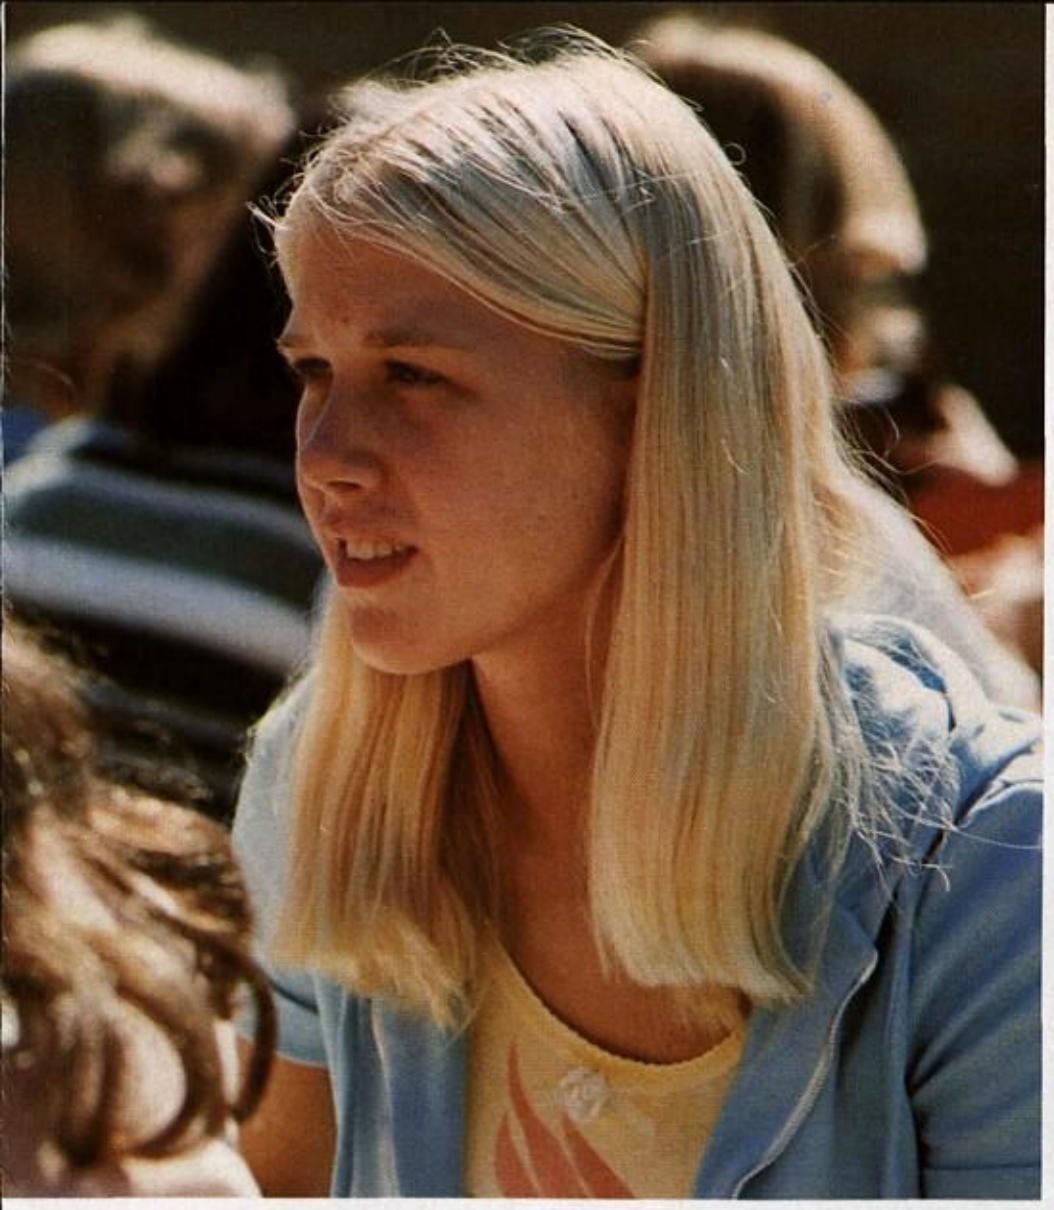
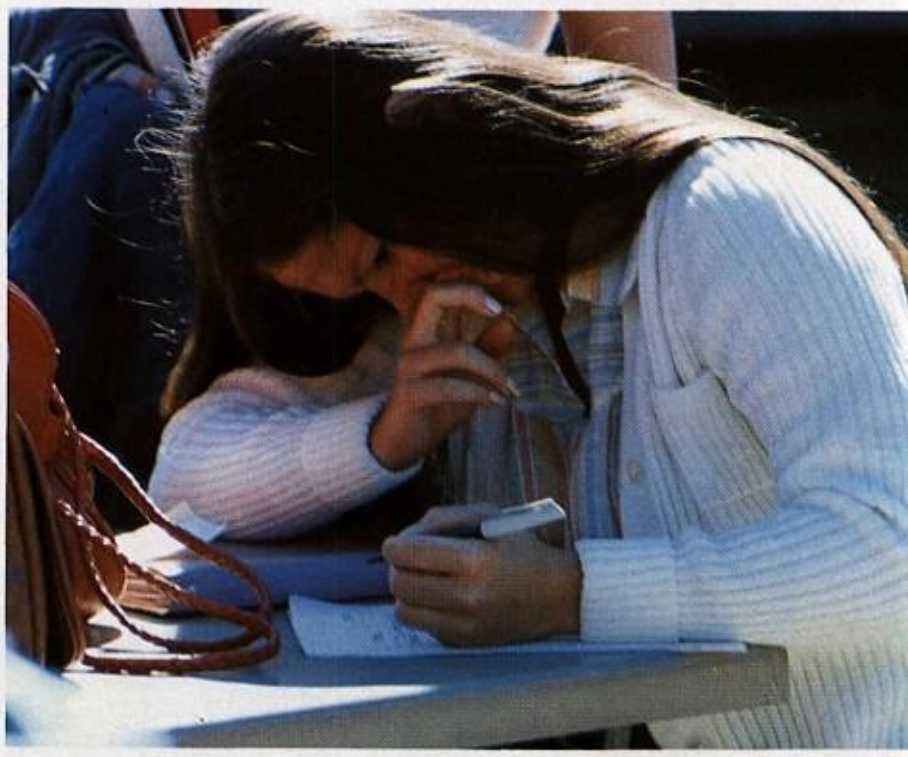
Remember coming to
Oceana for the first time?
All those people...
Some looked so excited,
Some looked like they
were about to cry!
Remember how we
followed the crowd down
to the gym to hear the
speech given by the
principle?
Being very impressed by
what was said,
And feeling so much older
We went to our assigned
classes only to find that
there was no records of
our admittance into high
school! And so it was
through the first few weeks
of school... sheer chaos!
Remember...



As things settled down,
We found new friends and
discovered that studying
could be fun . . . and also that
there was more to learning
than what we read in books!

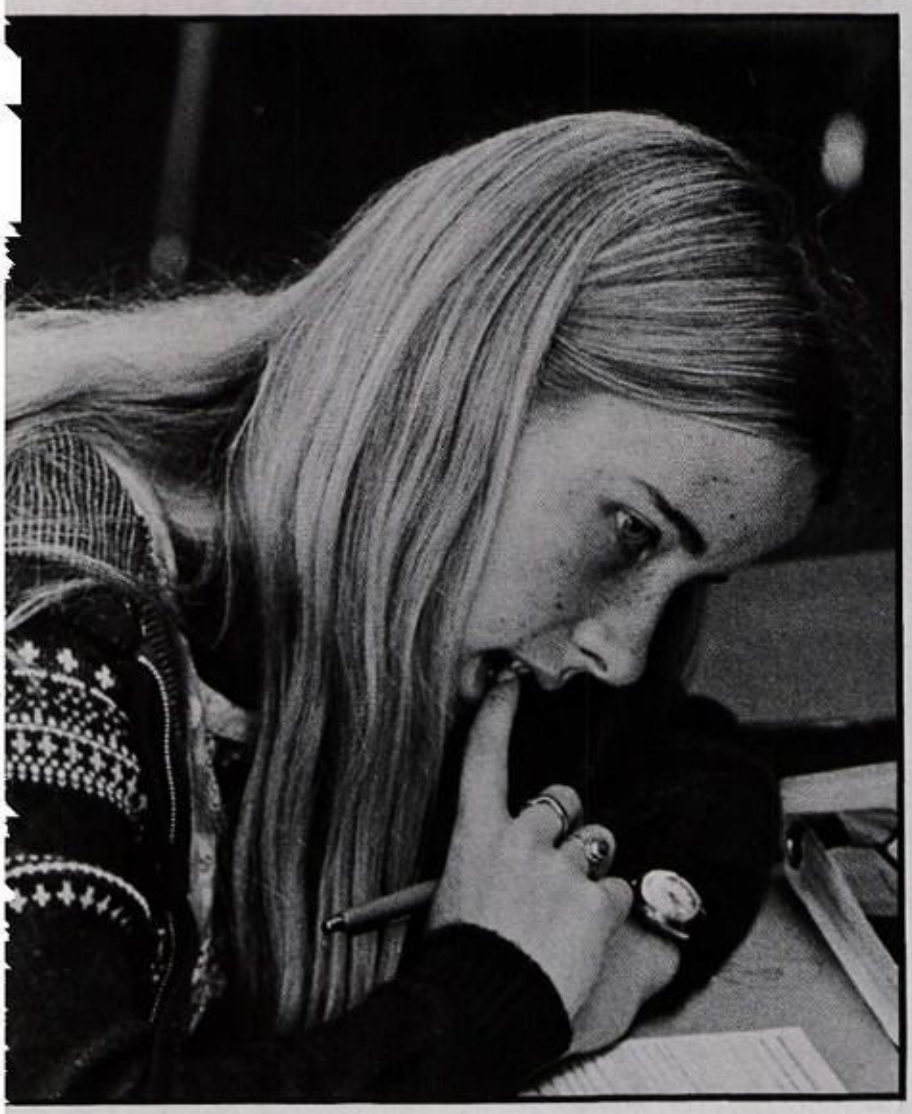


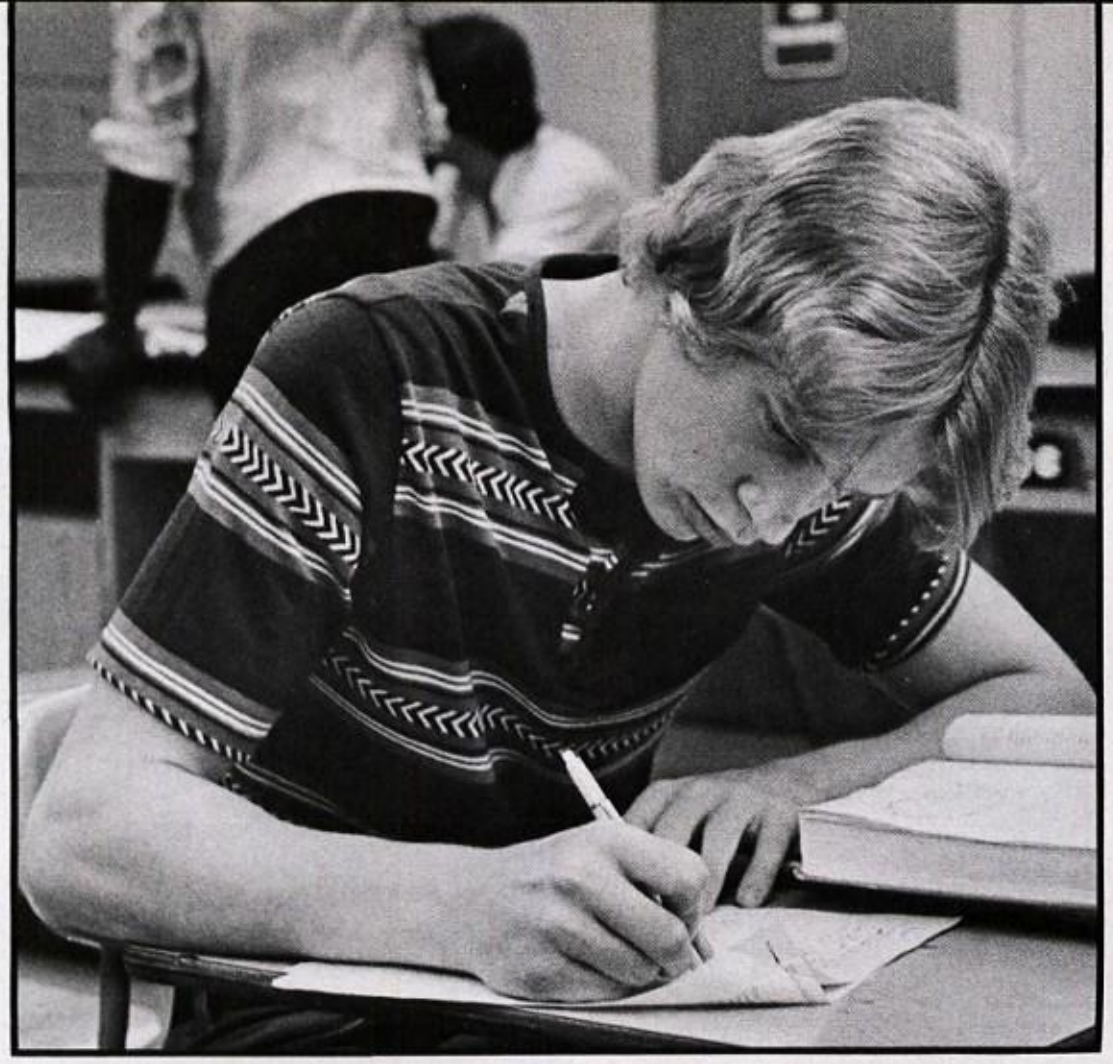


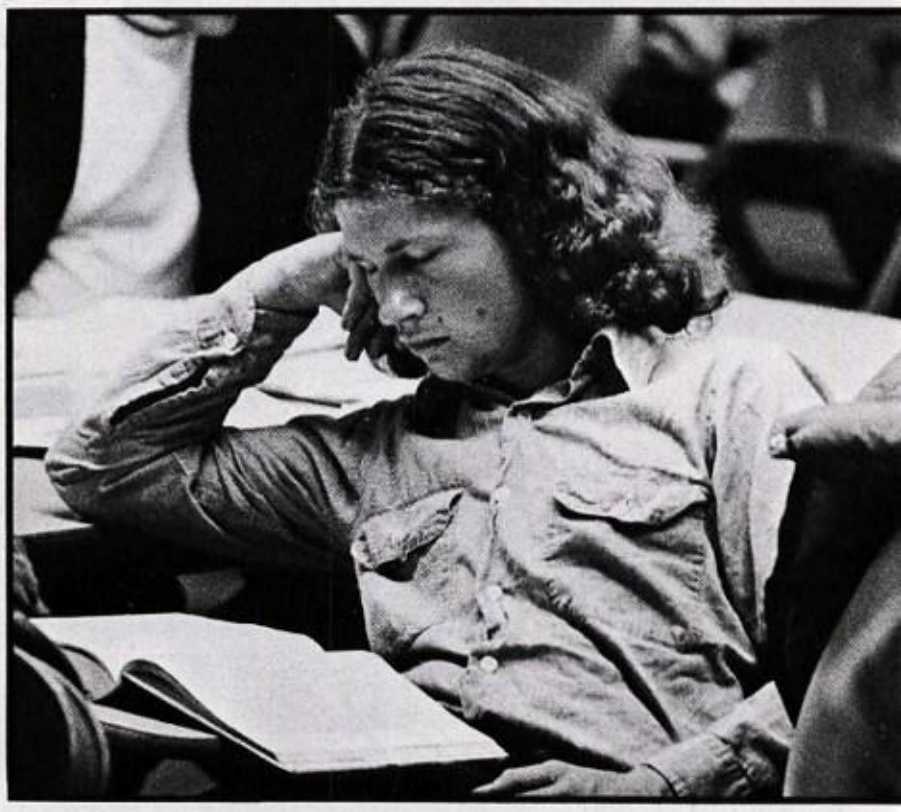


And Remember how we watched the band perform . . . before a standing ovation . . . In their new uniforms.
Remember how proud we all were that day of the way they played and looked . . .

Every day always held a new experience ... there was always something new to think and laugh about. There were so many memories that only we will remember and cherish ...

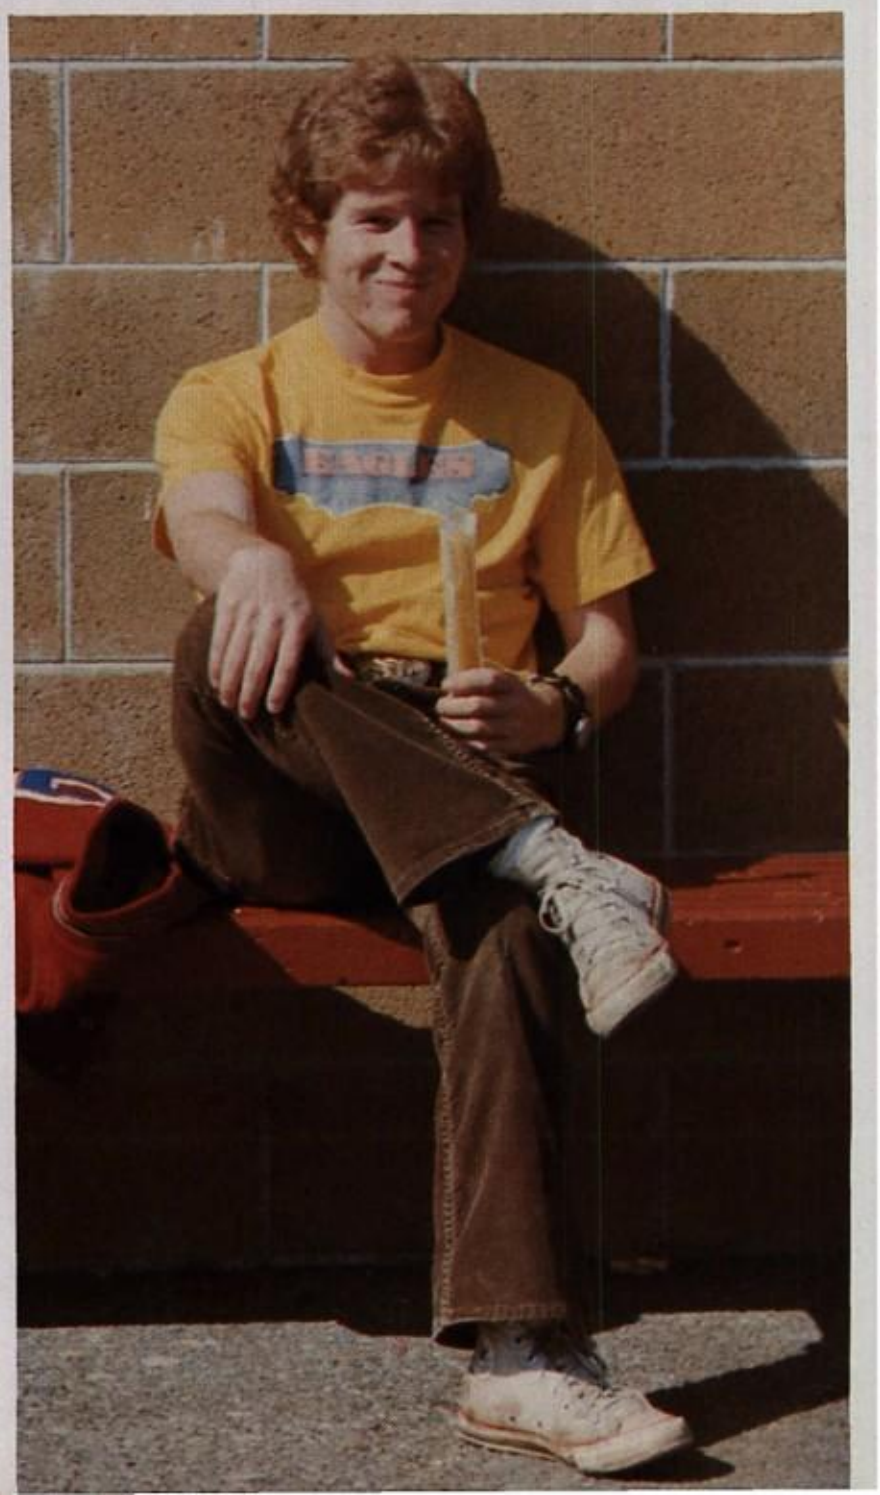


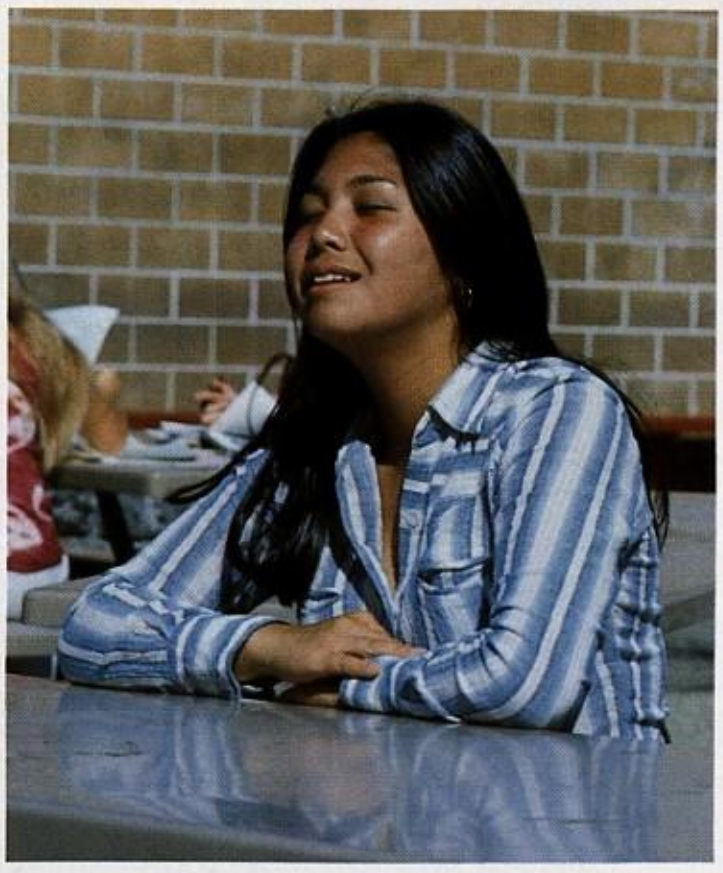




Remember the classes that were interesting and exciting, and inspired us to work and learn. And remember those classes that motivated us in other directions! There was a lot to learn and in most cases we had fun doing it.

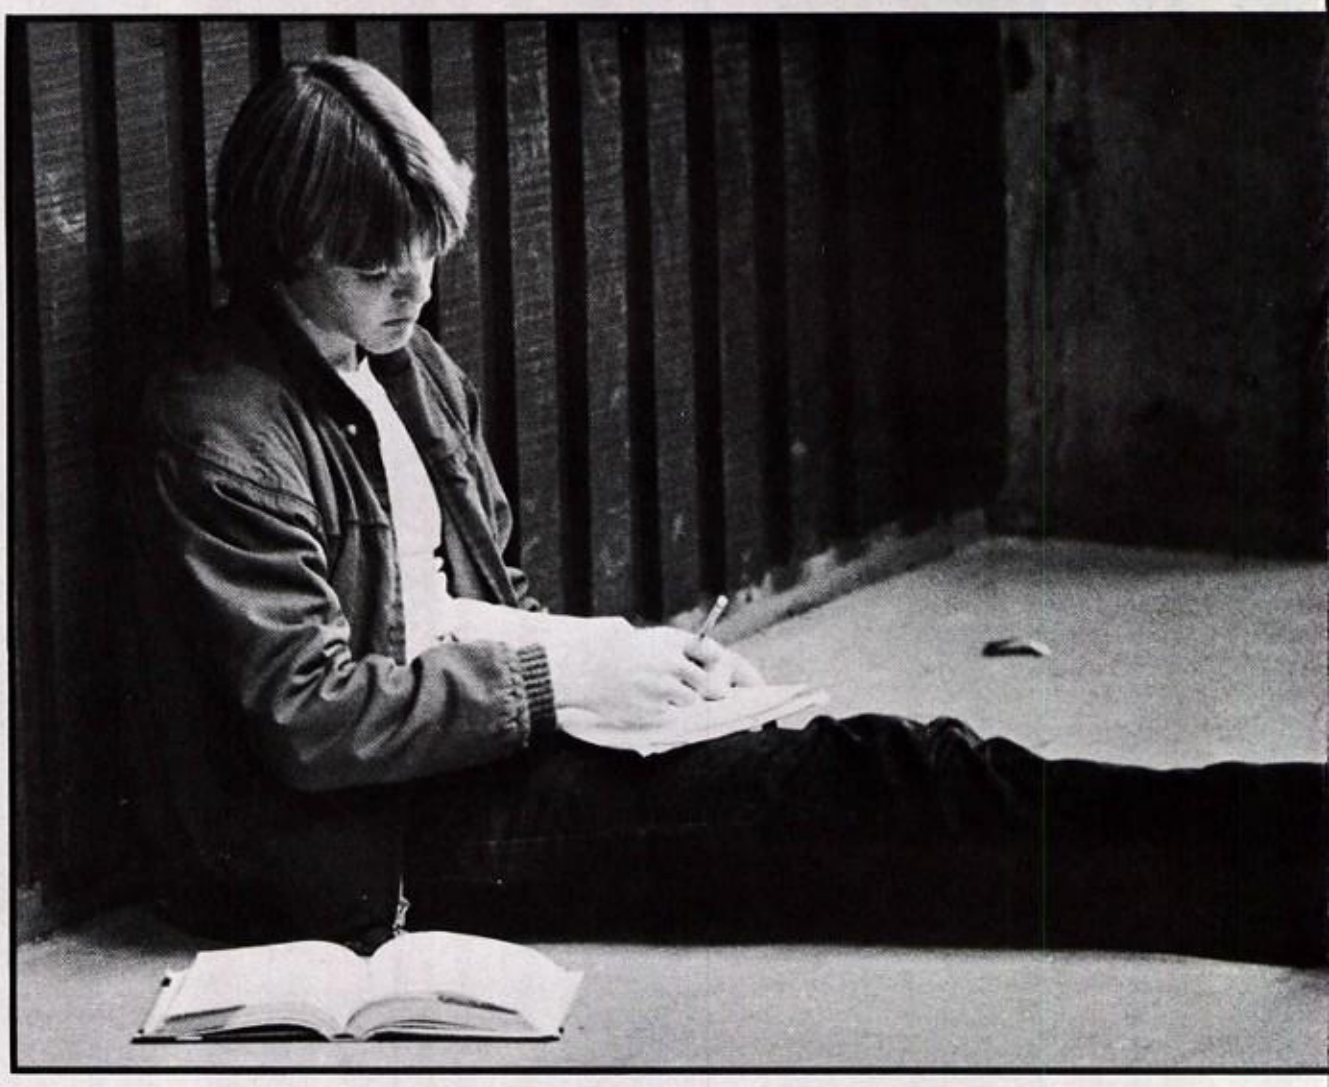
OCEANA
77

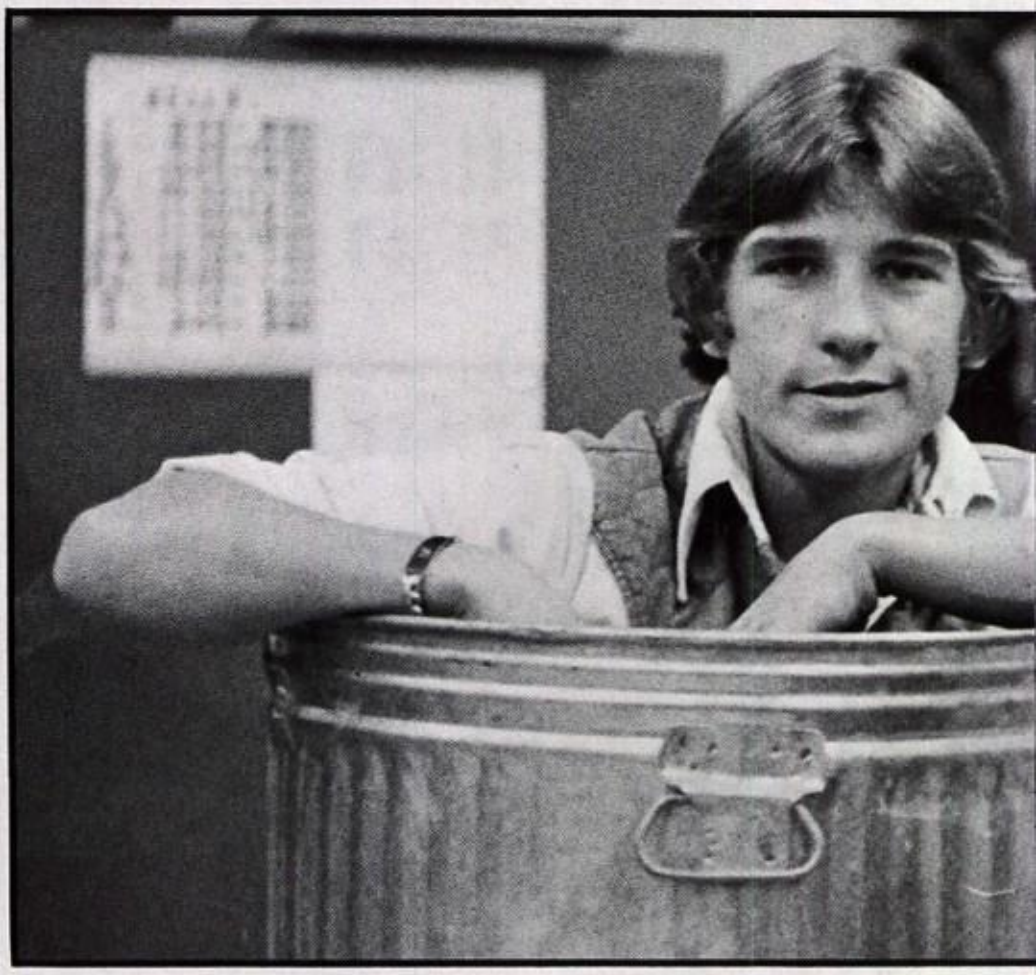




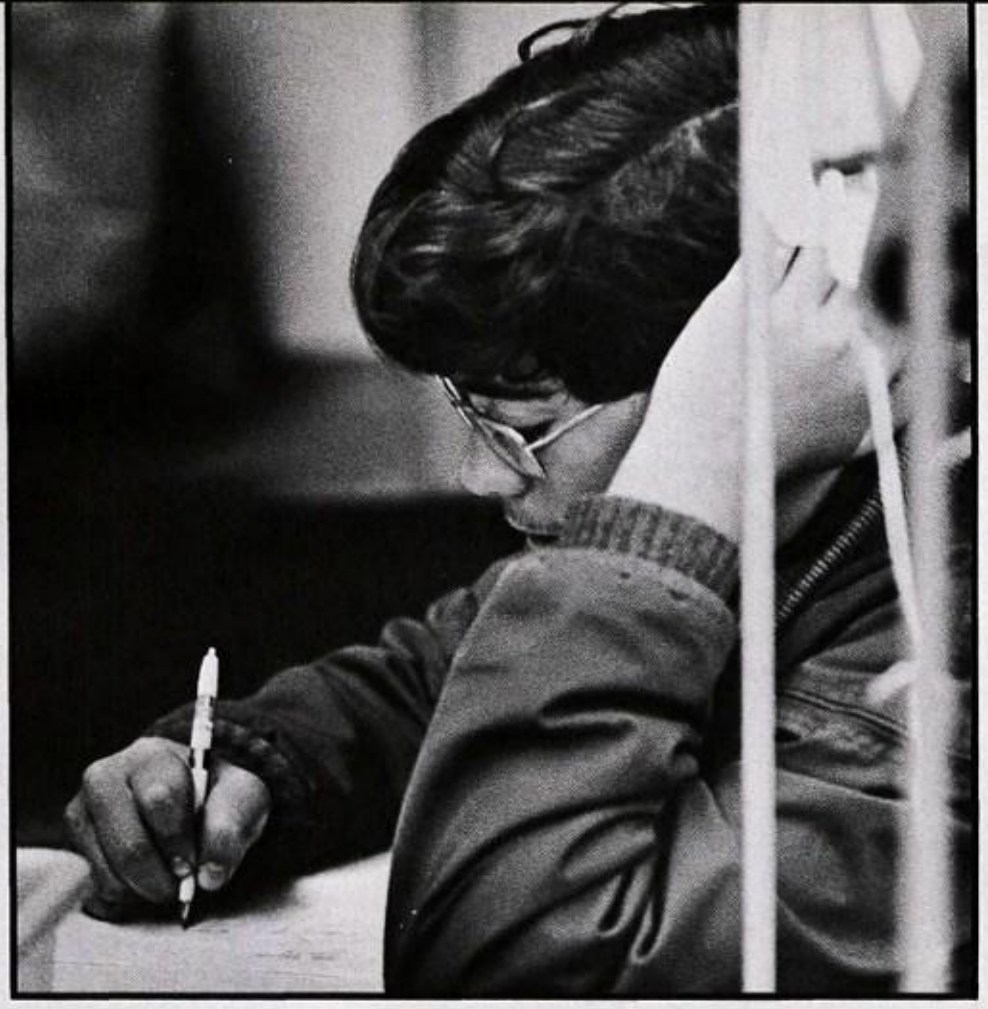
Remember the first rally.. The Seniors made up for lost time and the freshmen got off to a good start. How about those sunny days in Senior Circle . . . when we could sit back with a goose bar or just relax in the sun. Remember . . .

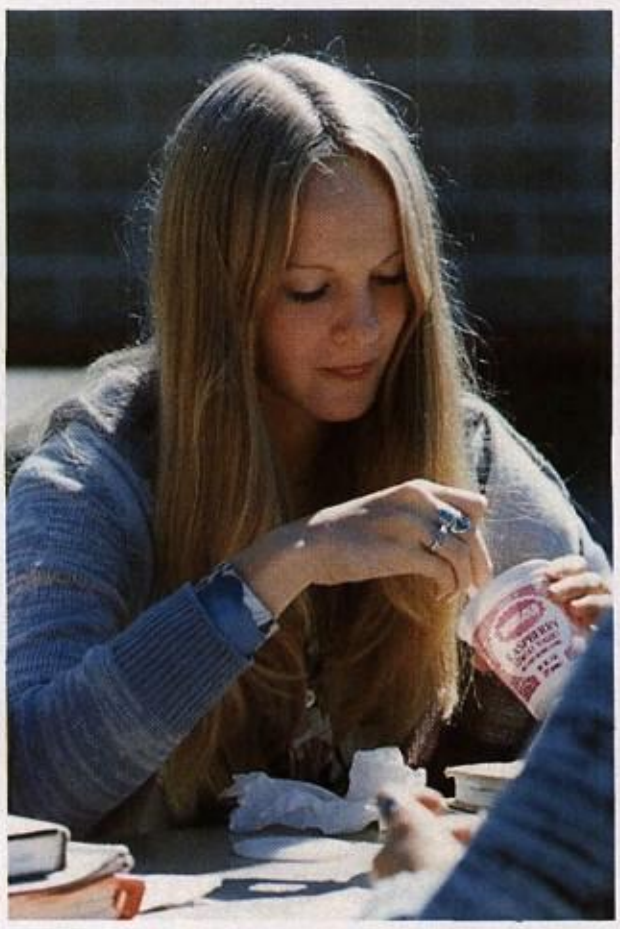
Remember those days that were kept for deep thought. We all had moments when we wanted to be alone for awhile, for what ever reason it was.





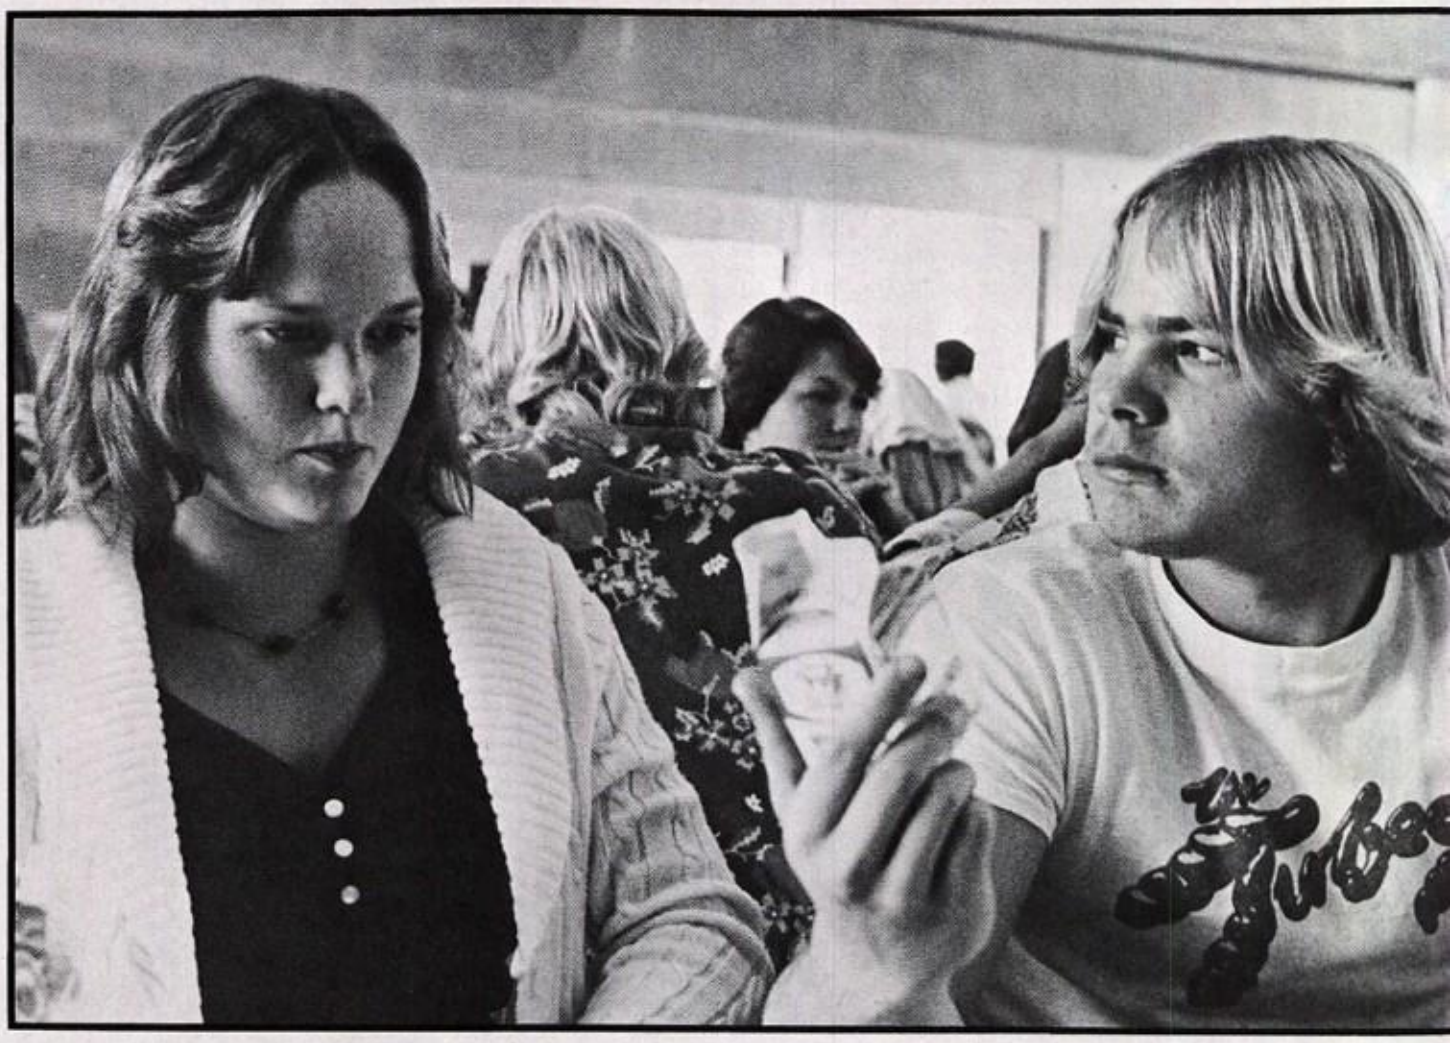
And we all had our favorite spots when we needed quiet.



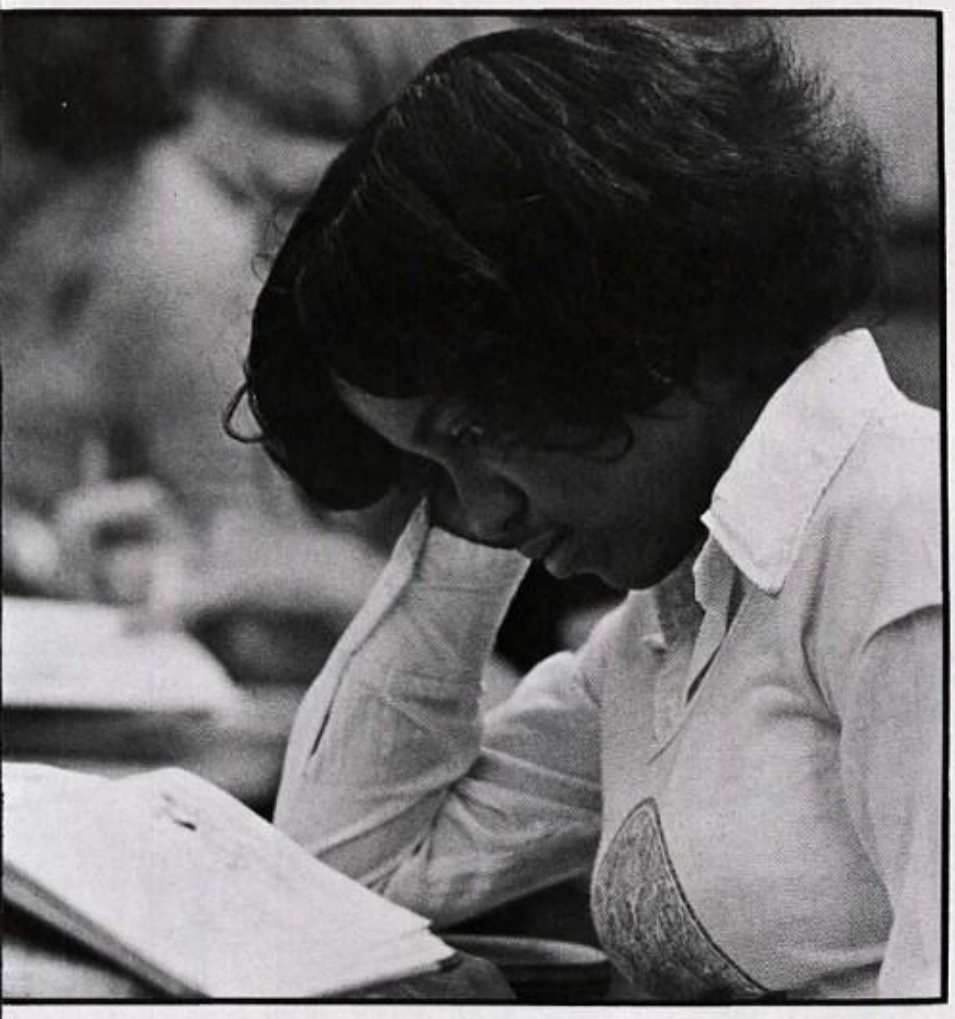


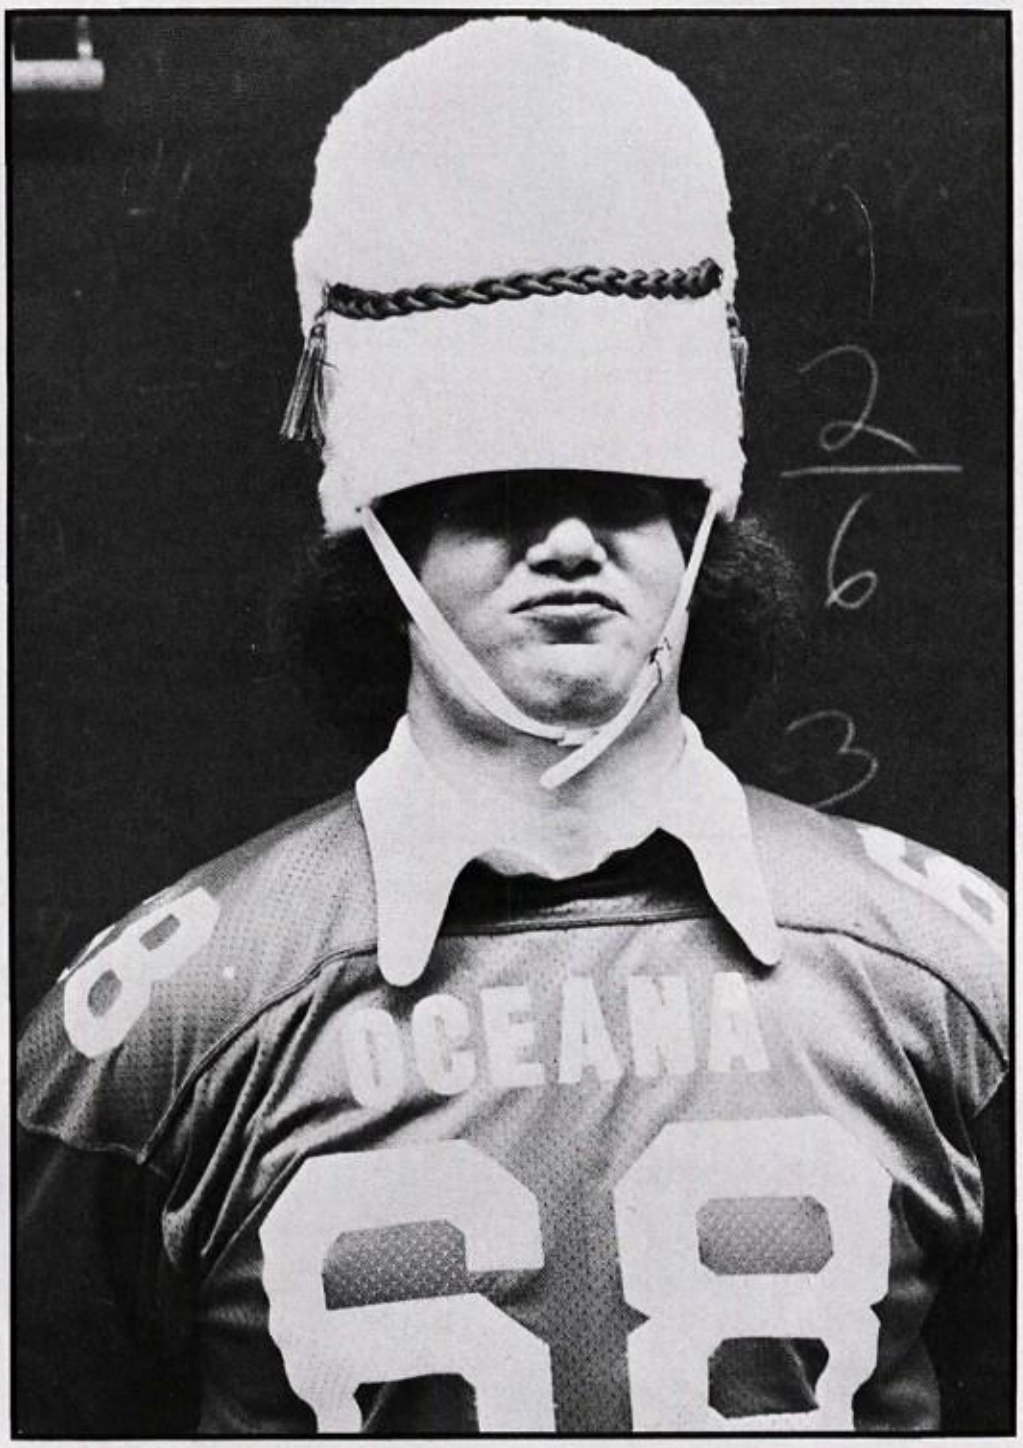
Remember the spirit and excitement we felt during the athletic seasons, especially football, and remember how we felt at the South City game as we watched the score board light up with Oceana's victory. Knowing it was the first time ever made an even bigger event.

These guys . . . and others, we'll all remember them. They seemed to be glued to the benches during lunch, trying in some way to get everyone's attention.

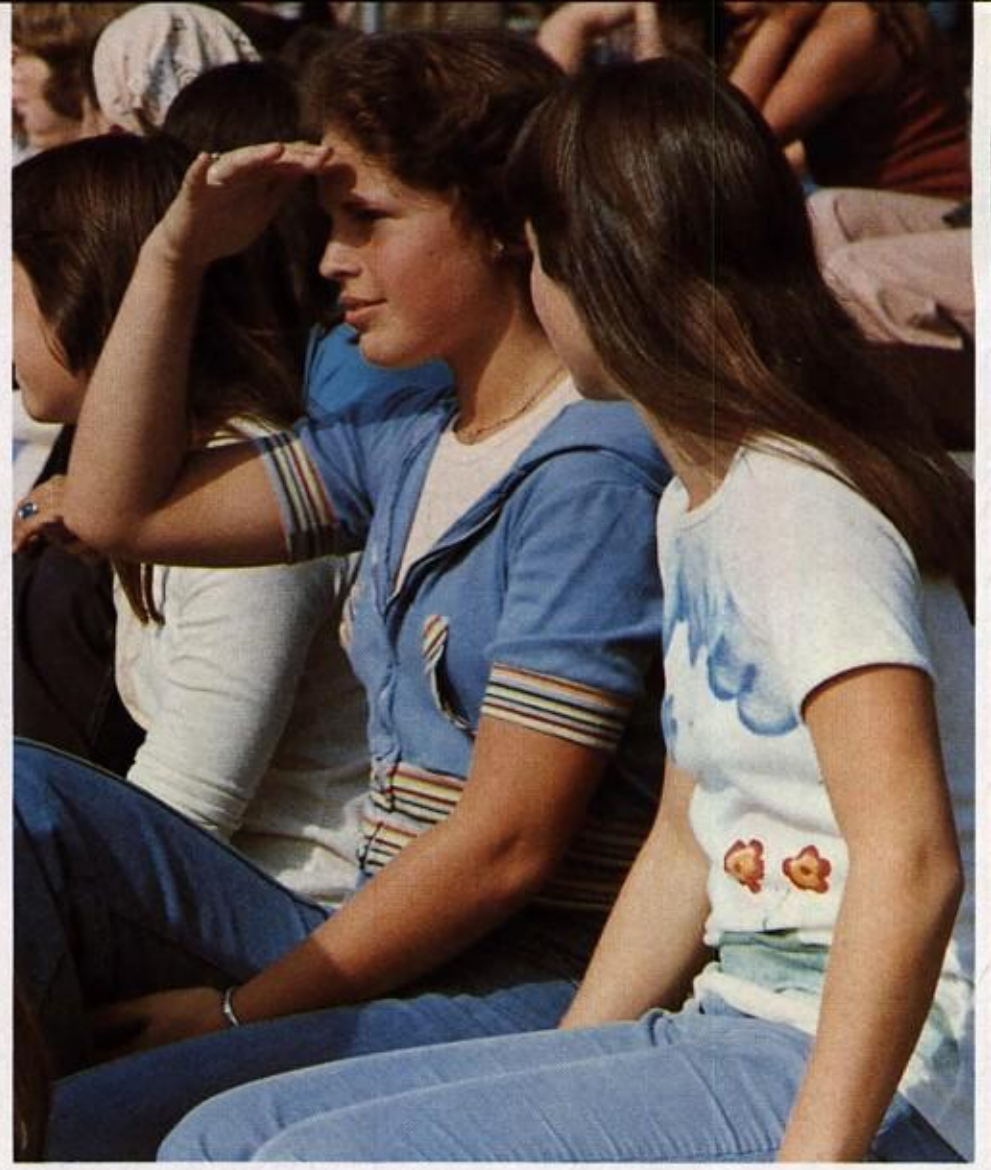


Remember studying for those tests, and everything we read would seem to get all jumbled up or not make any sense. But it almost always seemed to fall into place. Remember sharing something with a friend, maybe a carton of milk or a joke.

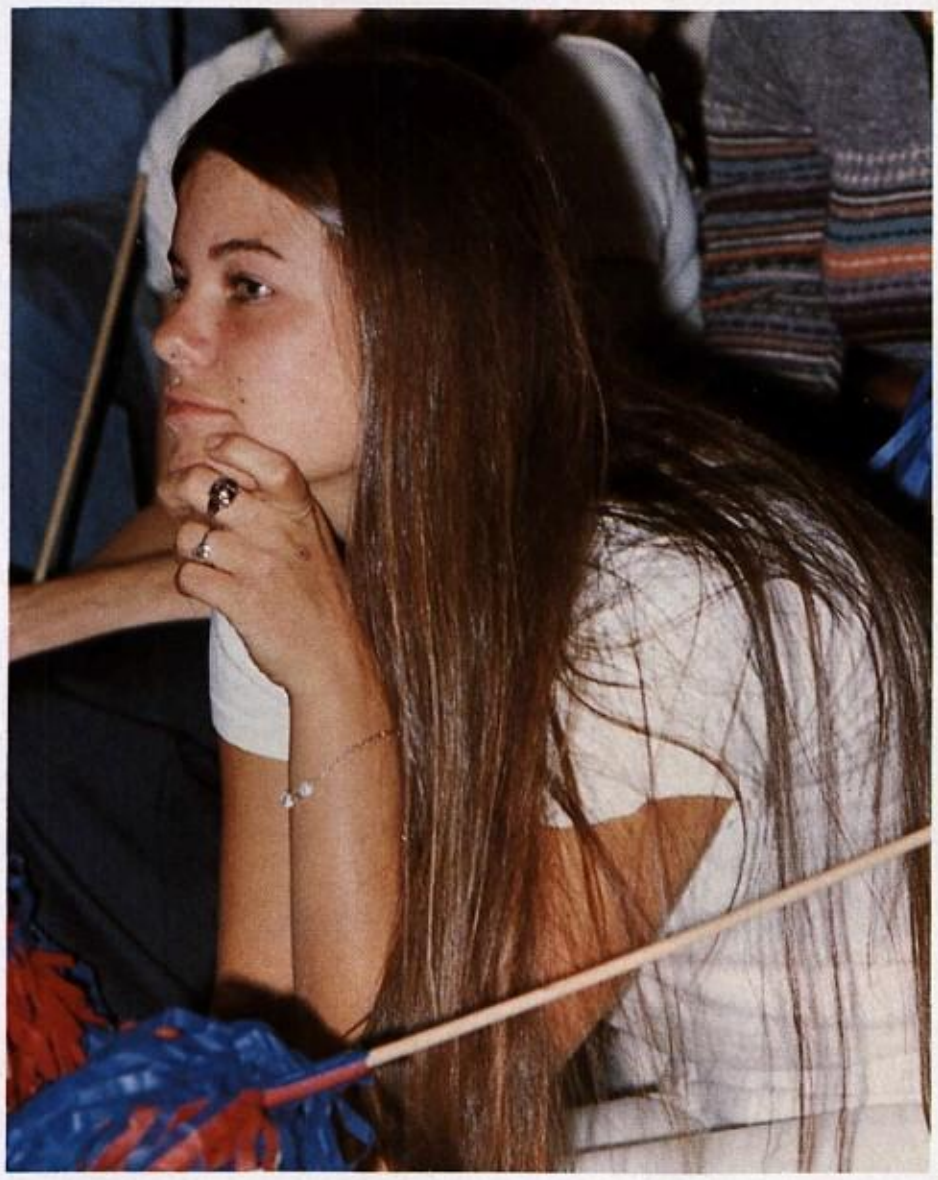


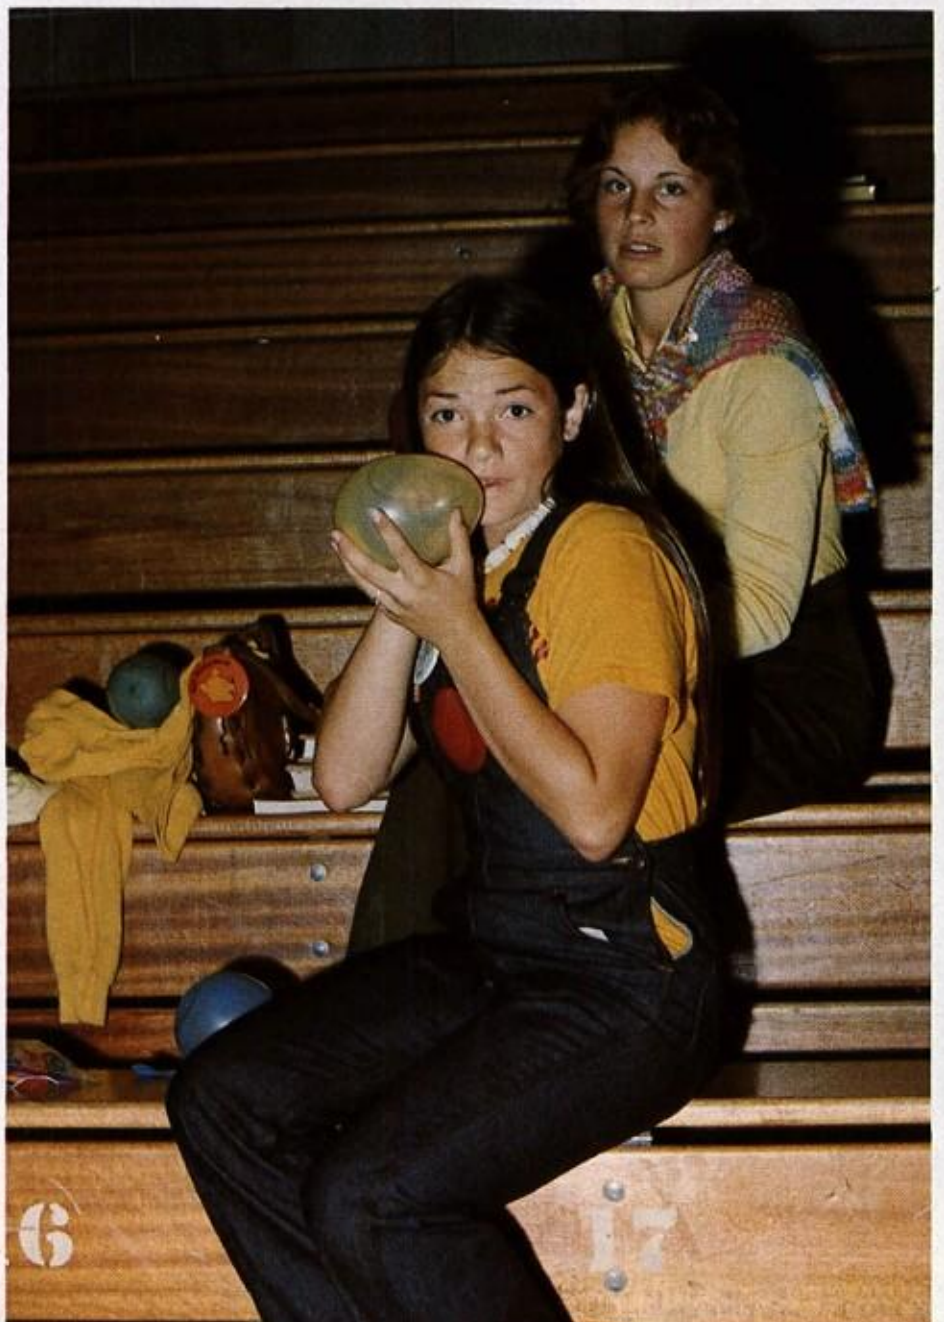


What about the guy that was always there whenever a camara was nearby, and believe it or not he always had a new pose for the perfect picture. Remember...



There was that day in the courtyard... Together...
How many of those that were with us that day,
Will we see and stay close to in the years to come?





And remember all the people,
All the friends . . .
We were so close . . .
And some so special . . .
they really seemed to care.
All the people.
Remember . . .

And then there were the teachers. After all they did have a big part in our education. How could we forget them? We all had our favorite and they seemed very special to us. Remember how some of us made fun of one certain administrator, but we knew it was all in fun. Remember seeing Mr. Terranova posing as one of the cafeteria staff, sometimes we wondered if maybe that's what he'd rather be doing.

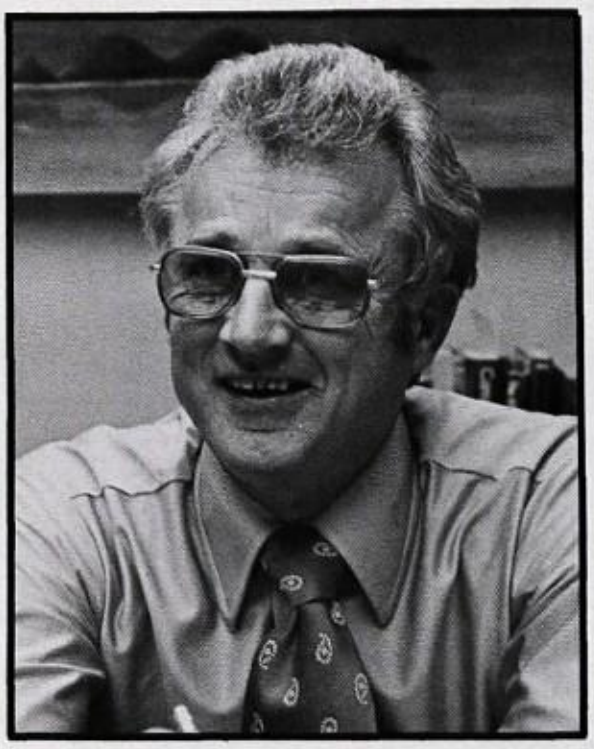
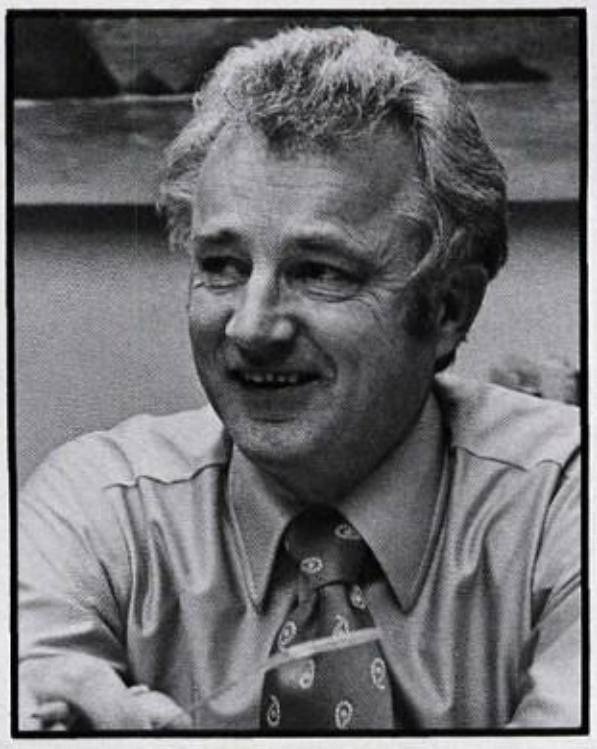
"A high school can no longer stay in its ivory tower and defend activities that might have been worthwhile in 1957 . . ."



"There are many options open for high school students today, it's only up to them to take advantage of them."



". . . education doesn't end after high school but is a life-long process."

A philosopher once said, "We must show respect for our philosophers and our plumbers or neither our pipes nor our philosophy will hold water."

I believe that this in many ways sums up what one of the major tasks in education is today. We are living in a very complicated society dealing with a wide range of complicated problems. The schools reflect society and as a result schools must be prepared to respond to the needs of society and prepare students for a meaningful life style.

I feel that a high school should accommodate an amalgamation of students and provide a diversification of opportunities.

A high school can no longer stay in its ivory tower and defend activities that might have been worthwhile in 1957 but not in 1977.

Students should have more than one option open to them in getting an education. Straight academic programs should be offered, combination programs should be available. Curriculum should not be confined to the school but should embrace the entire community — for example a student should be able to attend school part-time if he so desires and the rest of the time, put to practice what he has learned in a practical setting in some job-related field and get credit for it.

If this sounds complicated or far-fetched it's not. It's taking place right now at Oceana — we have full-time students; we have students in school part of the day and the rest of the day they are out in the community getting credit for on-the-job training.

There are many options open for high school students today, it's only up to them to take advantage of them.

When I talk to students I like to impress upon them that they have the opportunity here at school to graduate with a marketable skill if they wish; or if not, at least by the end of their four-year tenure to know themselves, their strengths, weaknesses and interests. Above all to understand the options that are open to them in the future based on what they can contribute.

I like to feel that graduates of Oceana who have taken full advantage of the curricular and co-curricular offering will go out well prepared to either continue their education in a formal setting or possibly go into the world of work, having learned in school that education doesn't end after high school but is a life-long process.

Here at Oceana we have respect for our "philosophers" and our "plumbers." If they don't cheat themselves in school, the pipes and philosophy of our graduates will hold water.

Oceanans

Remember the people and the atmosphere they could easily create or take away? There was class passing time when the halls were filled with people and their laughter and then again the halls could be so quiet that the sound of your Levis was the only thing you heard as you walked the coridors of Oceana. We will all reminisce about the good times and forget the bad. In years to come we will talk about the good times we had with these people... Our friends

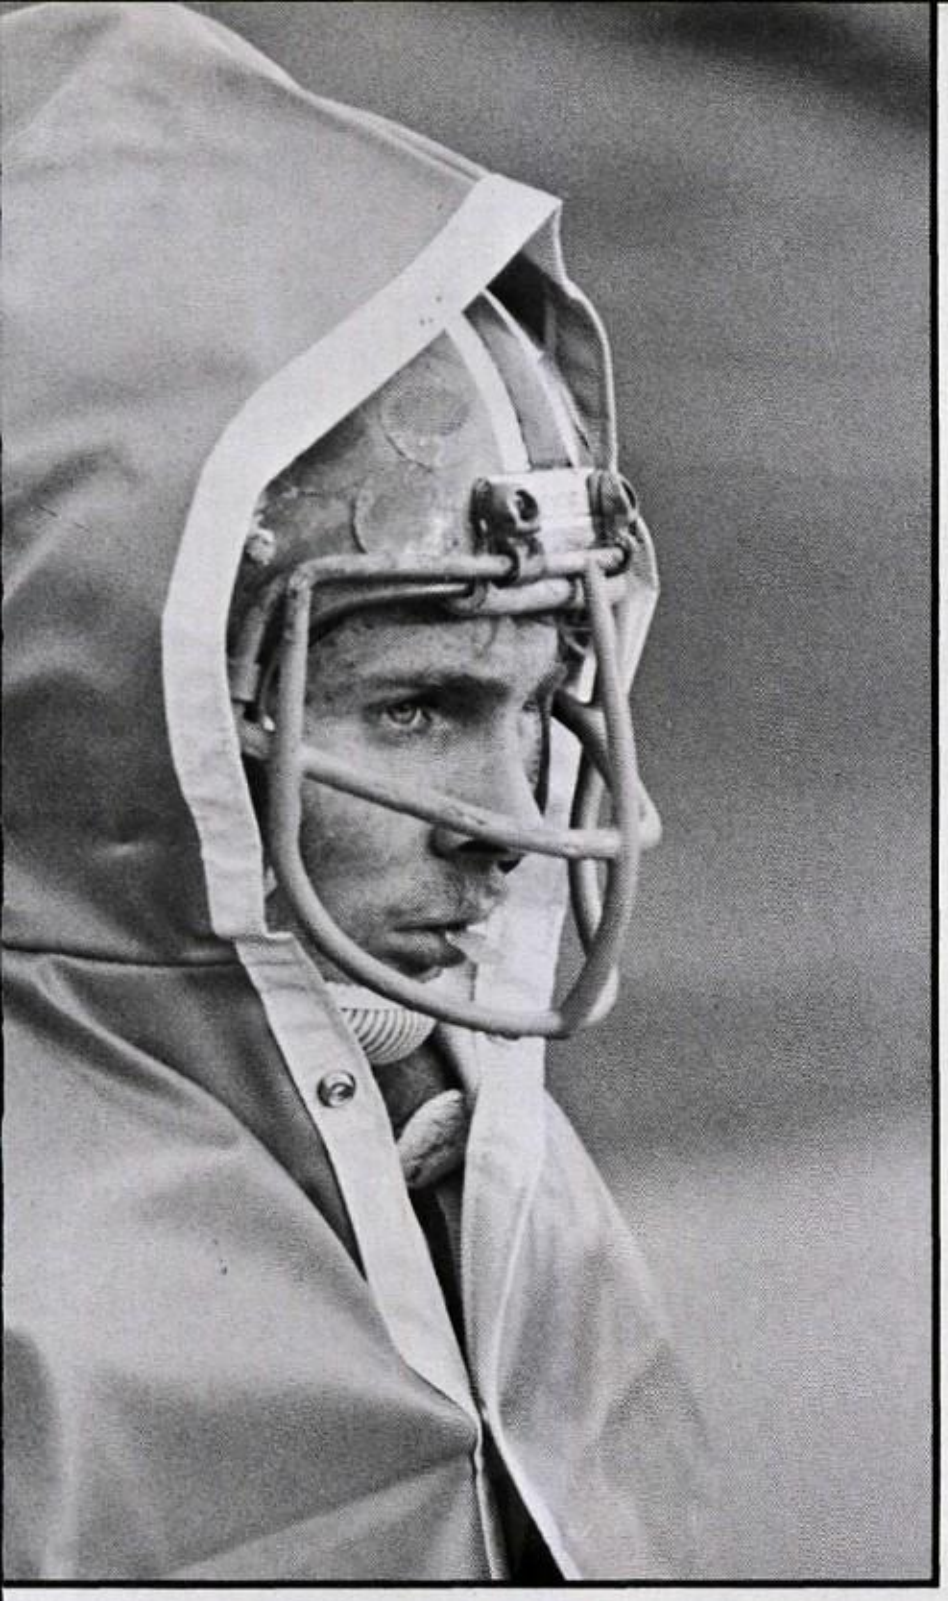
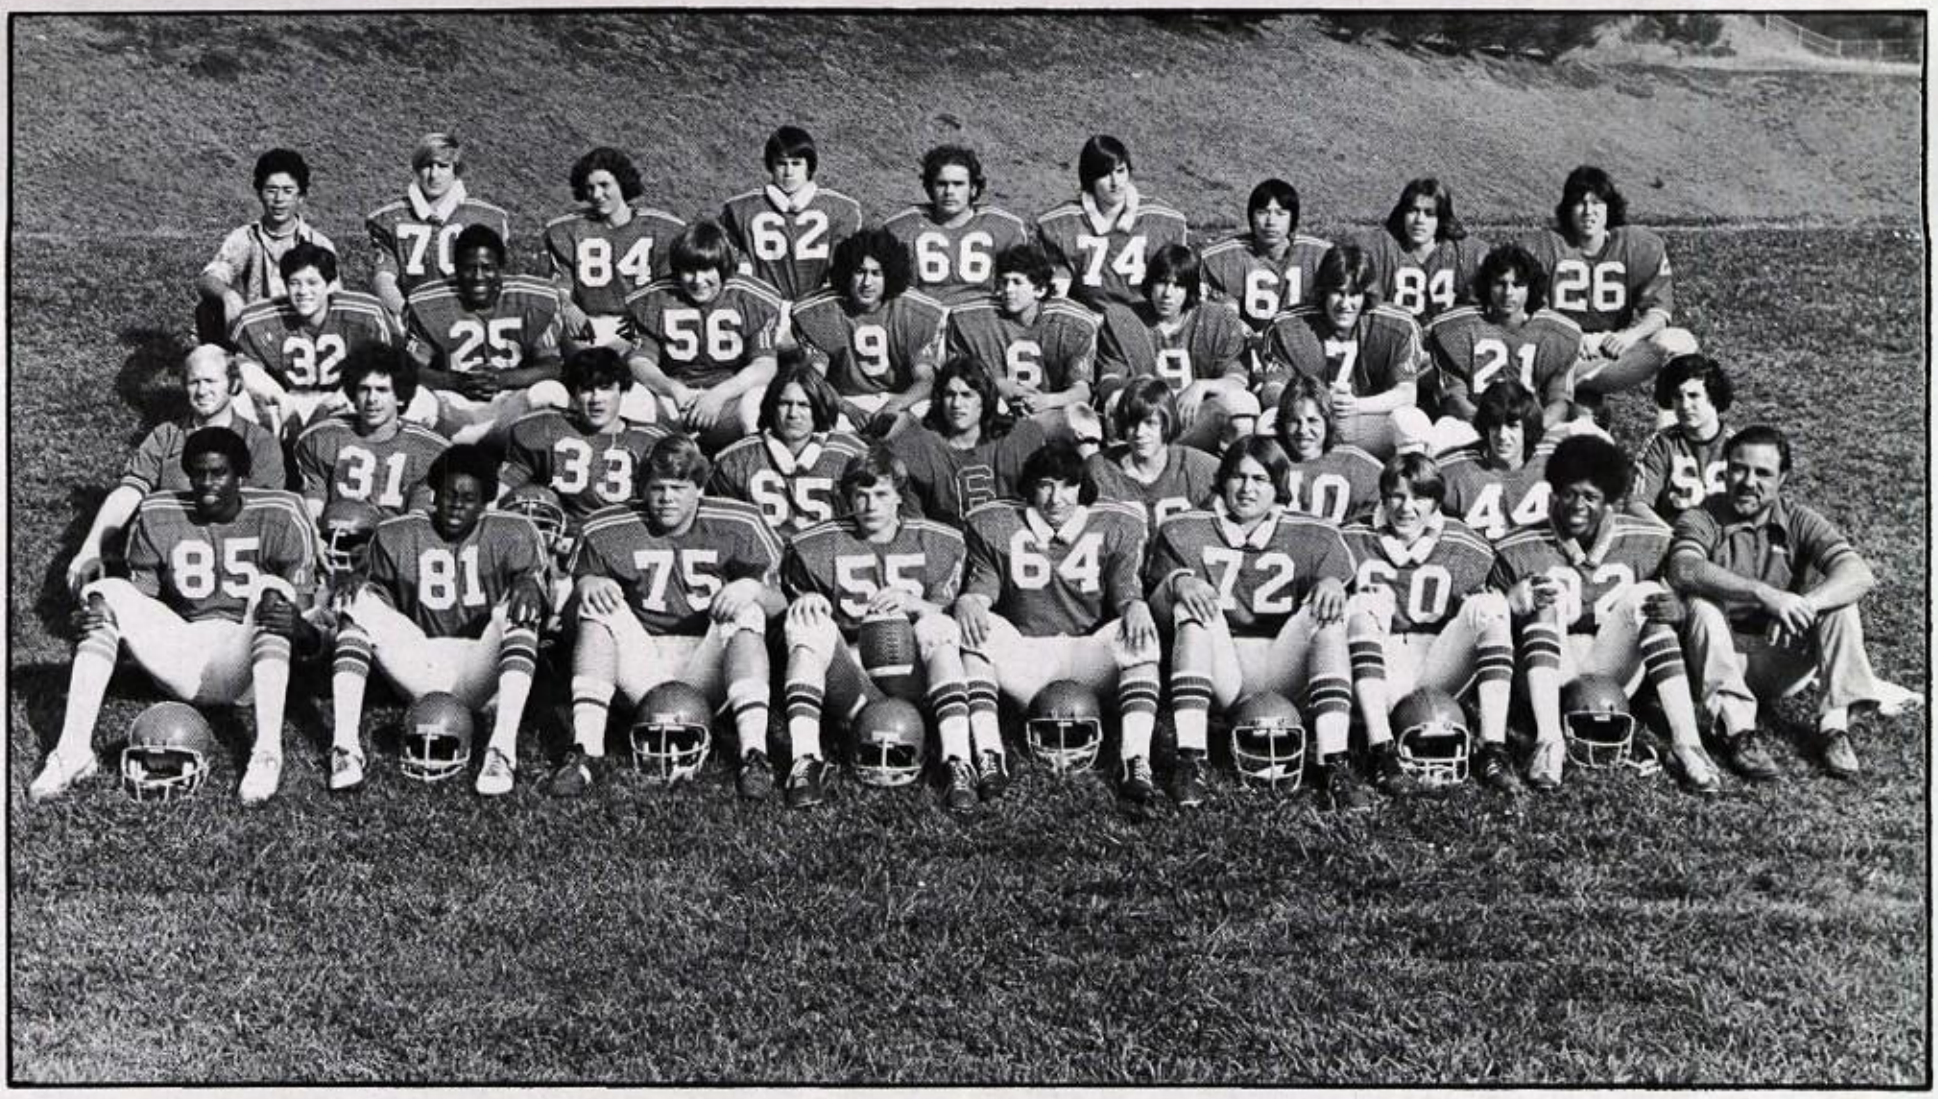
Athletics



The past year was a great one for Oceana Athletics... A year of excitement and disappointment, of victory and defeat.

The Frosh brought Oceana its first undefeated football championship while the Varsity Football team brought the anchor back to where it belongs. The Varsity wrestling team took second place... the Frosh/Soph Basketball team made the NPL play offs... for the first time ever girls Athletics became important and prominent... with competition in Tennis, Gymnastics, and Volleyball helping to make Oceana's Athletics program the best ever. Remember...



FRESHMEN FOOTBALL-First Row: Derick Horton, Gary Bester, Jim Reid, Dan Cole, Russ Guidry, Mike Malloy, Keith Hefner, Earl Bradley, Coach Jess Jones. SECOND ROW: Coach John Gilmore, Dan Gonos, Pete Herzog, John Mulac, Roger Lampela, John Osterlund, Mike Bartholomew, Jim Killen, Hugh Mc Monigle. THIRD ROW: Doug Dawkins, Nick Taylor, Craig Callihan, Al Miranda, Pete Raynal, Jim Reed, John Brown, Tony Kerlegan. FOURTH ROW: Roger Raynal (stat), Bill Svozil, Eric Kwiecien, Jeff Cory, Ed Biancalana, Mark Murri, Kevin Luey, Sam Valentino, George Maguire. Not Pictured: Kim Carter, Coach Mike Lucero.

NPL Champs

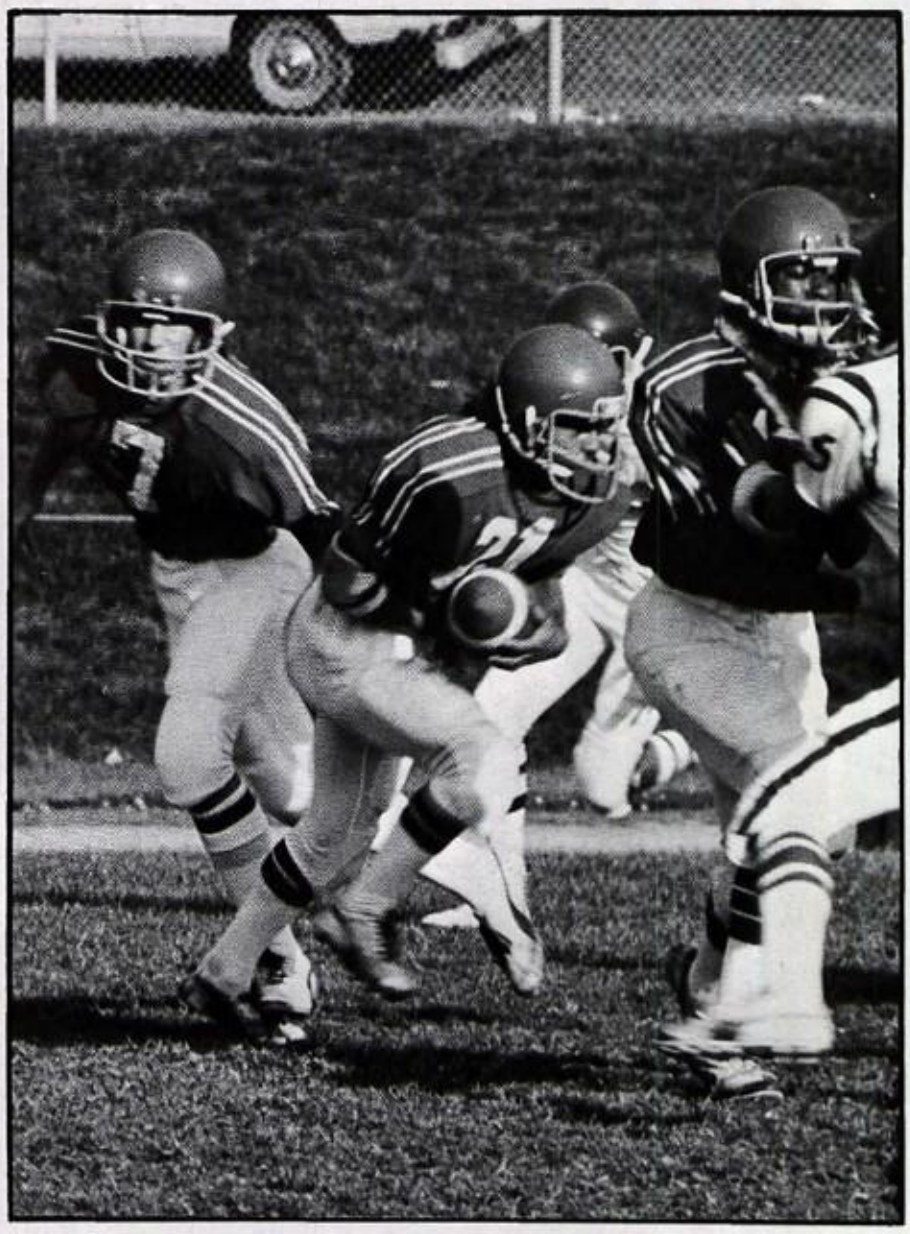
The 1976 frosh football team achieved the distinction of becoming Oceana's first unbeaten, championship football team.

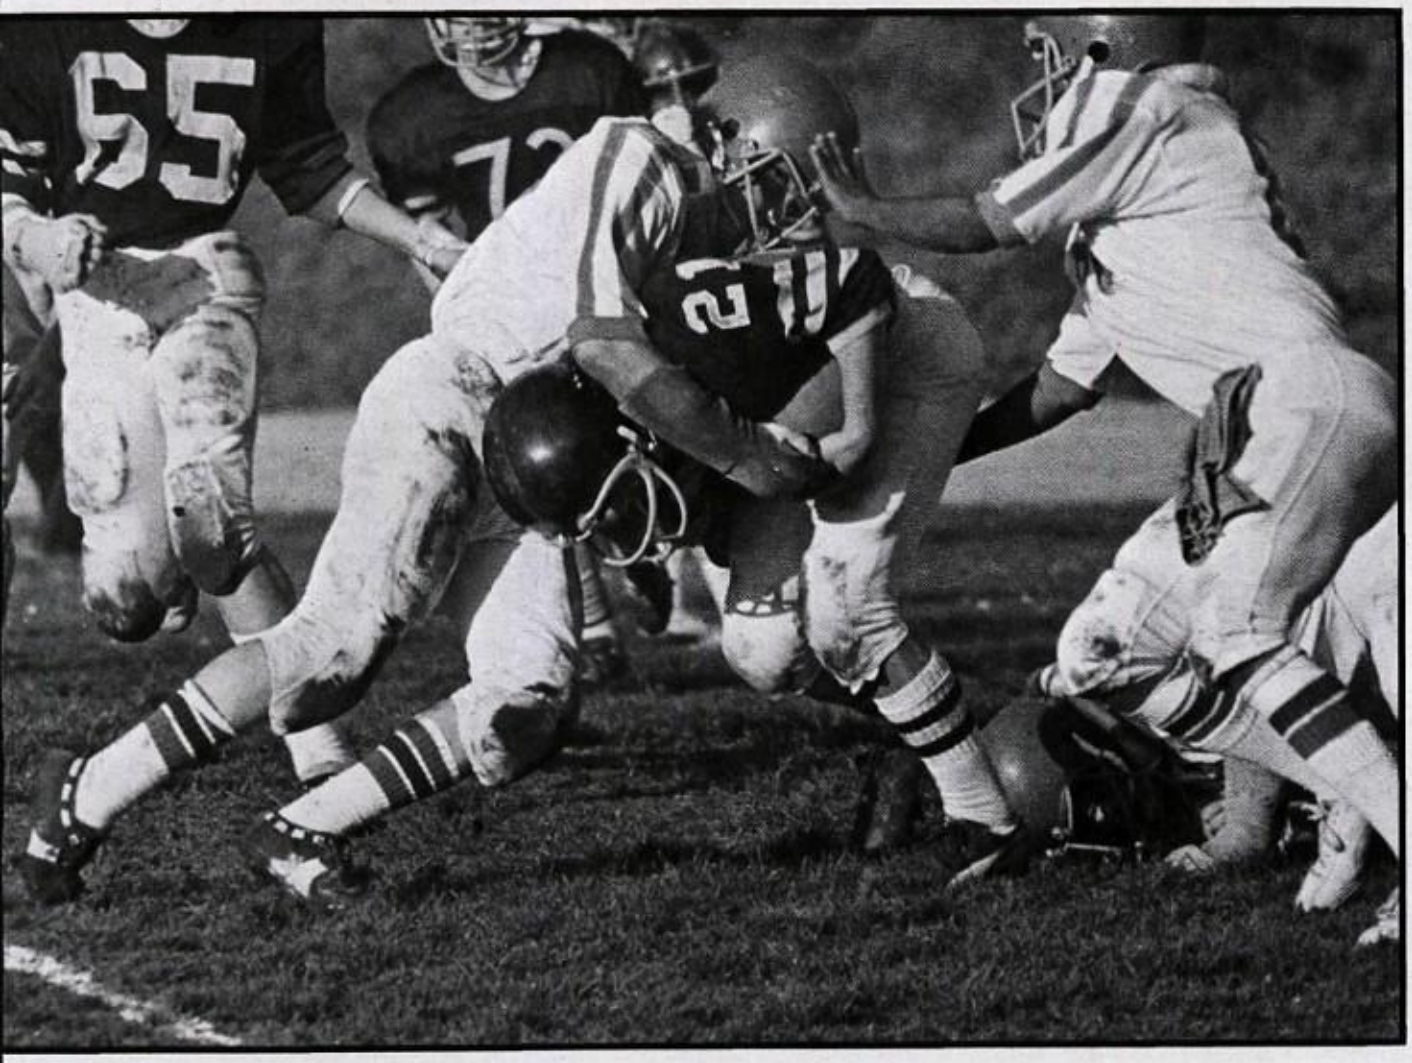
The season began with onesided victories over Alta Loma (37-6), Parkway (21-8), and Southwood (35-6); continued with one point wins over Westborough and Westmoor; and climaxed with resounding victories over Jefferson (33-6) and Terra Nova (34-7).

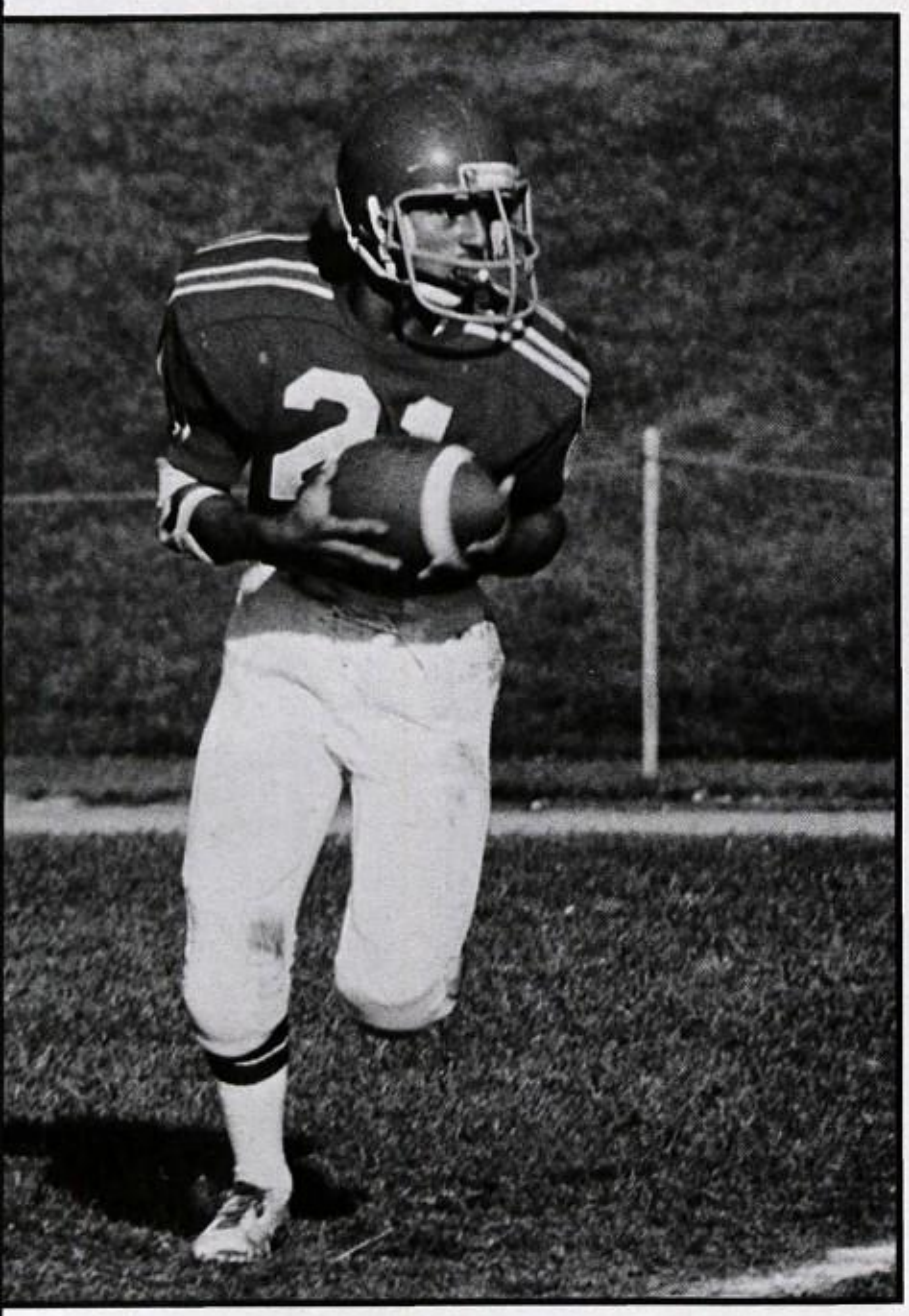
Oceana was anchored offensively by linemen Bill Svozil and John Mulac, by receivers Derrick Horton and Gary Bester, and by the backfield combination of Pete Herzog and Tony Kerlegan, with Kerlegan amassing over 900 yards rushing and scoring 11 touchdowns.

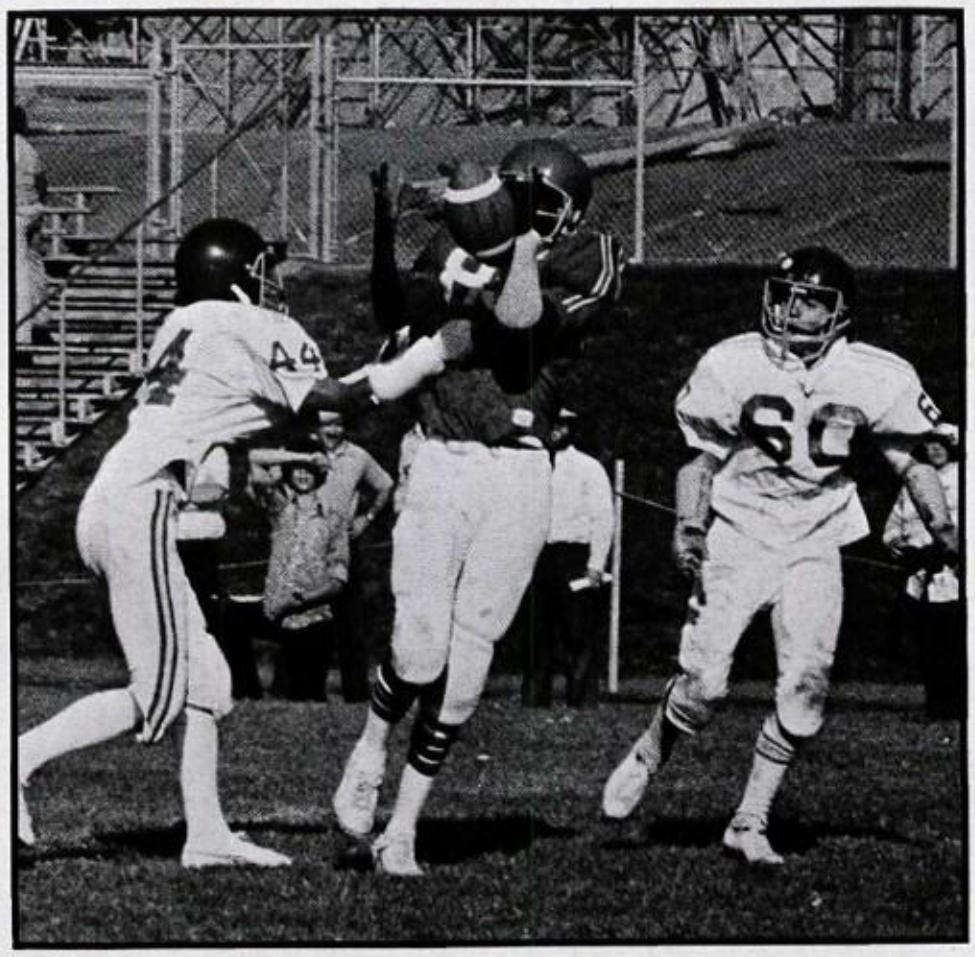
The defense was led by Bill Svozil, Earl Bradley, Alphonso Miranda and Nick Taylor.

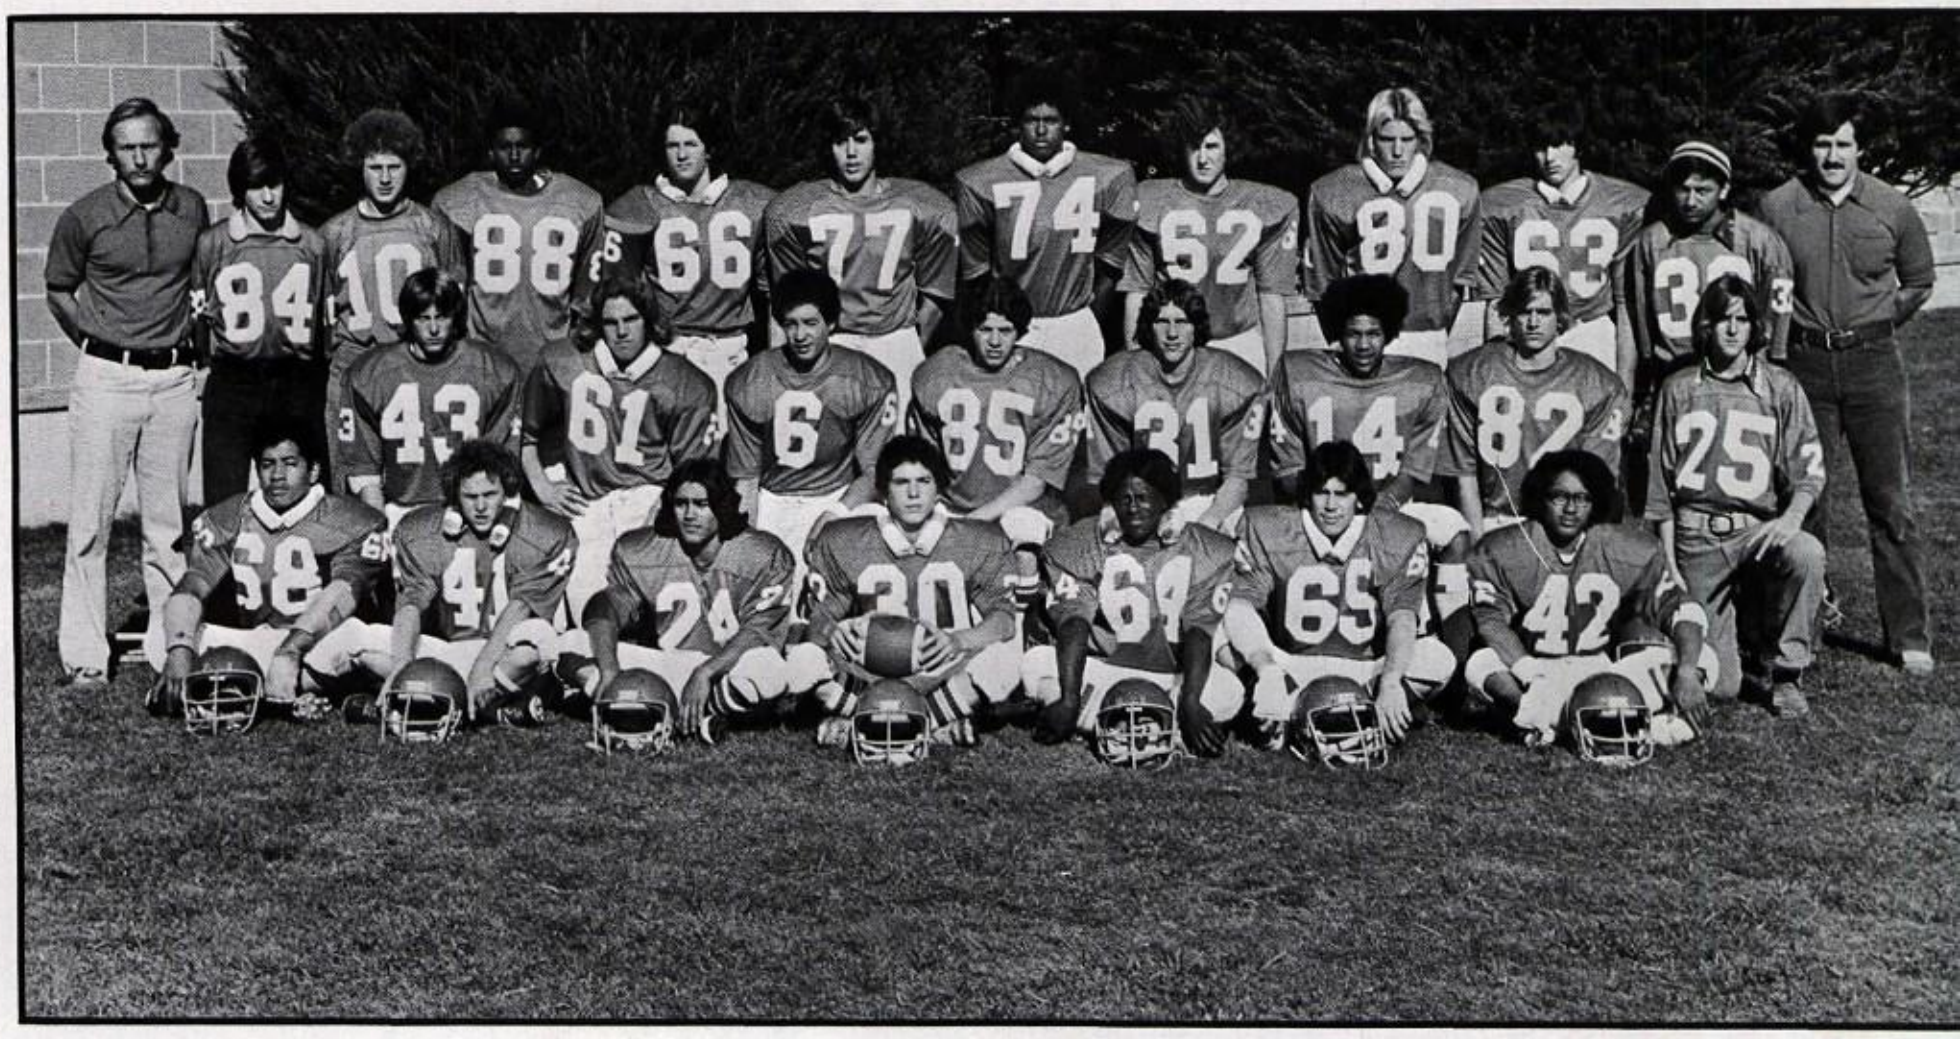
Oceana's championship frosh team was a team of balance, with many hardworking individuals, each of whom has a bright football future ahead of them.





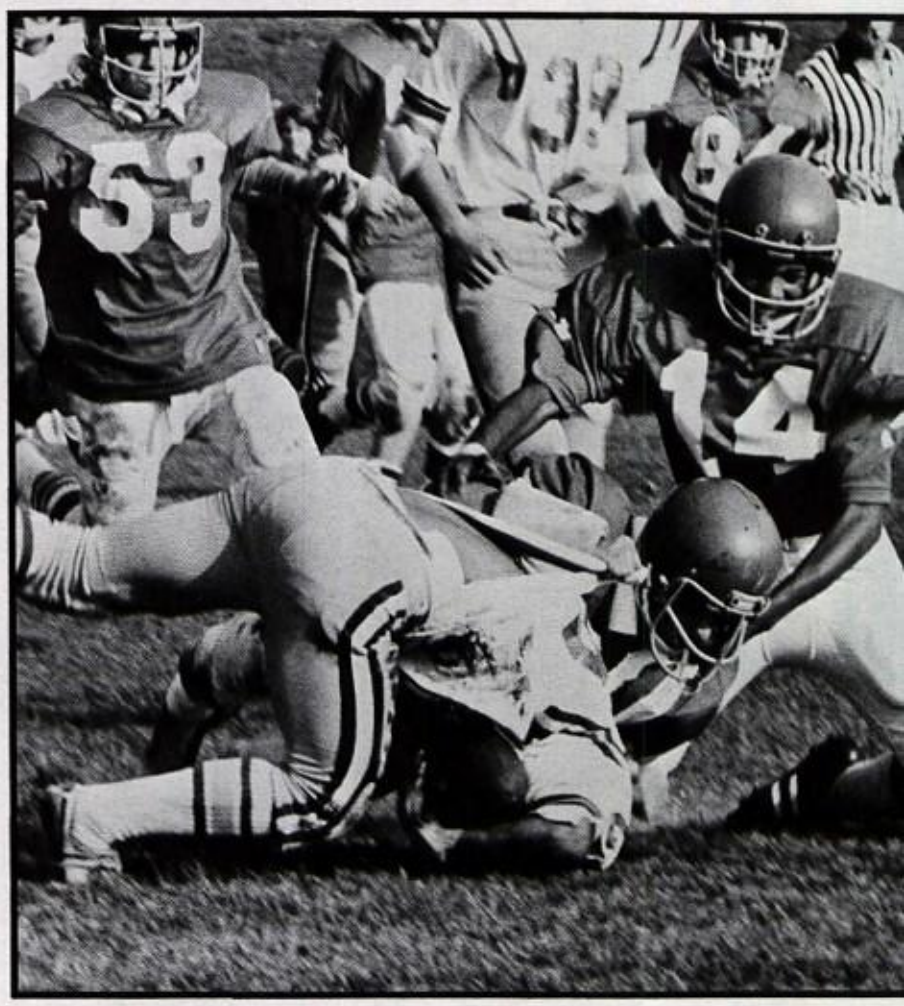


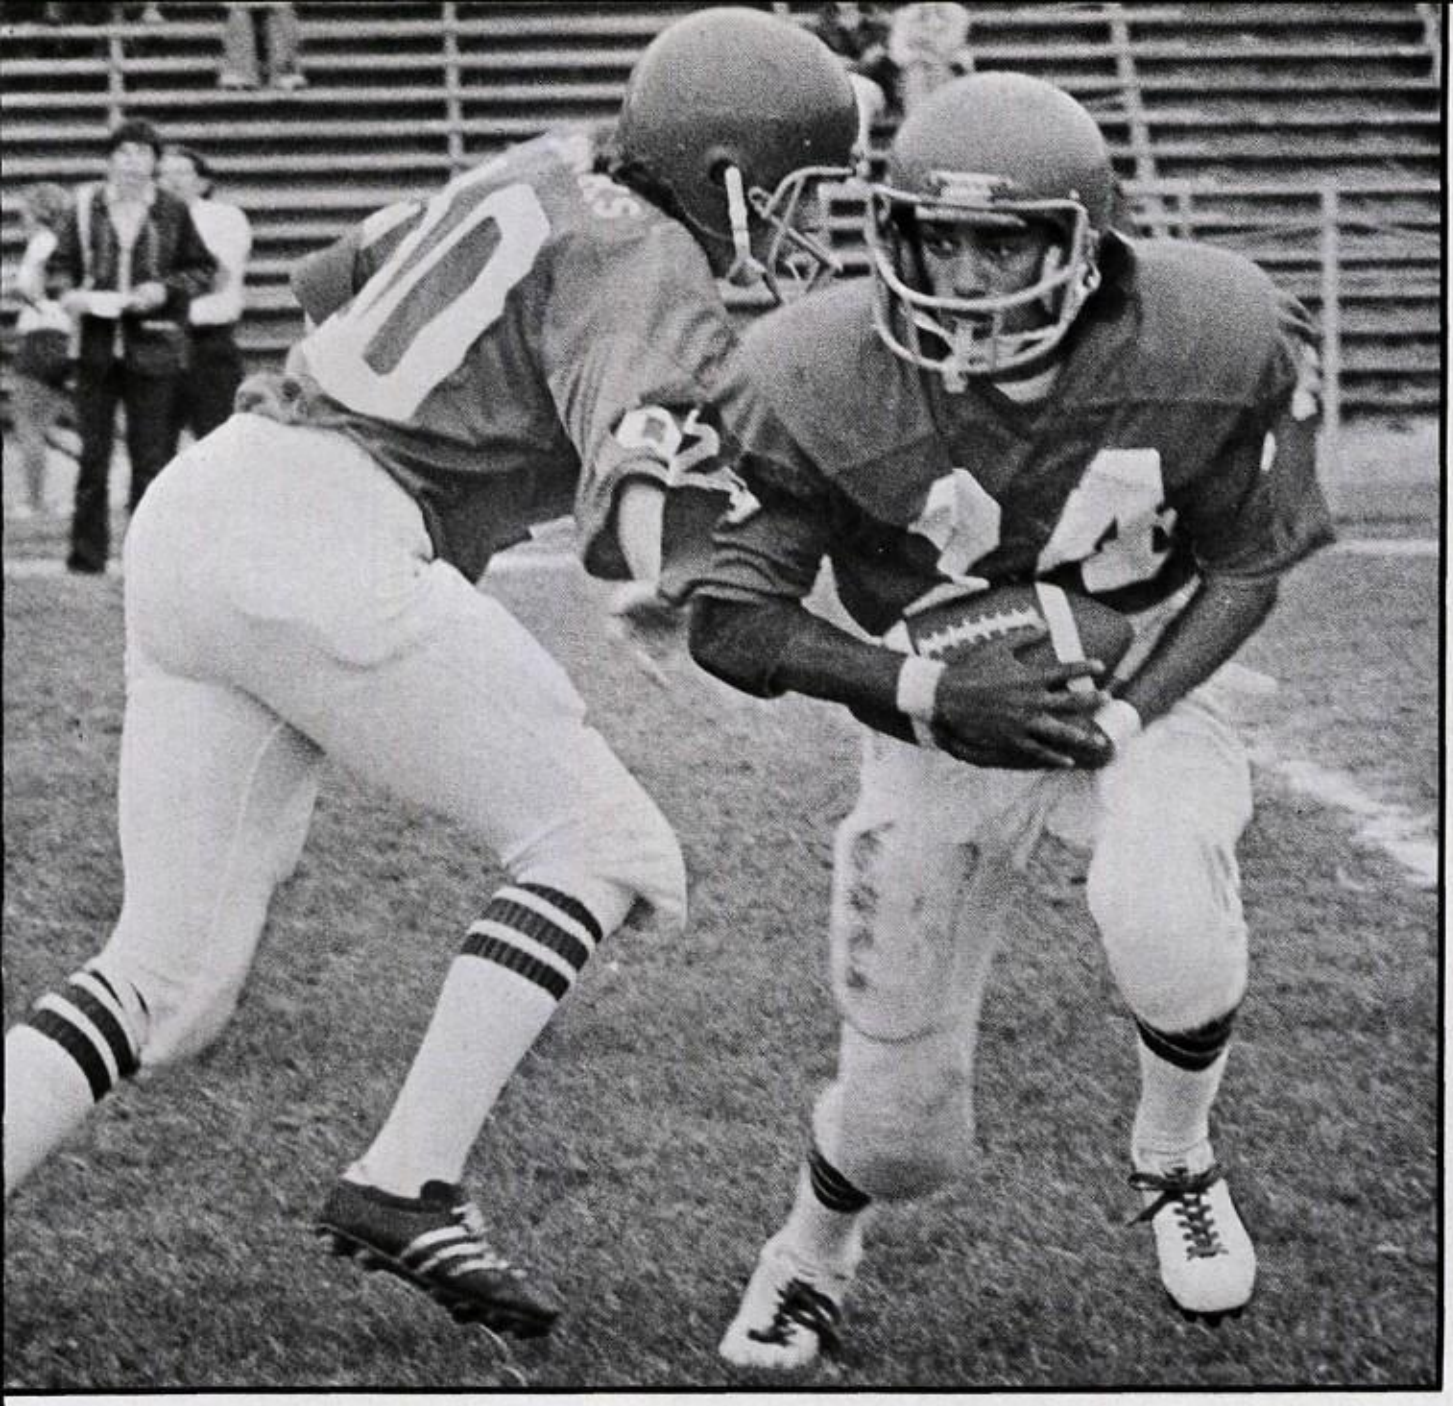


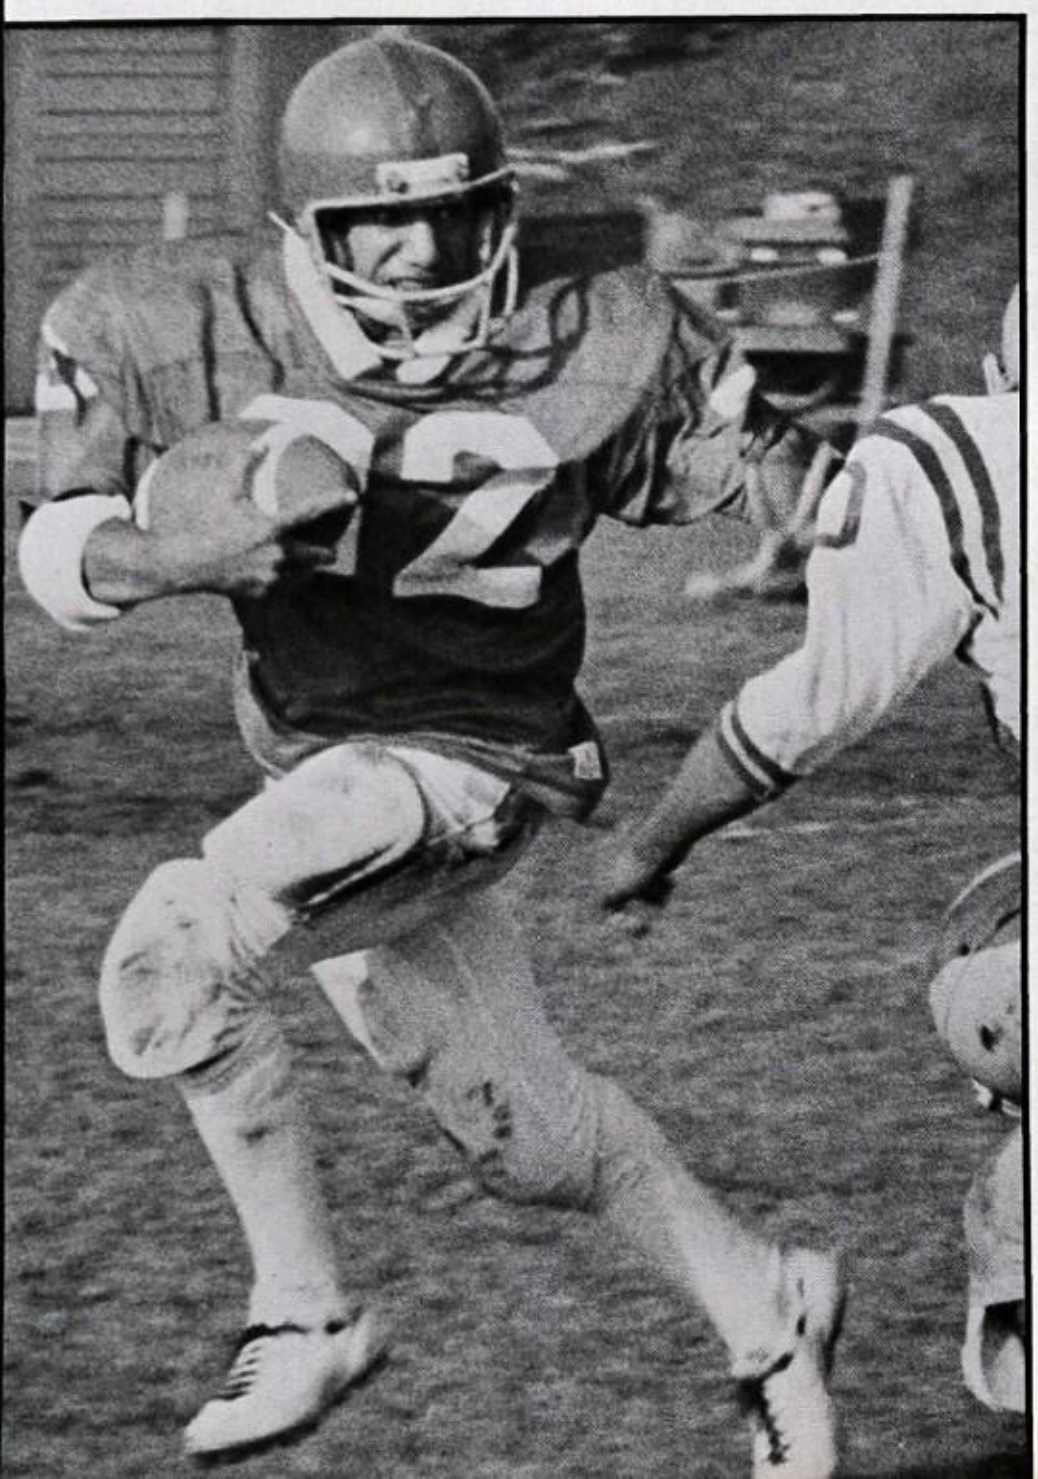


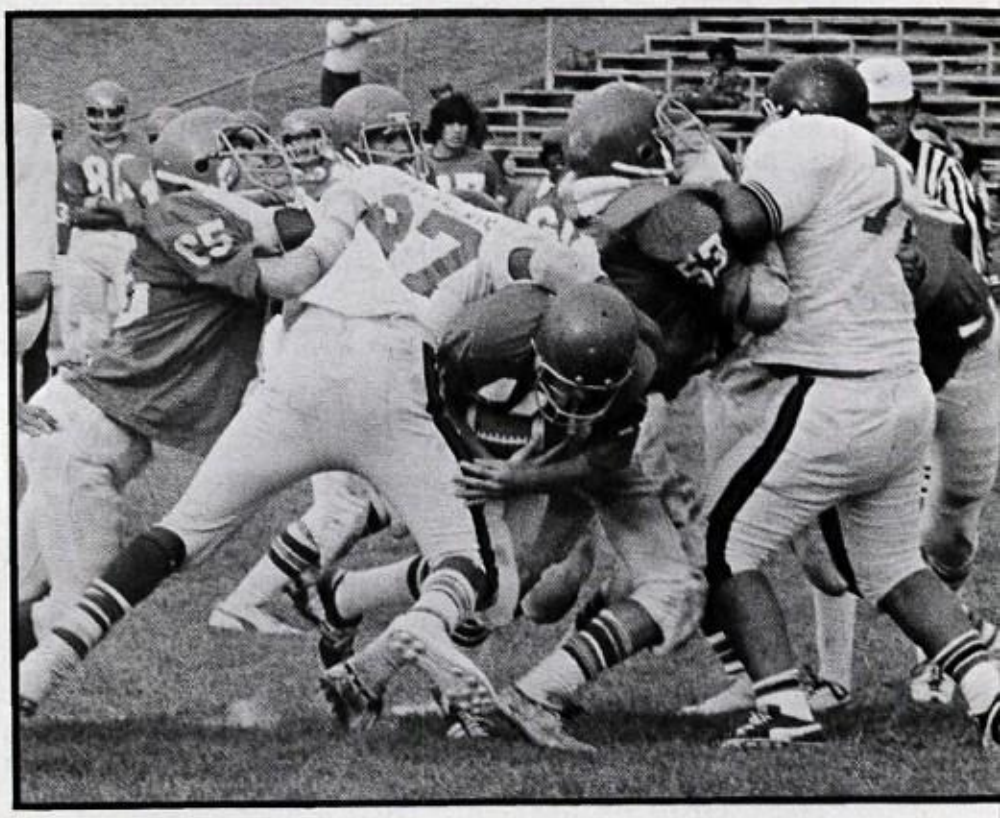
SOPHOMORE FOOTBALL-Front Row: Misielo Fineangnofo, Dan Bier, Jaime Miranda, John Thomas, Mike Thompson, Ignacio Araquistan, Noel Santos. Middle Row: Jim Kasch, John Killen, Shawn Rivafrente, Fred Peralta, Dave Lawrence, Glenn Green, Rick Rasor, Bruce Cannon. Back Row: Coach Ray Schnapp, Robert Petschel, Steve Sampson, Mark Page, Tom Pryor, Greg Pera, Mike Tyler, Luim Gogan, Bill Perry, Louis Arellano, Don Torres, Head Coach Art Hermosillo.

This year's Sophomore Football Team had a very disappointing season. After having an excellent 6-1 Freshmen year, this years Sophomores dropped off to a record of 2-7. Even with this disappointing season, the Sophomores did have their bright spots. One of them was the team's Most Valuable Player, Jamie Miranda, who rushed for over 1,000 yards and 10 touchdowns during the season. Another individual who performed admirably was John Thomas, the team's Most Inspirational Player, who did well in tight situations. This year's lineman of the year Tom Pryor, went both ways and showed great versatility in playing many positions. Other promising linemen for next year's Varsity are Mike Tyler, Greg Pera, John Belloumini, Ignacio Araquistan, and John Killen.









VARSITY FOOTBALL-Front Row: Alex Santos, Tim Llorente, Mike Rivas, Jimmy McCrary, Bruce Taylor, Francisco Miranda, Bruce Ramsey, George Marinkovich, John Belloumini, Greg Piccolotti. Middle Row: Assistant Coach Pat Lewis, Shawn Anderson, Kevin Wynne, Bob Silicani, Bob McCain, Doug Stevens, Mike Harriman, Denis Murray, Mike Sarmento, Doug Myherberg, Mike Hefner, Carlos Burbano, Robert Chermach, Coaching Assistant. Back Row: Assistant Coach Ed Larios, Coaching Assistant Devin Munn, John Doverspike, Rich Homer, Mike Biancalana, Rich Croke, Dave Hinds, Louis Sampson, Gary Gabin, Randy Swayne, Dan Lee, Head Coach Bill Gray.

The 1976 Varsity Football season featured exciting victories as well as heartbreaking defeats. An outstanding pre-season record of 2-0-1 which included at 14-14 tie with Riordan, 48-0 pasting of Crestmoor, and a 7-6 victory over a very good Aragon team, reaffirmed the hopes of those who were thinking championship. However, this was not to be. Following Oceana's hard fought pre-season victory over Aragon, a rash of crucial injuries forced the Sharks to continously adjust their starting line-up and placed an extra burden on the younger Oceana football players. The result was the loss of the first three league games, allowing the varsity to play out the season for pride alone. Under the leadership of team captains Denis Murray, Bruce Taylor, Kevin Wynne and Jimmy McCrary the team rebounded to win 3 of its last 4 games including Oceana's first ever win over South San Francisco, a stunning upset over El Camino and finally the bringing of Pacifica's "BIG GAME" ANCHOR back home by defeating Terra Nova 12-7 in the season finale.

1st team all-league performers included Denis Murray (FB), Jimmy McCrary (CB), and Randy Swayne (DE). Second team awards went to Dave Hinds (QB), Bob Silicani (WR) and Kevin Wynne (OG). Steve Myhrberg earned honorable mention status.

For a young, rebuilding team, facing a tough schedule, the 1976 Cross Country team performed remarkably well, both on the individual and the team level.

In a sport that demands physical endurance and personal desire, the Shark varsity placed fourth while the frosh-soph placed fifth in the final standings of the always tough NPL.

Congratulations to Jon Gerrans and Frank Reardon, varsity and frosh-soph most valuable runners, and to the entire cross country team for a job well done.

The 1976 D basketball team, led by all-league performers Geoff Curry and Steve Sui, ended the season with a record of 8 wins and 7 losses, good for second place in the NPL. With a little luck, the Sharks could have placed higher, as two of the losses came in overtime periods.

The '76 C basketball team was not as fortunate, winning only one game while losing 11. The lone victory, however, was an exciting 43-41 win over Terra Nova. Honors were given to Mark Dimas and Kelvin Moore, both of whom were named Honorable mention All-League.

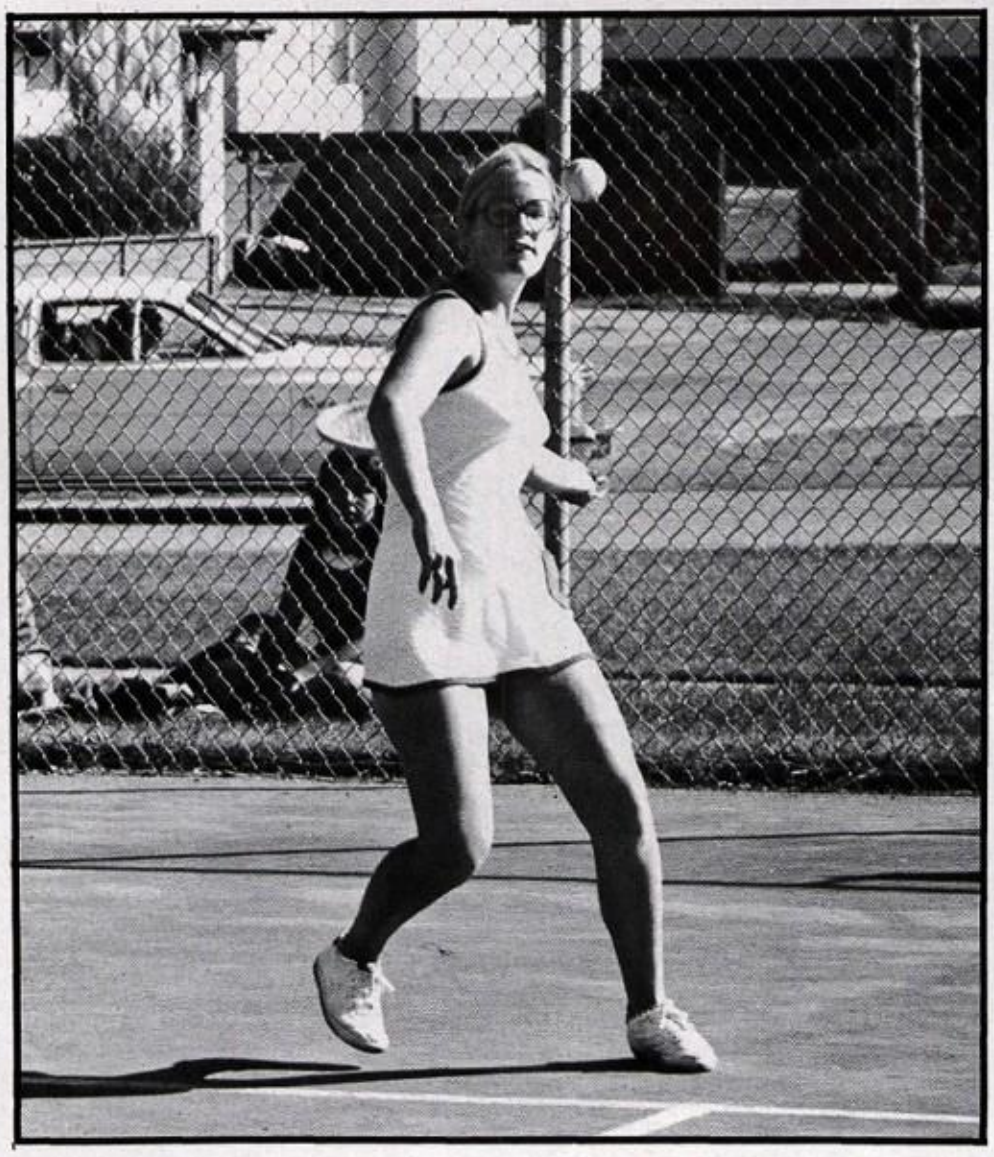
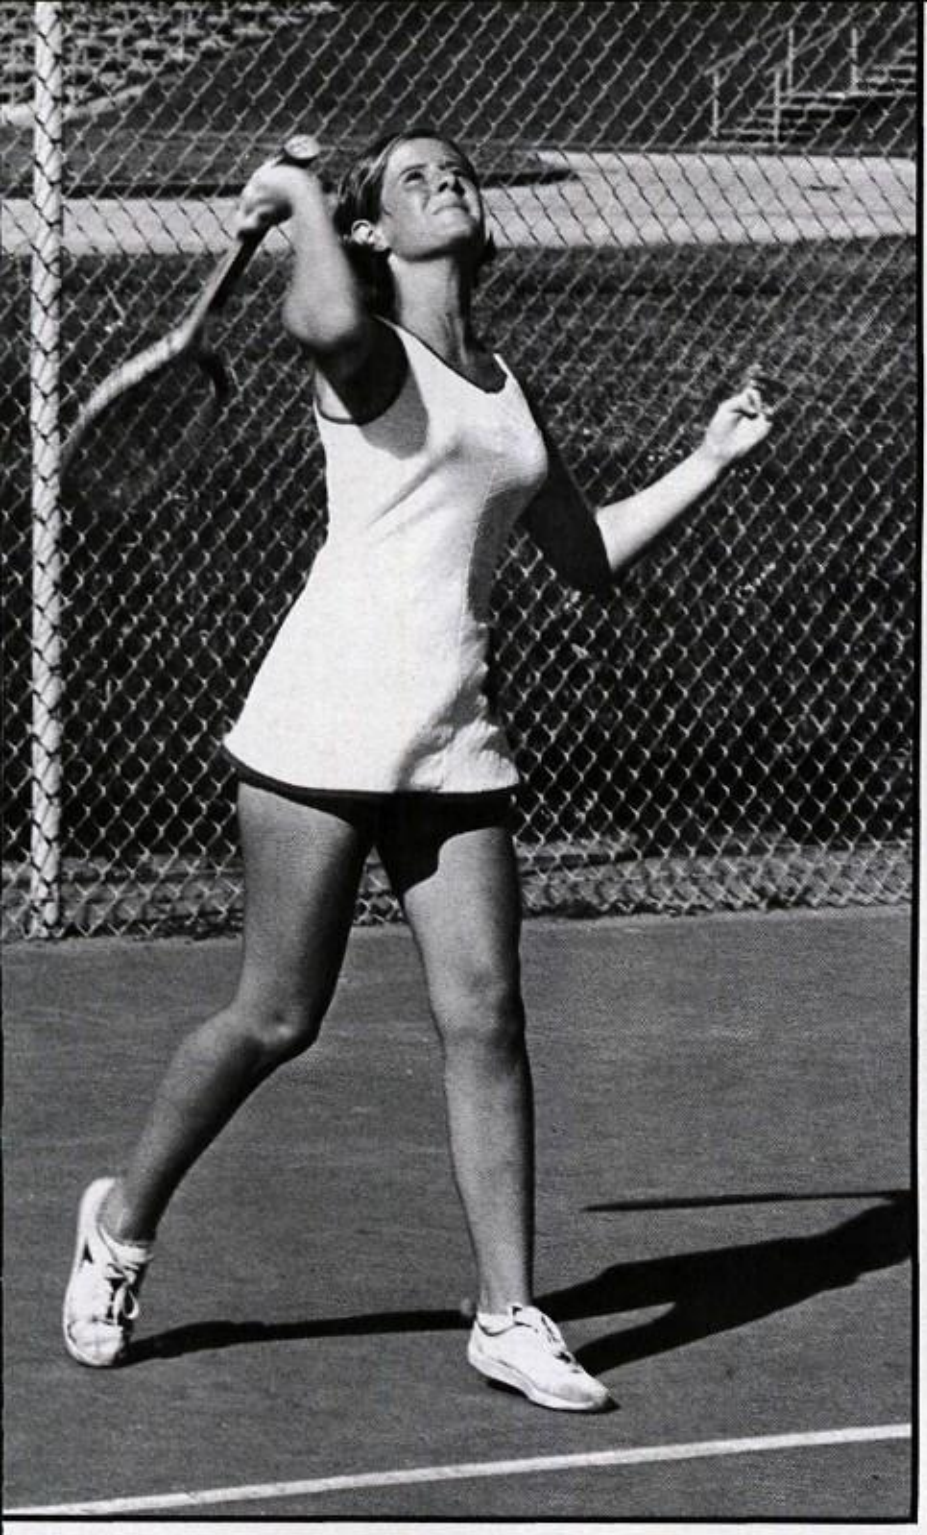
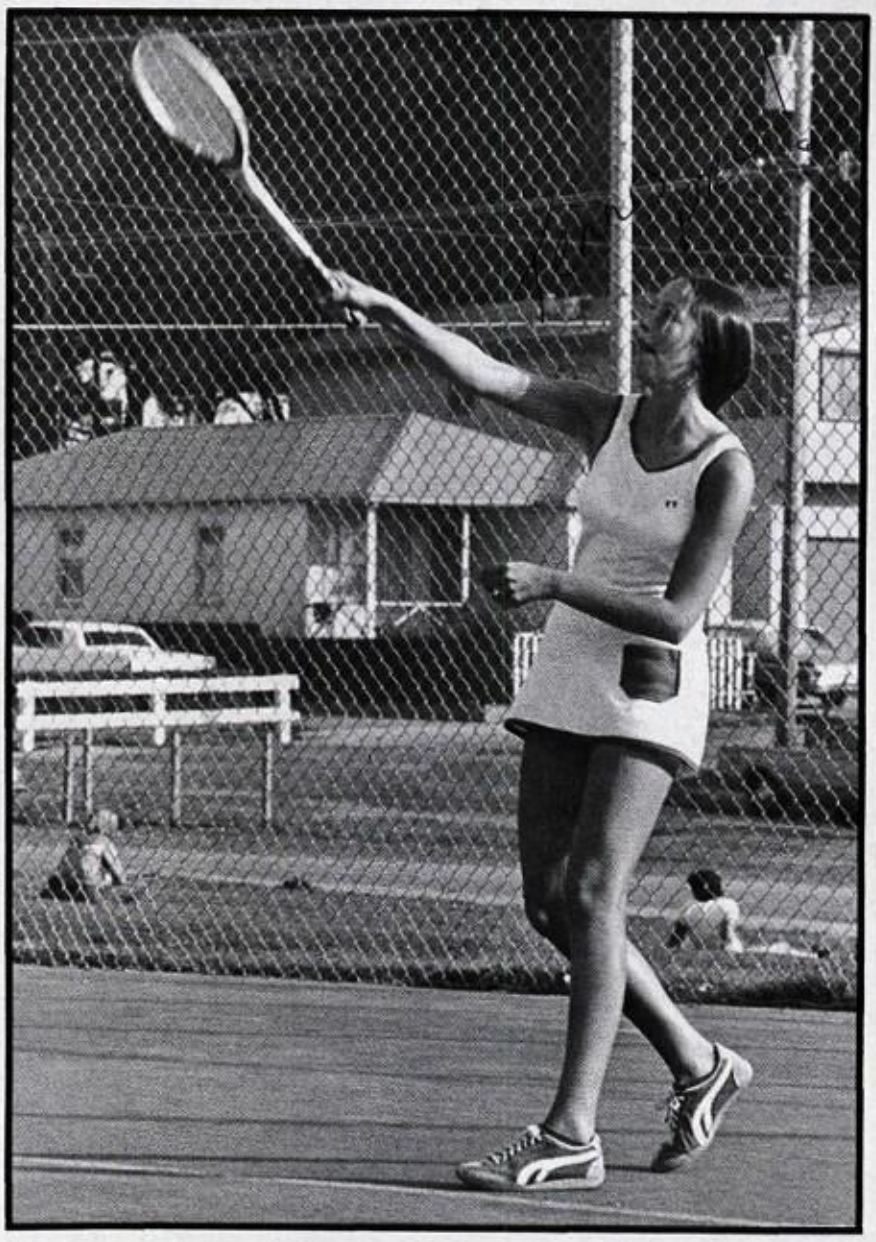
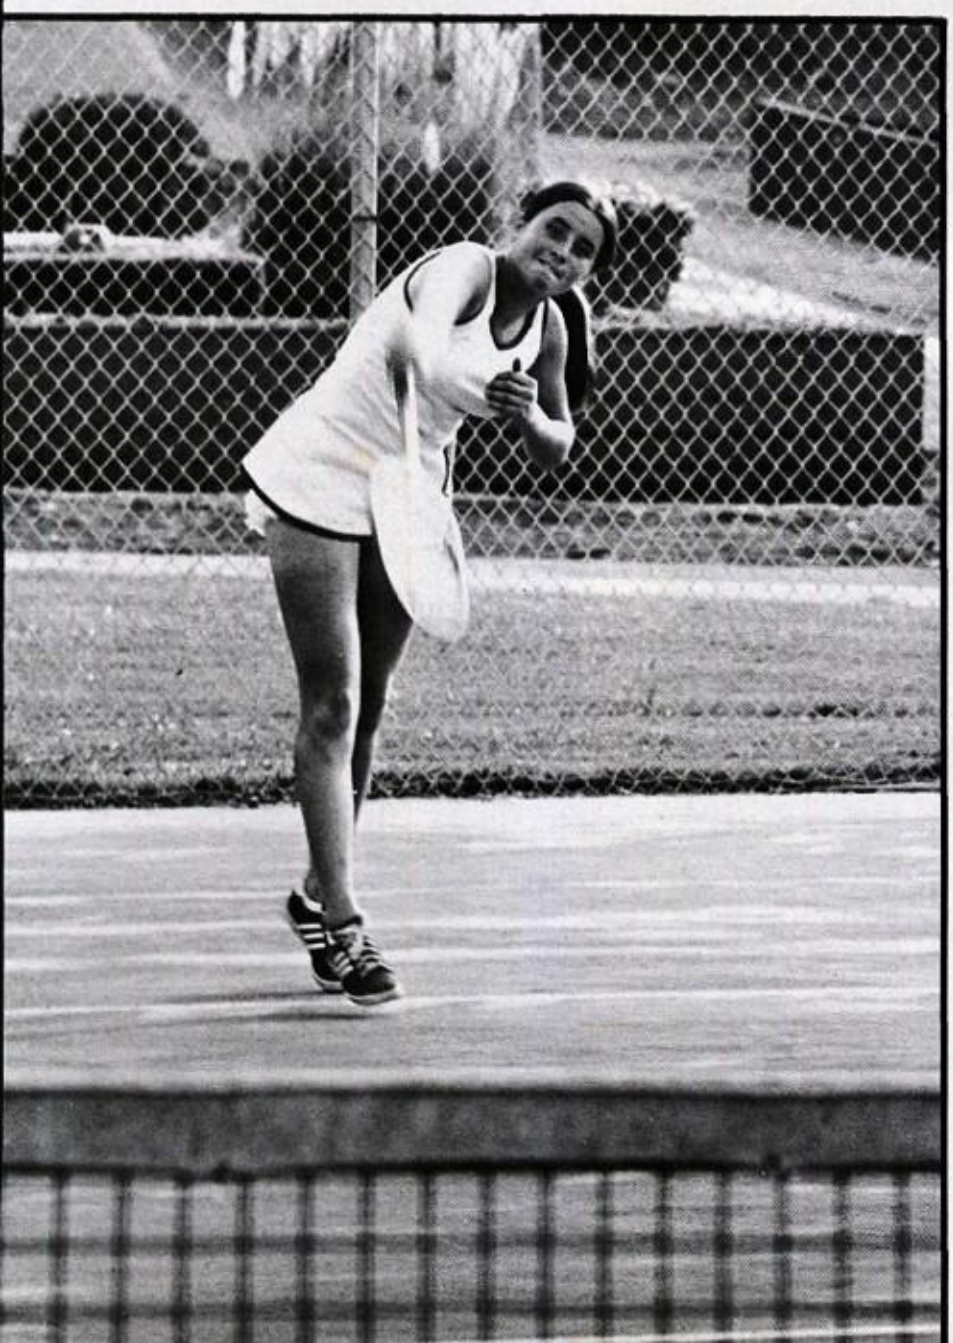
Middle Row: Debbie Lloyd, Claire Smith, Laurie Laskey, April Ellis, Jenny Gappa, Donna Anoba, Marianne Markt, Julie Jones. Back Row: Maggie Reed, Josie Buch, Judy Duskin, Elaine Cole, Donna Santucci, Juleen Robinson, Margie Keough.

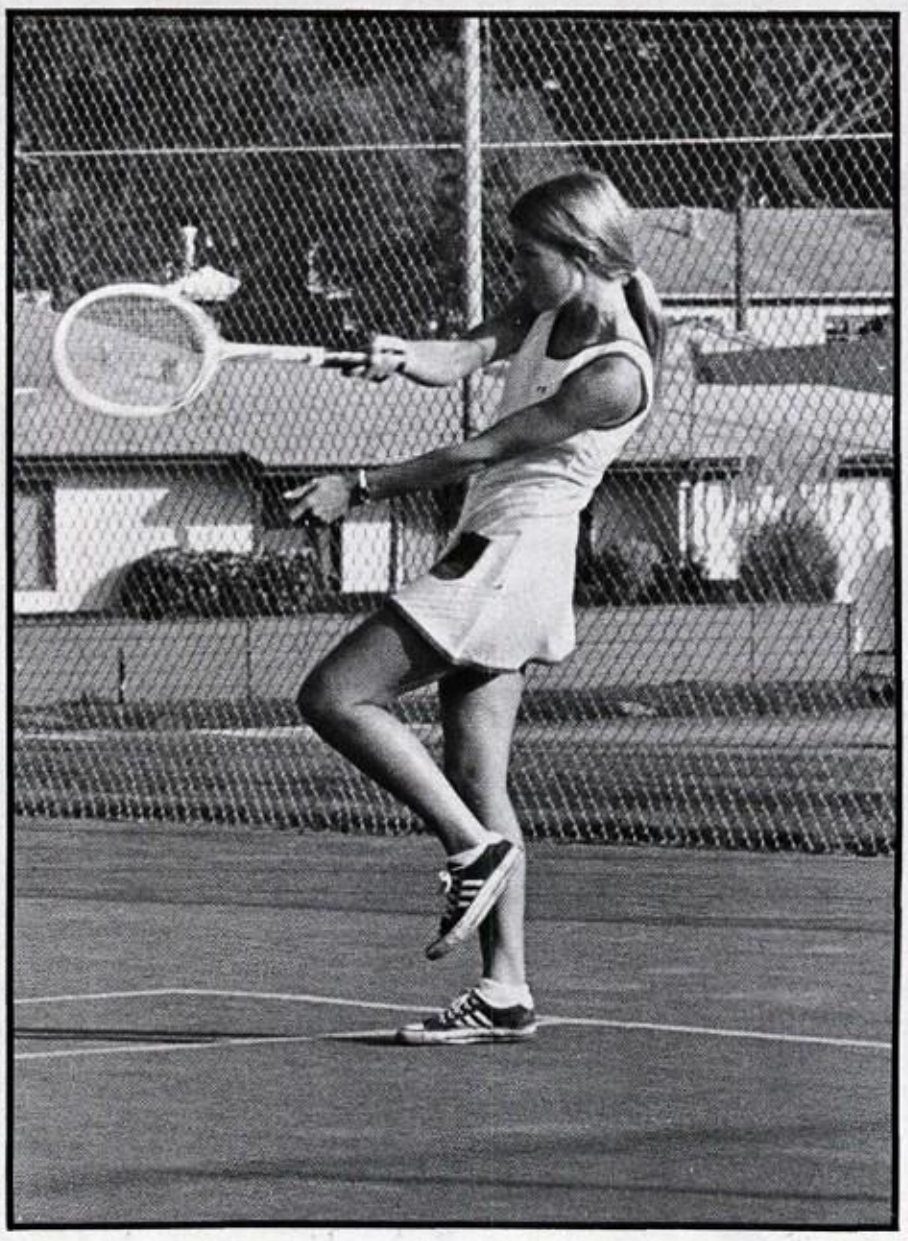


In a season highlighted by twin victories over Terra Nova as well as a 9-0 shutout of South City, the Girl's tennis team powered their way to a 6-2 league record, good for second place in the NPL. The team was led by the number one doubles team of Barbara Gegan and Cindy Bueker, who did not lose a match during the regular season. Number one singles player, Dorothy Duncan also played outstanding tennis all year long.









FROSH SOCCER TEAM-Front Row: Rick Cherinok, Monte Gouzalez, Joe Stabile, Tom Dundas, Adam Molina, Fernando Redriyuez, Pat Sangimino. Middle Row: Jim Reed, Dan Cole, Bob Venturini, Rich Carney, Pete Llorente, Phil Raynal, Gene Hall. The 1977 Junior Varsity Soccer Team was a pleasant surprise. Competing against teams which were comprised mostly of juniors, the young Sharks were able to hold their own. Led by All-Leaguers Carlos Diaz and Ron Haas, the J.V.'s finished a very respectable third place in a very tough league.

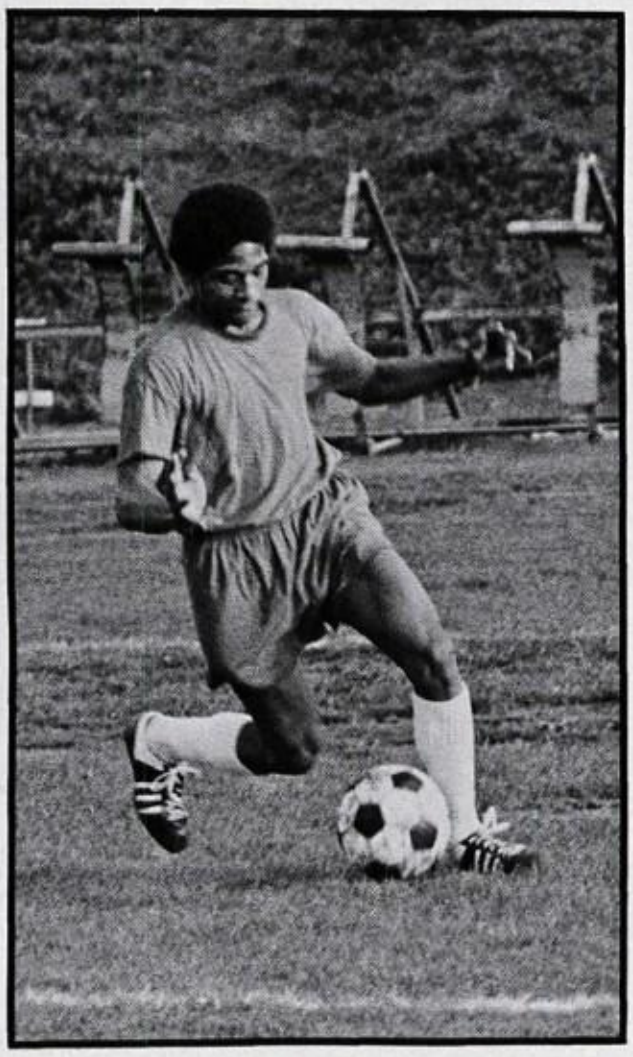
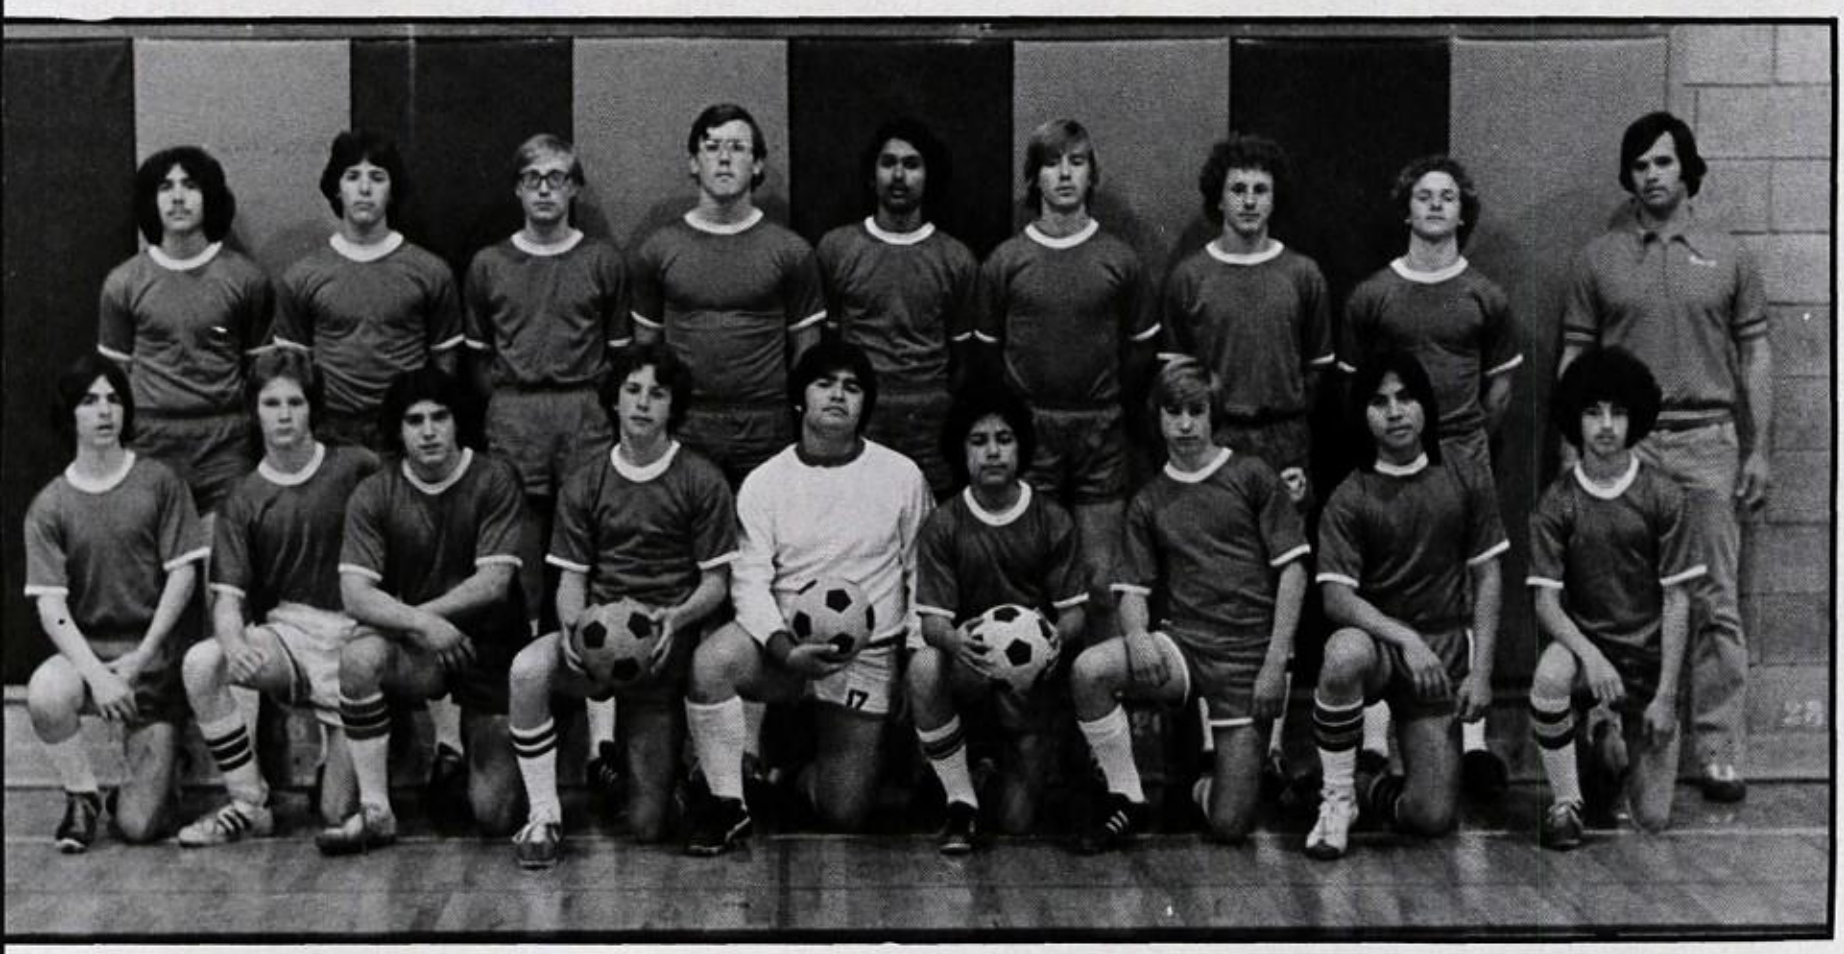
The Oceana Frosh Soccer Team was the only high school team in the frosh league. Competing against the frosh from the South City schools, Oceana was able to finish with a 5-2 seasonal record. The frosh displayed, throughout the season, the desire and willingness to work toward building a championship team, with only two 1-0 losses keeping them from an undefeated season.

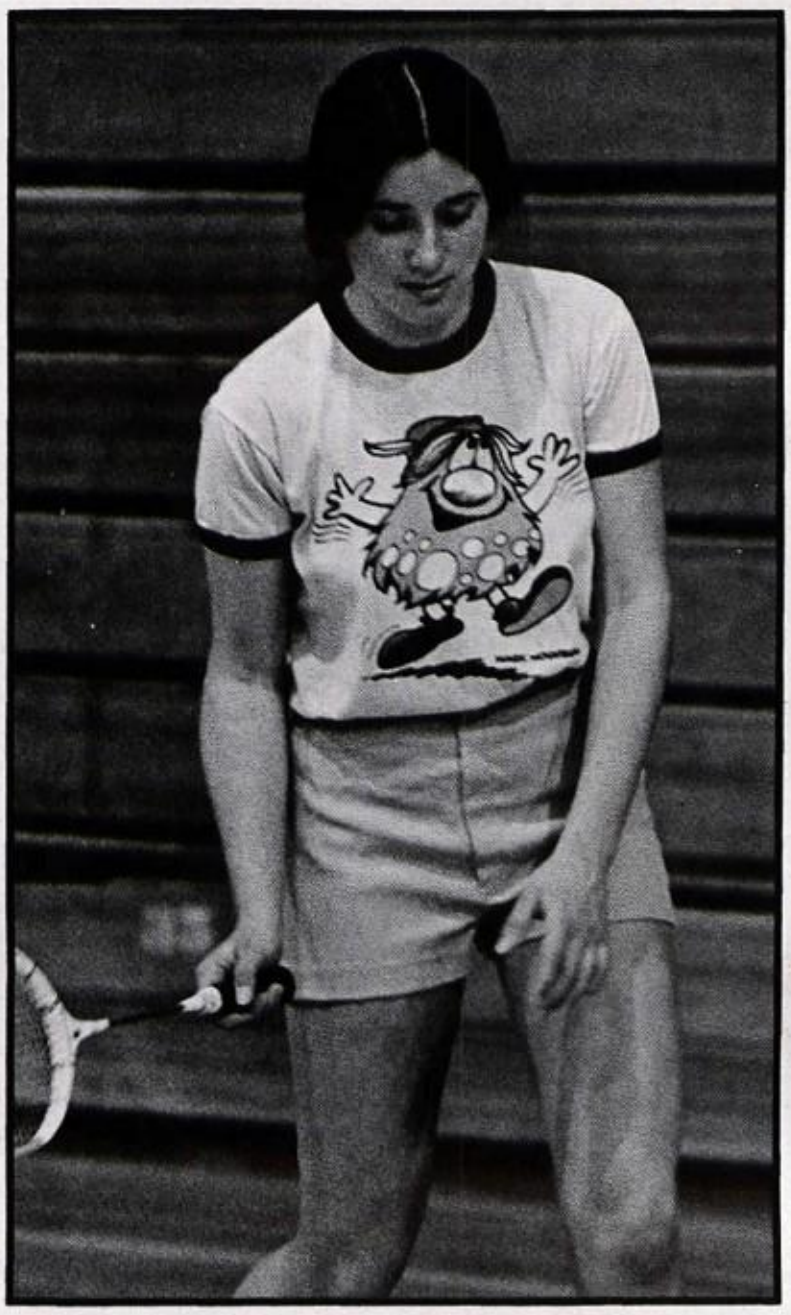


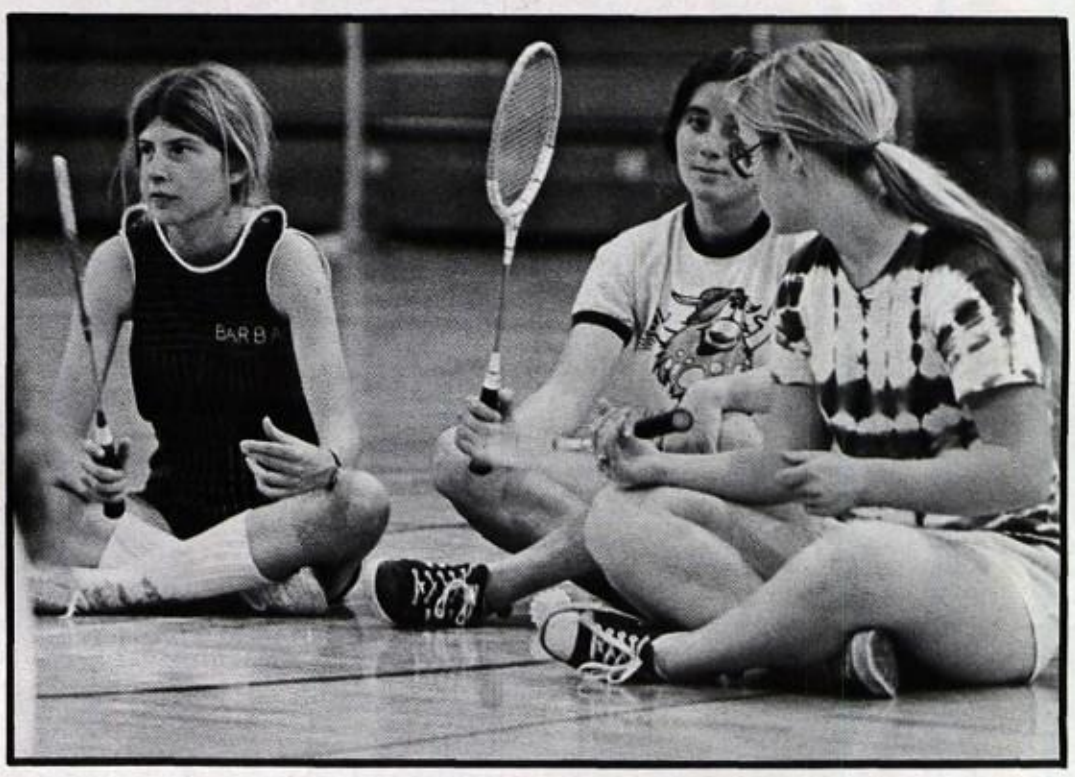


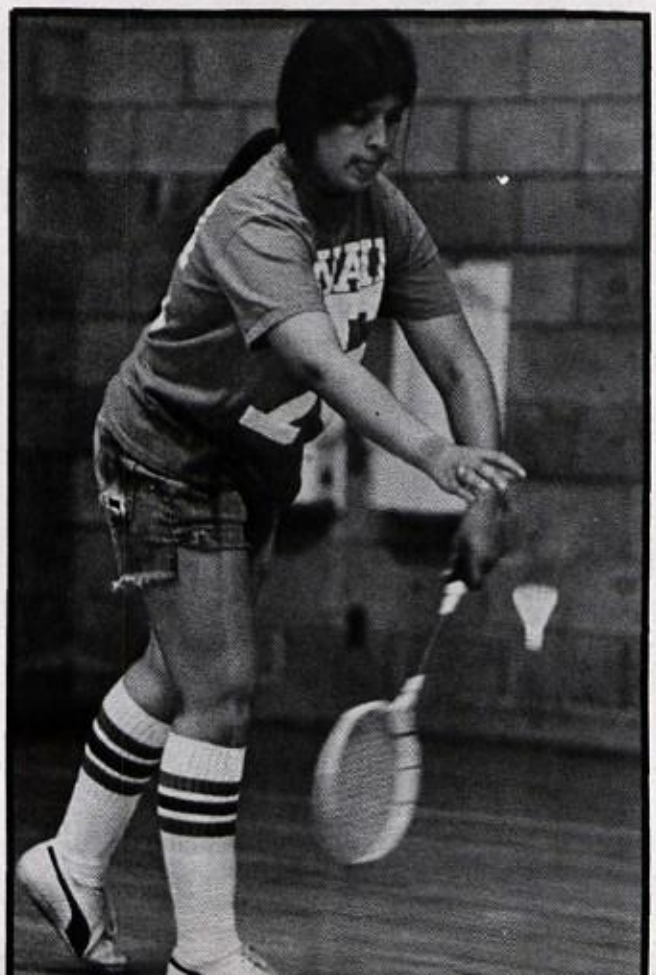
JUNIOR VARSITY SOCCER TEAM-Front Row: Mike Kay, Joe Torrigino, John Belluomini, Ken Croseffi, Carlos Diaz, Charles Aranda, Ron Haas, Vic Tano, Jorge Galindo. Back Row: Leo Tringale, Phil Piserchio, Ron Vancueld, Kurt Schmidt, Sam Rai, Bruce Brunger, Steve Sampson, Dan Bier, Coach Ed Larios. Not Pictured: Mark Nielson, Dan Delago.

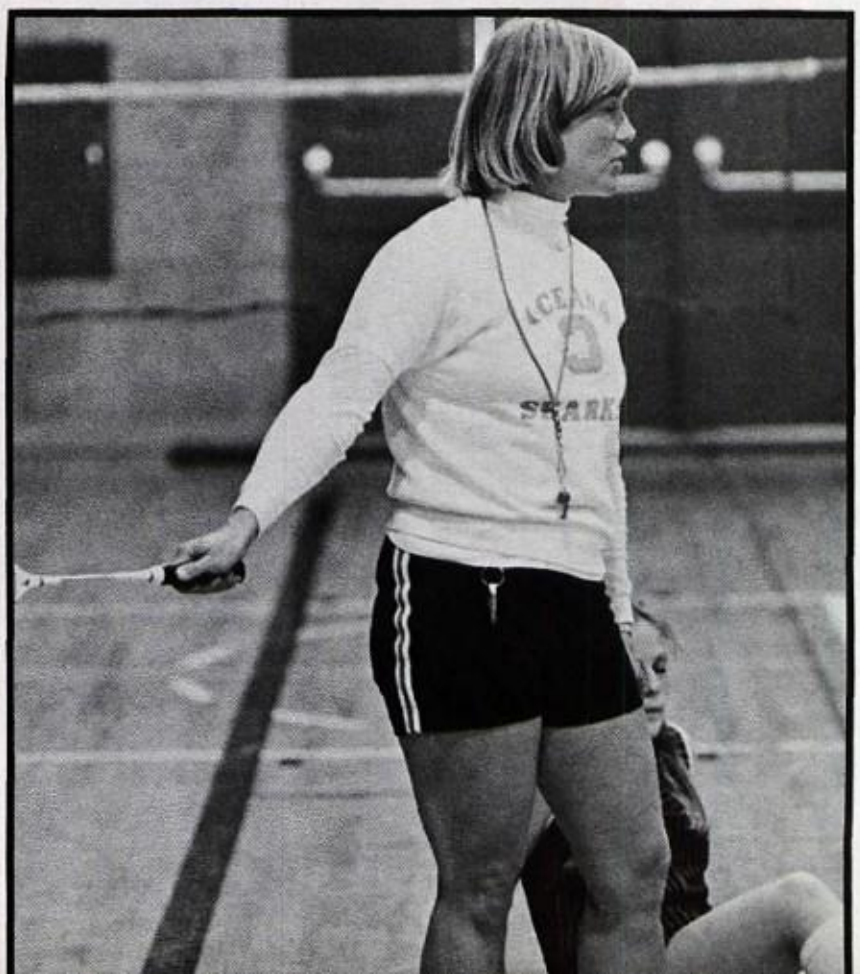
Back Row: Coach Ed Larios, Mike Sarmento, Rich Homer, Craig Miller, Mike Murphy, Luke Doverspike, Randy VanVaerenbergh, Dave Castleberry, Greg Piccolotti.

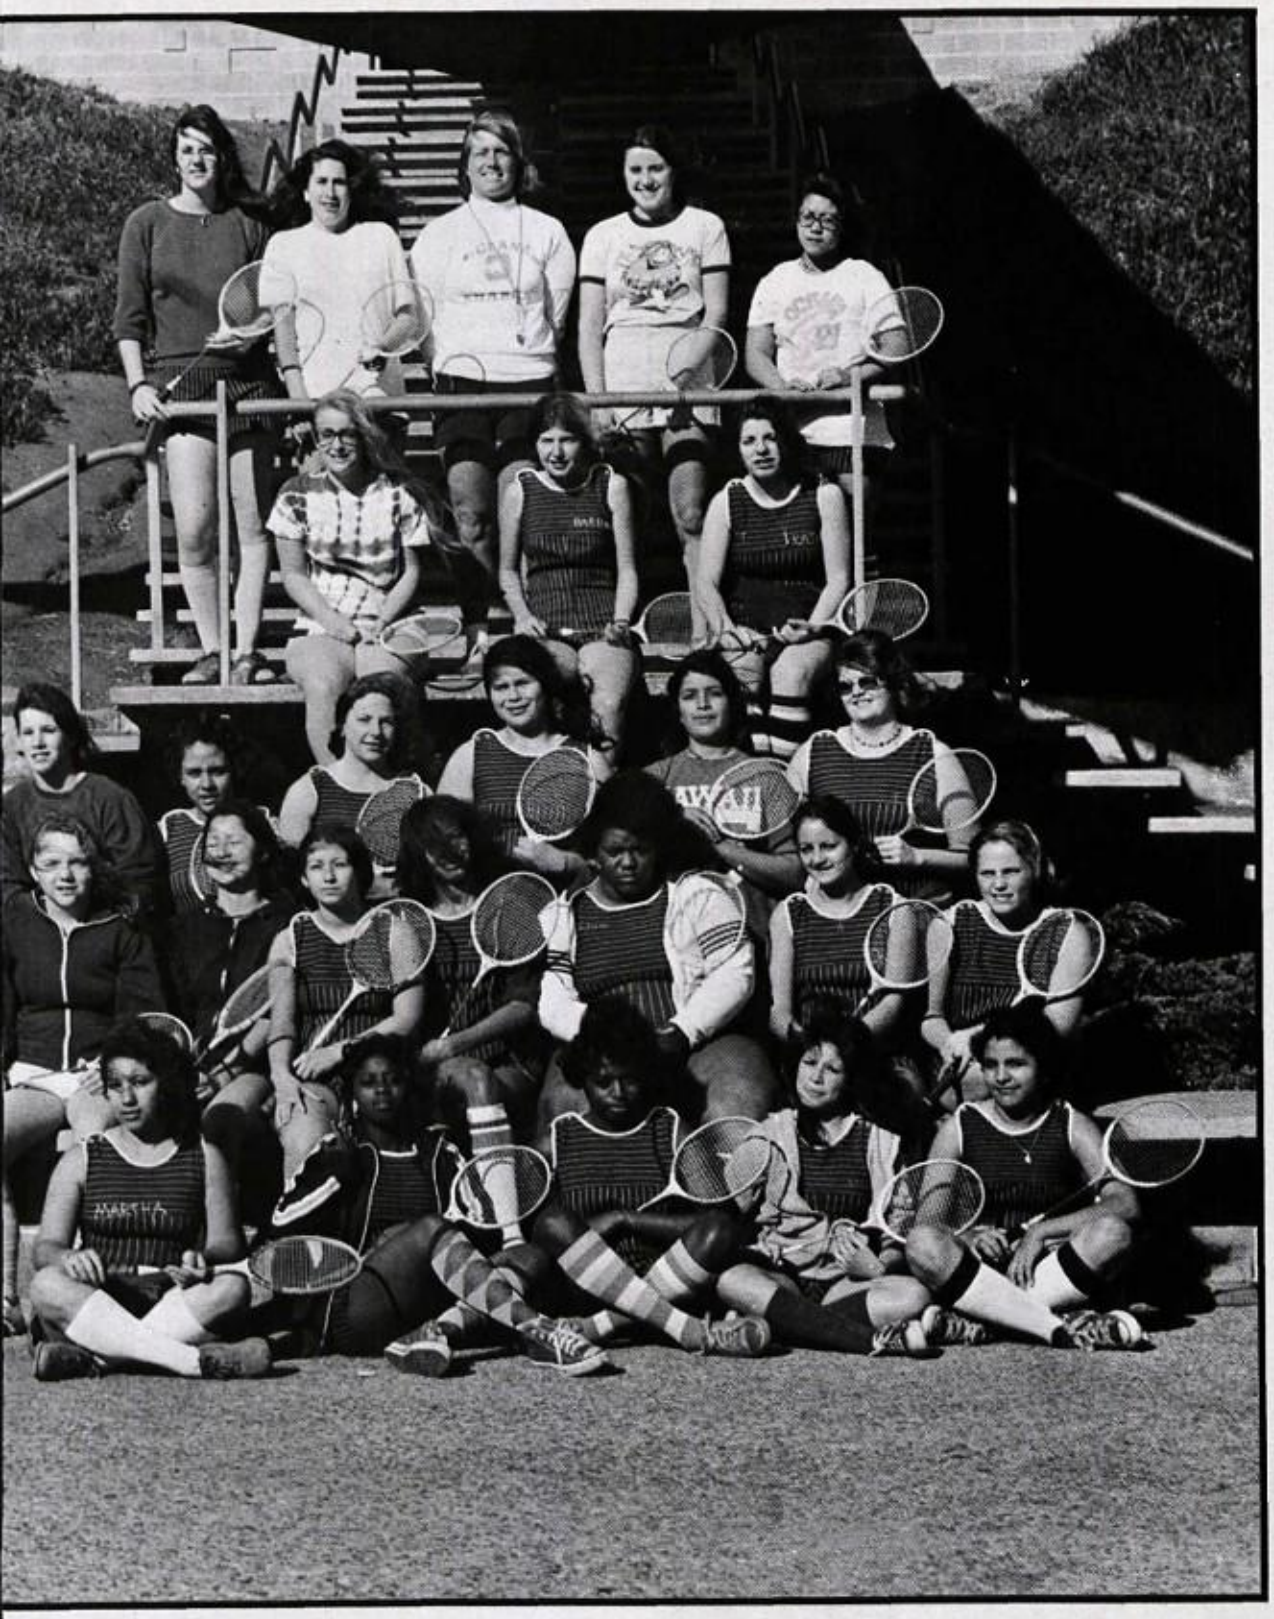
Although they failed to win a game, the 1977 varsity soccer team played with all the desire and intensity of a championship team. Led by most valuable players Randy VanVaerenbergh and Mike Sangimino, the inexperienced Sharks received their rewards not in the won-lost column but in the knowledge that they played every minute of every game with the discipline and desire of an undefeated team.



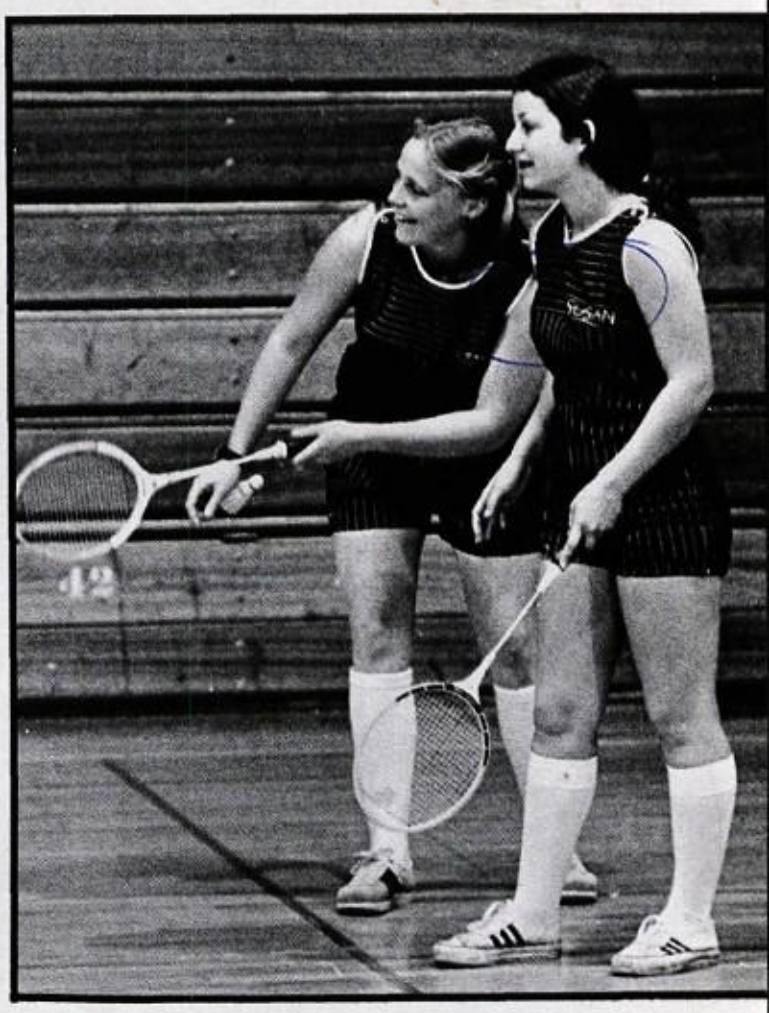








ADMINTON TEAM: Front Row: Martha Solano, Quen Denton, Bonita Henry, Kathy elez. Row Two: Kathy French, Christina Briley, Kathleen Torres, Marcia Wilson, ndrea Fennel, Debbie Looby, Laurie Collins. Row Three: Claire Smith, Diane Ram, eslie Leveroni, Jessica Malespin, Carol Martinez, Cami McMonigle. Row Four: usie Cox, Barbara Gegan, Kathy Kapagien. Row Five: Debbie Kay, Debbie Lloyd, oach Mary Heibel, Dorothy Duncan, Theresa Wong.



Oceana's 1977 Badminton Team was made up of many first-year players with only seven girls returning from last year's squad. This season was much longer than last year's, the Sharks having played each team twice.

In a sport about which little is known, but which takes much agility and physical endurance, the Sharks played league matches that consisted of four doubles matches and four singles matches, and were able to send two doubles and two singles teams to the league finals.

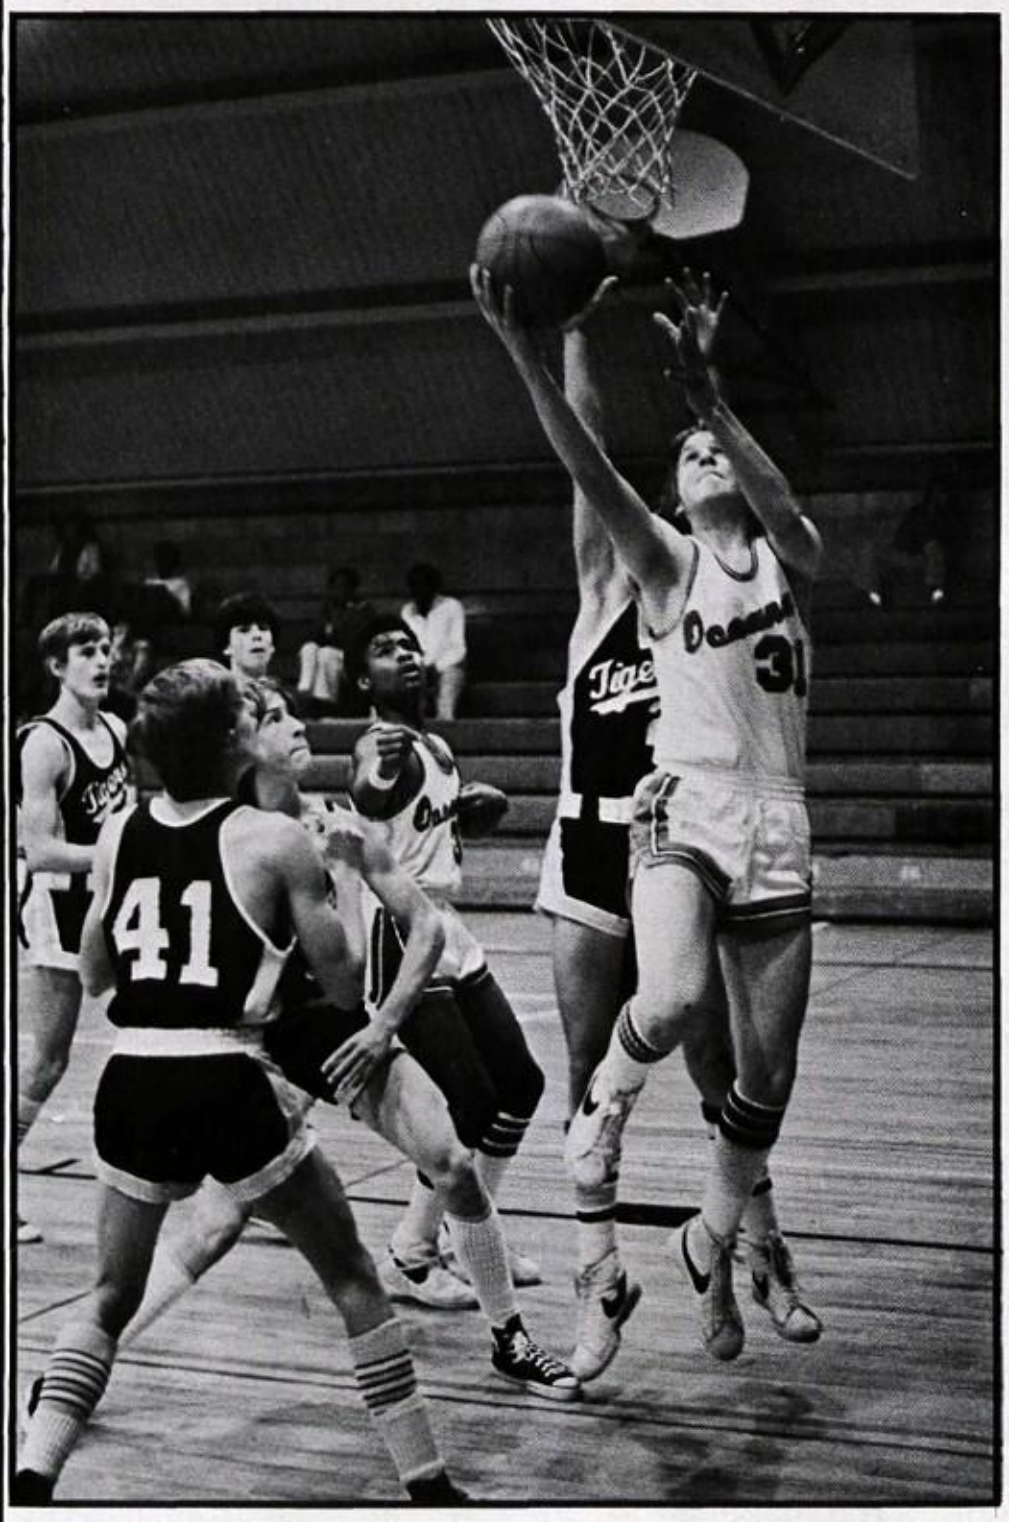
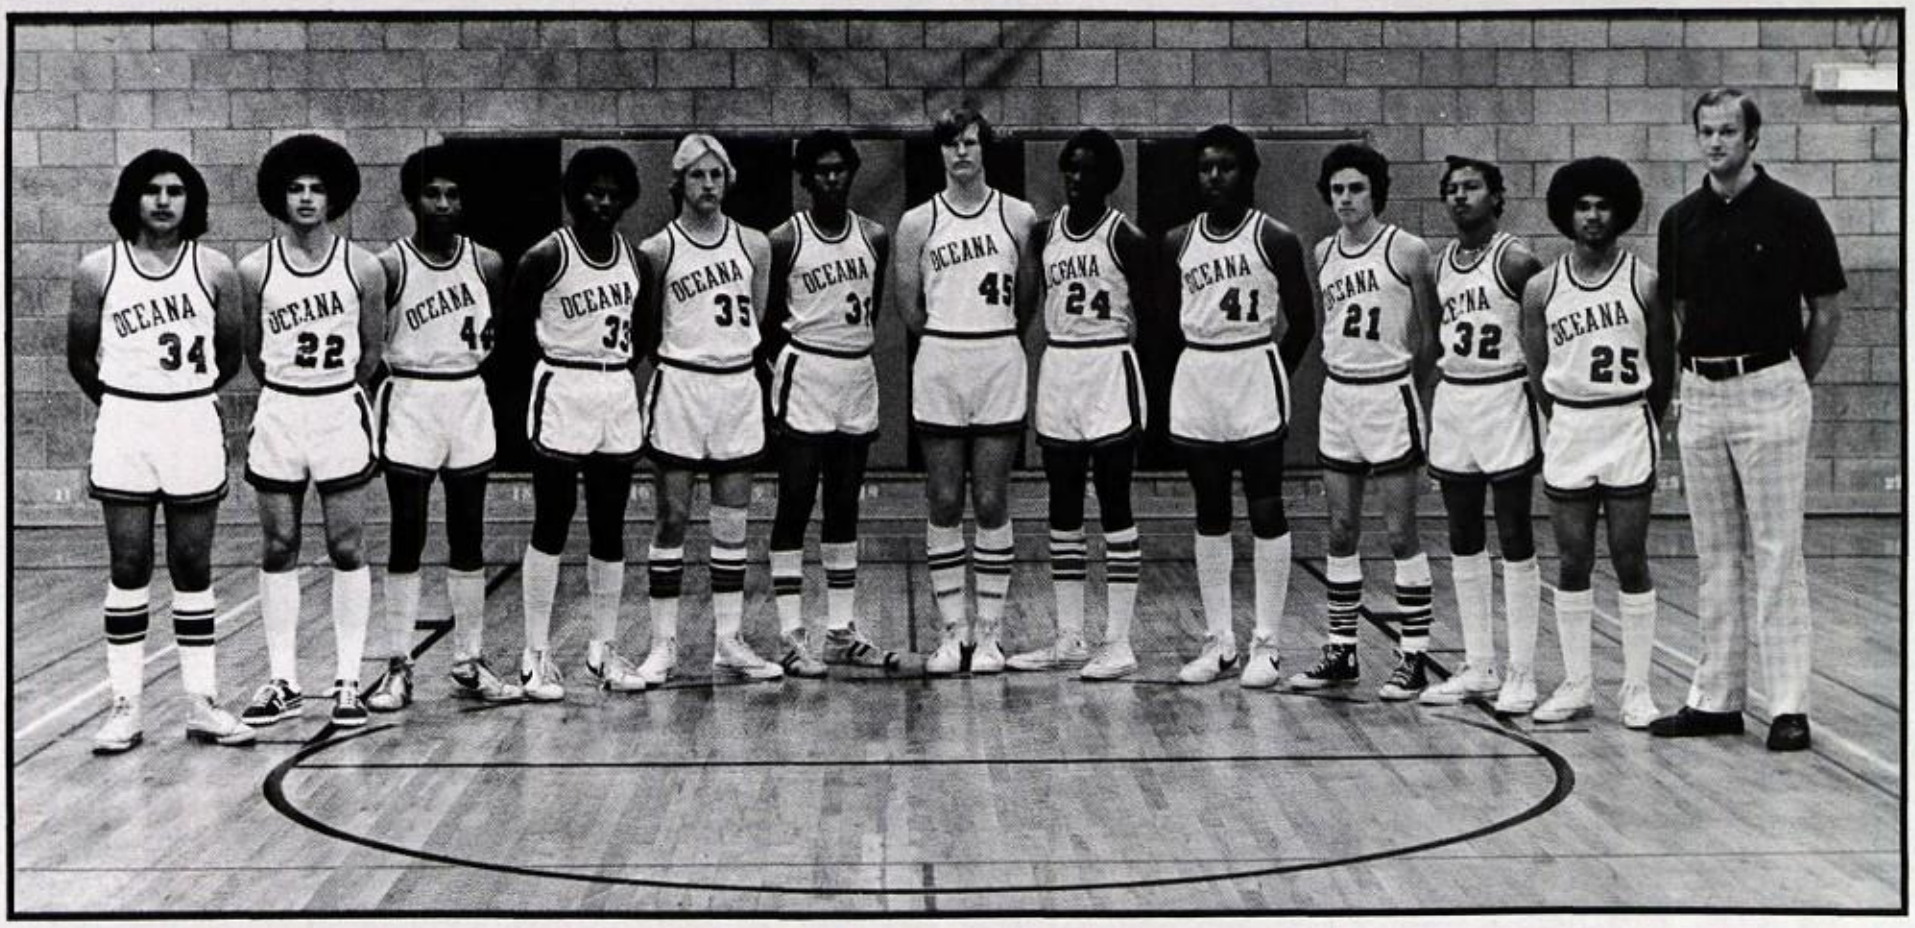
OSH/SOPH BASKETBALL-Front Row: Dave Lawrence, Mark Page, Bob Petschul, Carl Washington, Earl Bradley, s Whipple. Back Row: Jim Kasch, Rick Rasor, Steve Rice, Mike Tyler, Jim Bauman, Eric Claybon, Markham mas, Coach Pete Sacco.



The frosh/soph basketball team finished the league season with a record of 7-7, good enough for a berth in the NPL playoffs, where they were edged by champion Westmoor 44-41.

After getting through a tough pre-season schedule, the Sharks opened the league season with two straight wins, then proceeded to lose four of their next five games by a combined total of eight points. With their backs to the wall, the Sharks won four of their last five games, earning a well-deserved spot in the playoffs.

Unanimous All-NPL honors were given to the team's floor leader and leading scorer Mark Page, with Carl Washington being named to the second team and Steve Rice receiving honorable mention.



VARSITY BASKETBALL-Leonard Borreggo, Conrad Simon, Mike Anderson, Tony Coley, Eric Tretten, Alan Dawkins, Jeff Hills, Daryl Crowder, Wayne Gillette, Bill Ribera, Kevin Roberts, Jimmie McCrary, Coach Don Novitzky.

The season of the Cliff Hangers! After a series of exciting victories and heartbreaking, last-second defeats, the Varsity Basketball team ended the league season with a disappointing 4-10 record. The victory over South City plus the 43-33 pasting of Terra Nova gave Shark fans something to cheer about, however, an injury to top rebounder Alan Dawkins, coupled with last second losses to Westmoor, Serramonte, and El Camino had the Sharks and their fans thinking of what might have been. Conrad Simon was named first team All NPL, while Alan Dawkins was named on the second team and Jimmy McCrary was given honorable mention.

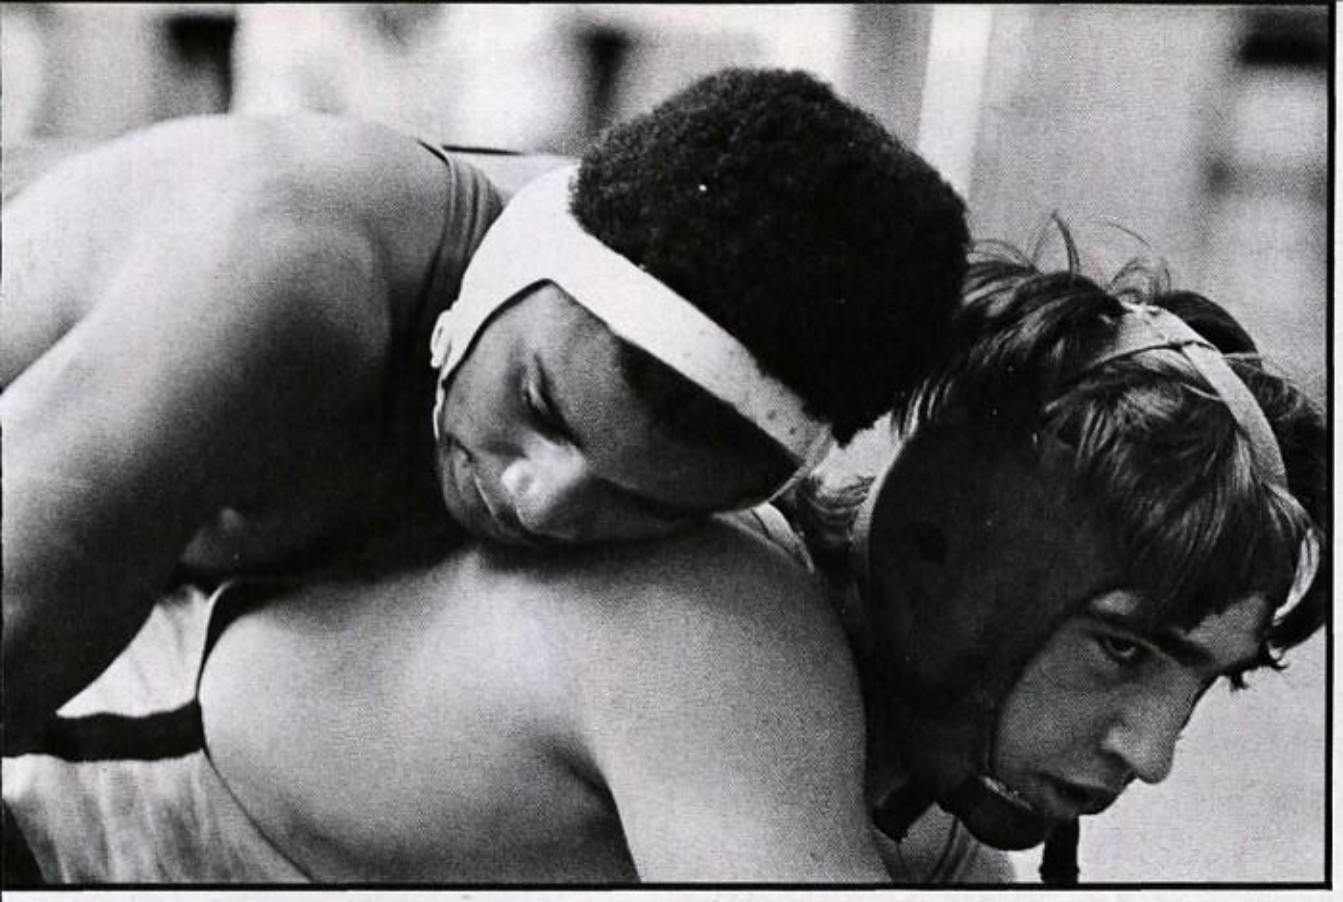
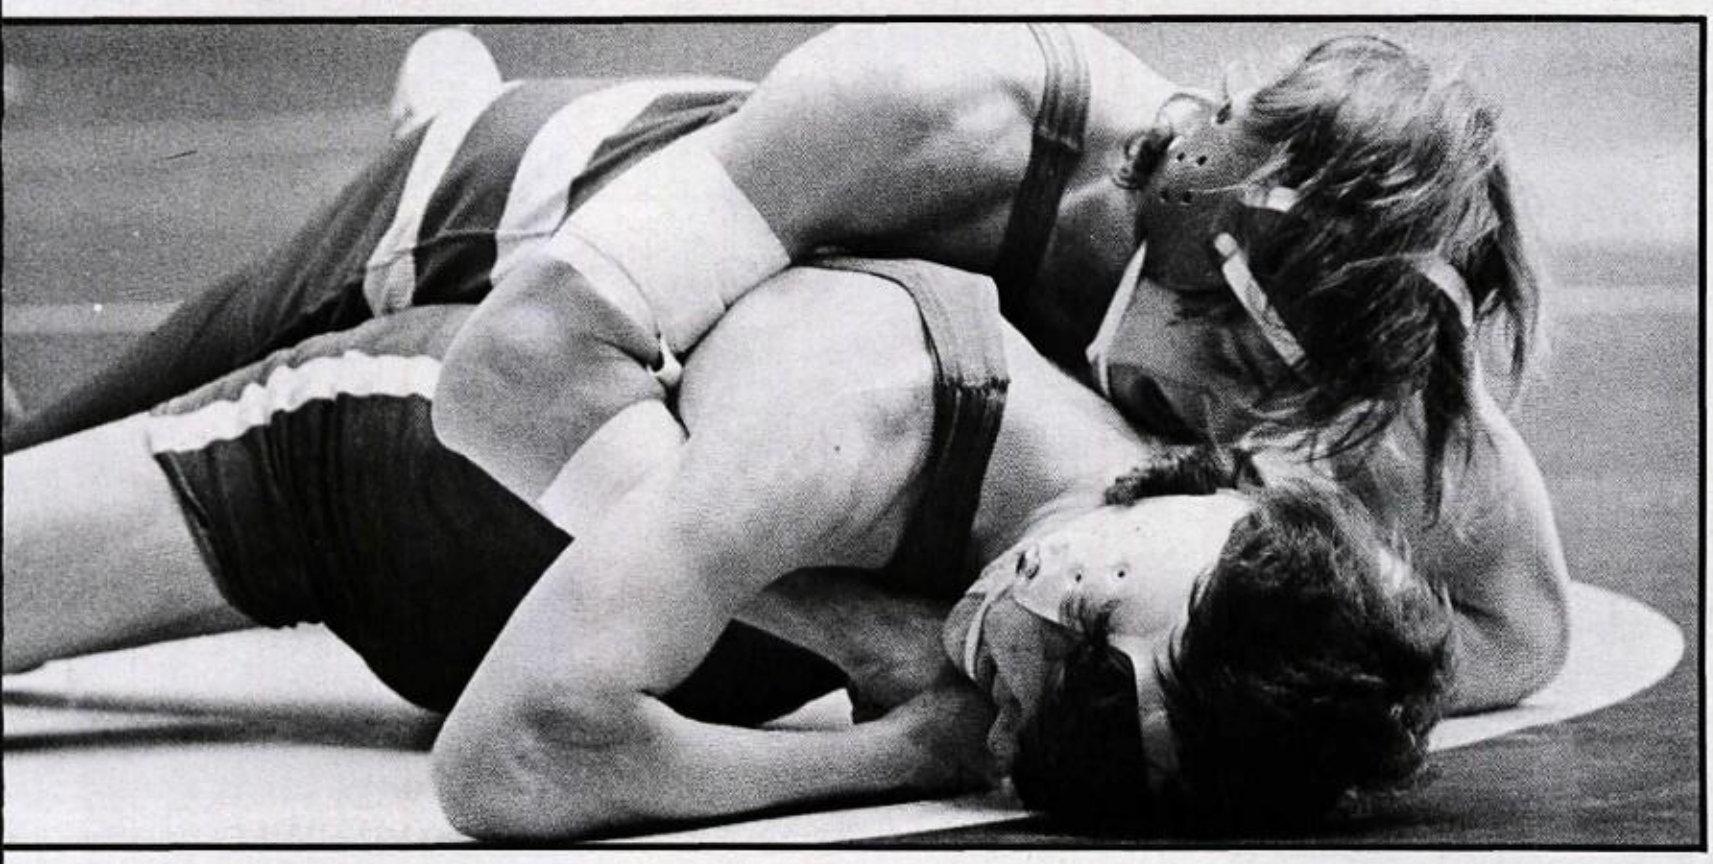
JUNIOR VARSITY WRESTLING—Front Row: Assistant Coach Ray Schnapp, Assistant Coach Ken Svozil, Phillip Thomas, Doug Dawkins, Daron Kapeghian, Mike Graham, Ernie Gomez, Head Coach Bill Gray. Back Row: Darryl Johnson, John Osterlund, Russel Guidry, Keith Hefner, Brad Mortenson, Larry Bradshaw, Mike Malloy, Jim Reed.

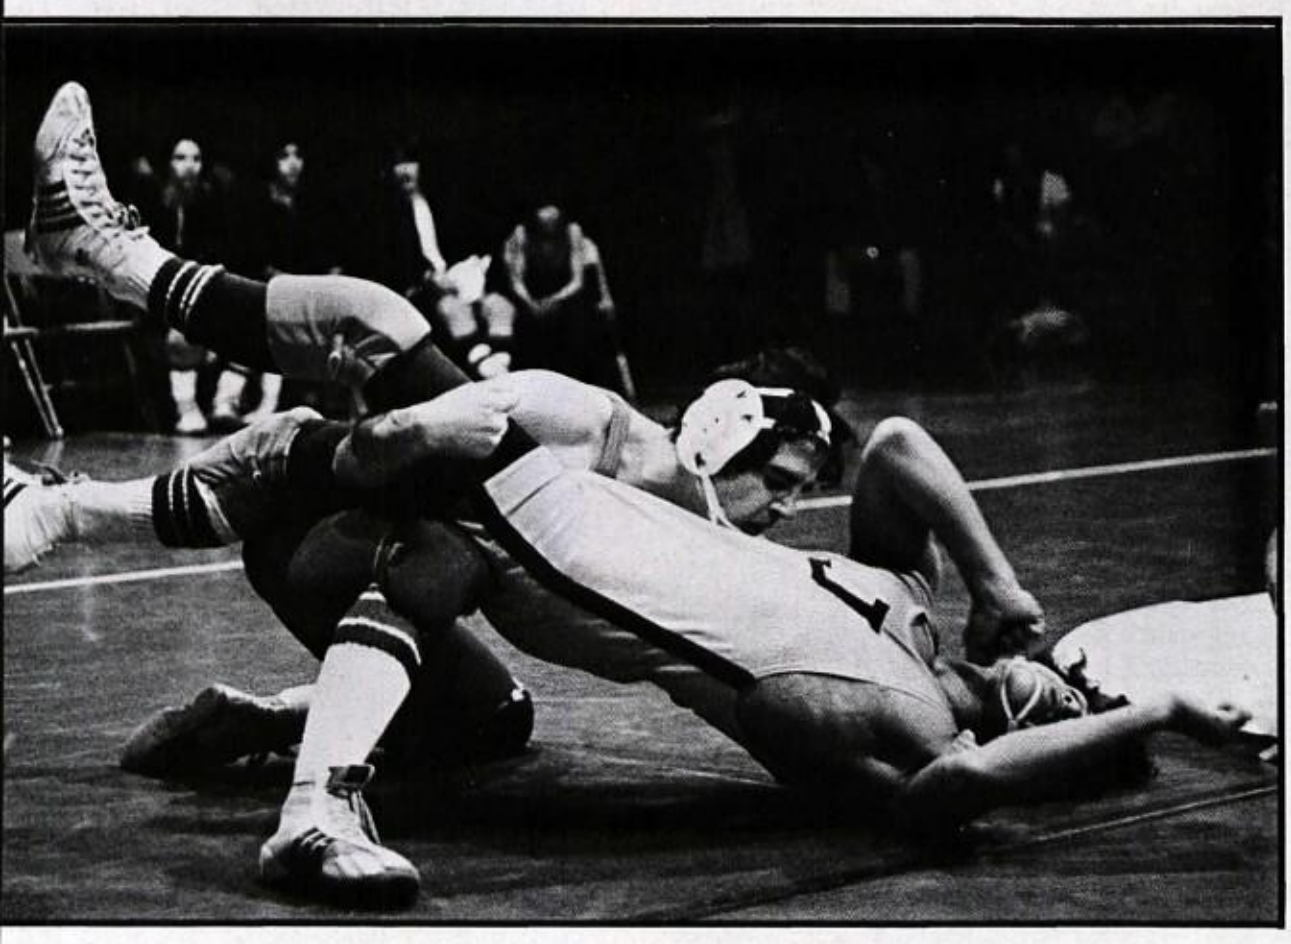
Oceana's JV wrestling team, led by sophomores Vince Solis, Darryl Johnson and Brad Mortenson, consisted primarily of freshman, first year wrestlers. The inexperienced group of wrestlers dedicated themselves to mastering the basic skills of this, the toughest of all the individual sports, and finished a fine 4th place with a record of 4 wins and 3 losses.

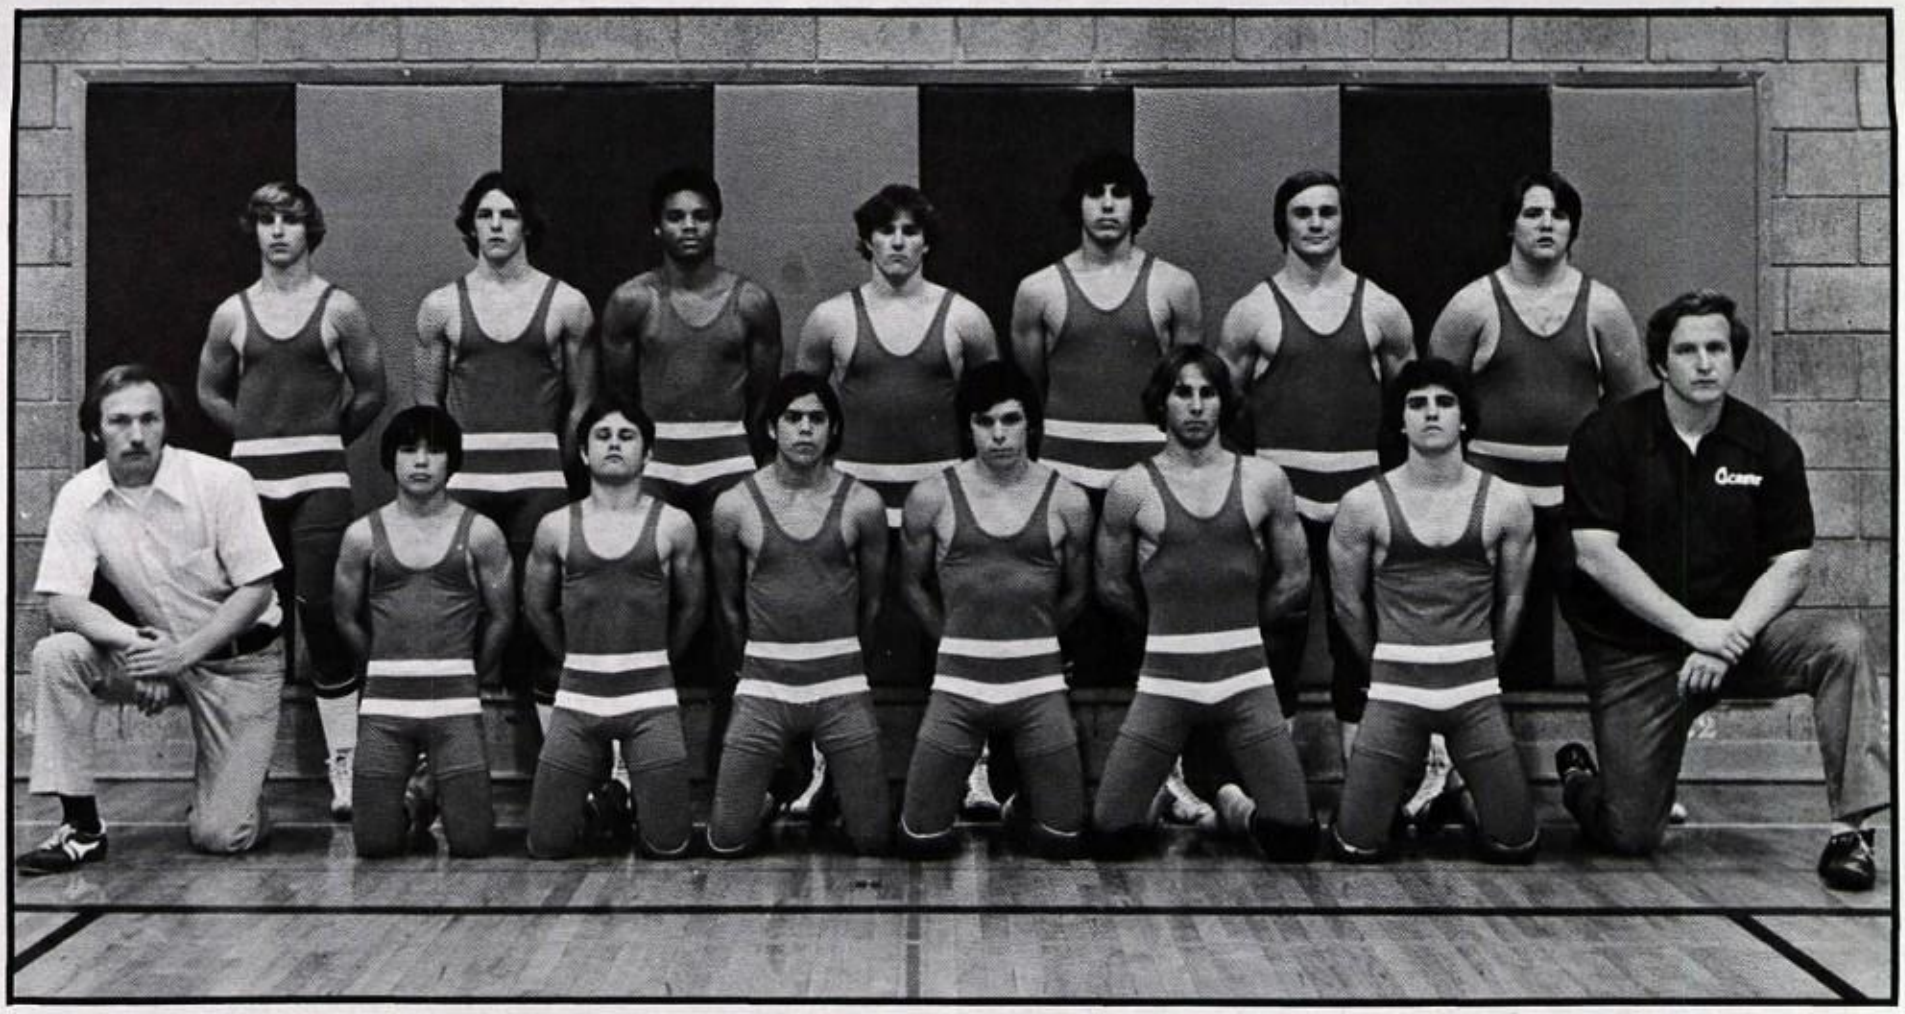
Congratulations to Phillip Thomas (115 lbs.), Bill Svozil (141 lbs.), Brad Mortenson (148 lbs.), and Mike Malloy (168 lbs.) for winning the individual championships in their respective weight classes.

The hard work of Oceana's JV wrestling team should continue to show the remainder of the league, that with continuing dedication and year round work-outs, the Sharks will be a wrestling contender for years to come.

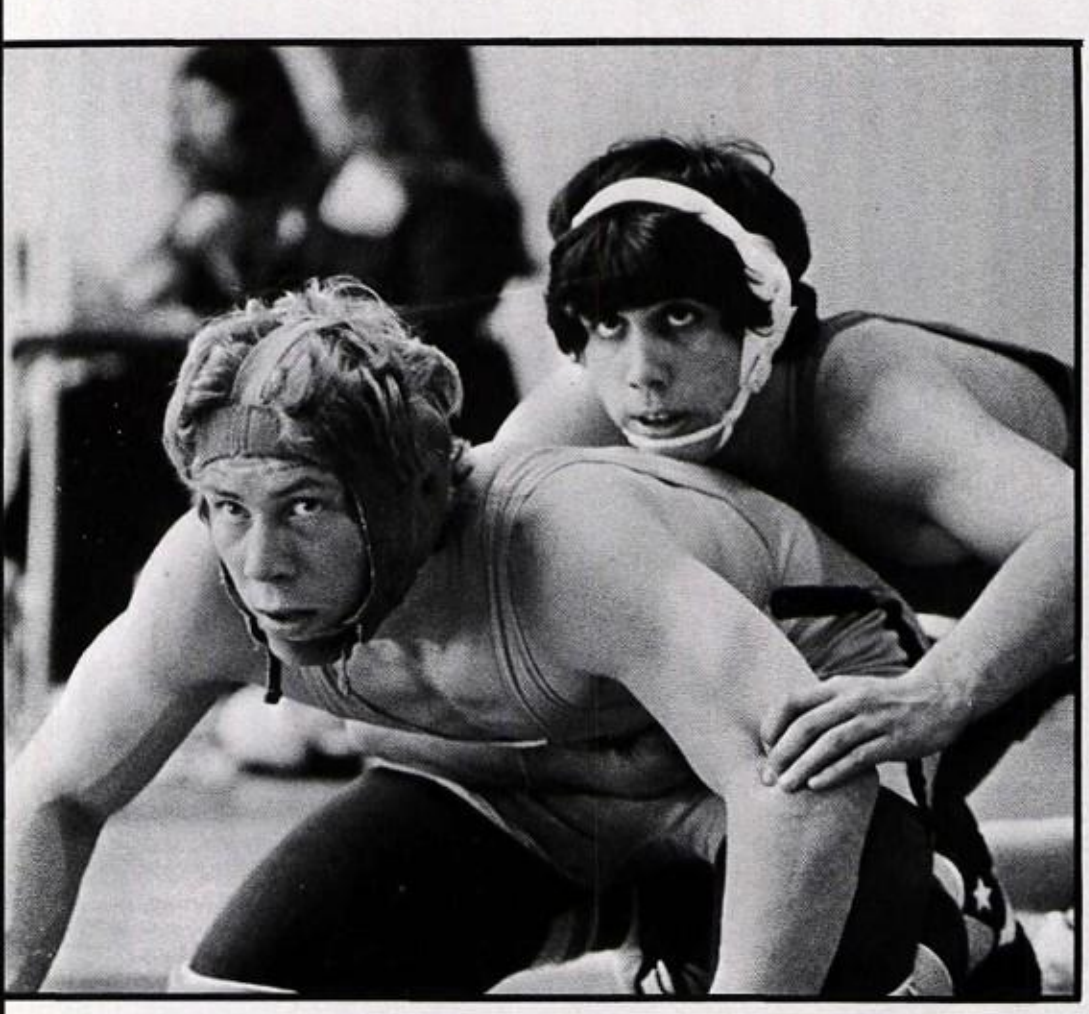








VARSITY WRESTLING-Front Row: Assistant Coach Ray Schnapp, Cliff Gosse, Bob Rutherford, Vince Solis, Mike Ayala, Terry Long, Chuck Wagner, Head Coach Bill Gray. Back Row: Bill Svozil, Bob Jamieson, Tony Byers, Gary Gabin, Greg Pera, Denis Murray, Mike Hefner.



The 1977 Varsity Wrestling Team wrestled impressively in the pre-season defeating Burlingame and MPL Champion Crestmoor. Entering the league season a rash of injuries began to plague the Shark's efforts to repeat as champions, but one proud effort after another brought the league record to 6 wins and no losses after Oceana's lop-sided defeat of Terra Nova by a score of 48-14. This set up the annual battle between Oceana and Half Moon Bay for the NPL title. Although wrestling injured, the Sharks put forth a fine effort, losing to the Cougars 34-17 and ending the season in 2nd place.

In the NPL league finals the grapplers again finished second to Half Moon Bay with Cliff Gosse (98 lbs.), Terry Long (130 lbs.), Chuck Wagner (136 lbs.), and Bob Jamieson (148 lbs.), taking the individual championships in the respective classes.

Cliff Goose, 1977 League Champ advanced to the Central Coast Section, Region 1 Tournament where he also placed first. Continuing to the Central Coast Section Championships, Cliff won 3 out of 4 matches to take third. His 3rd place finish enable him to earn a spot in the CIF California State Wrestling Tournament in Sacramento.

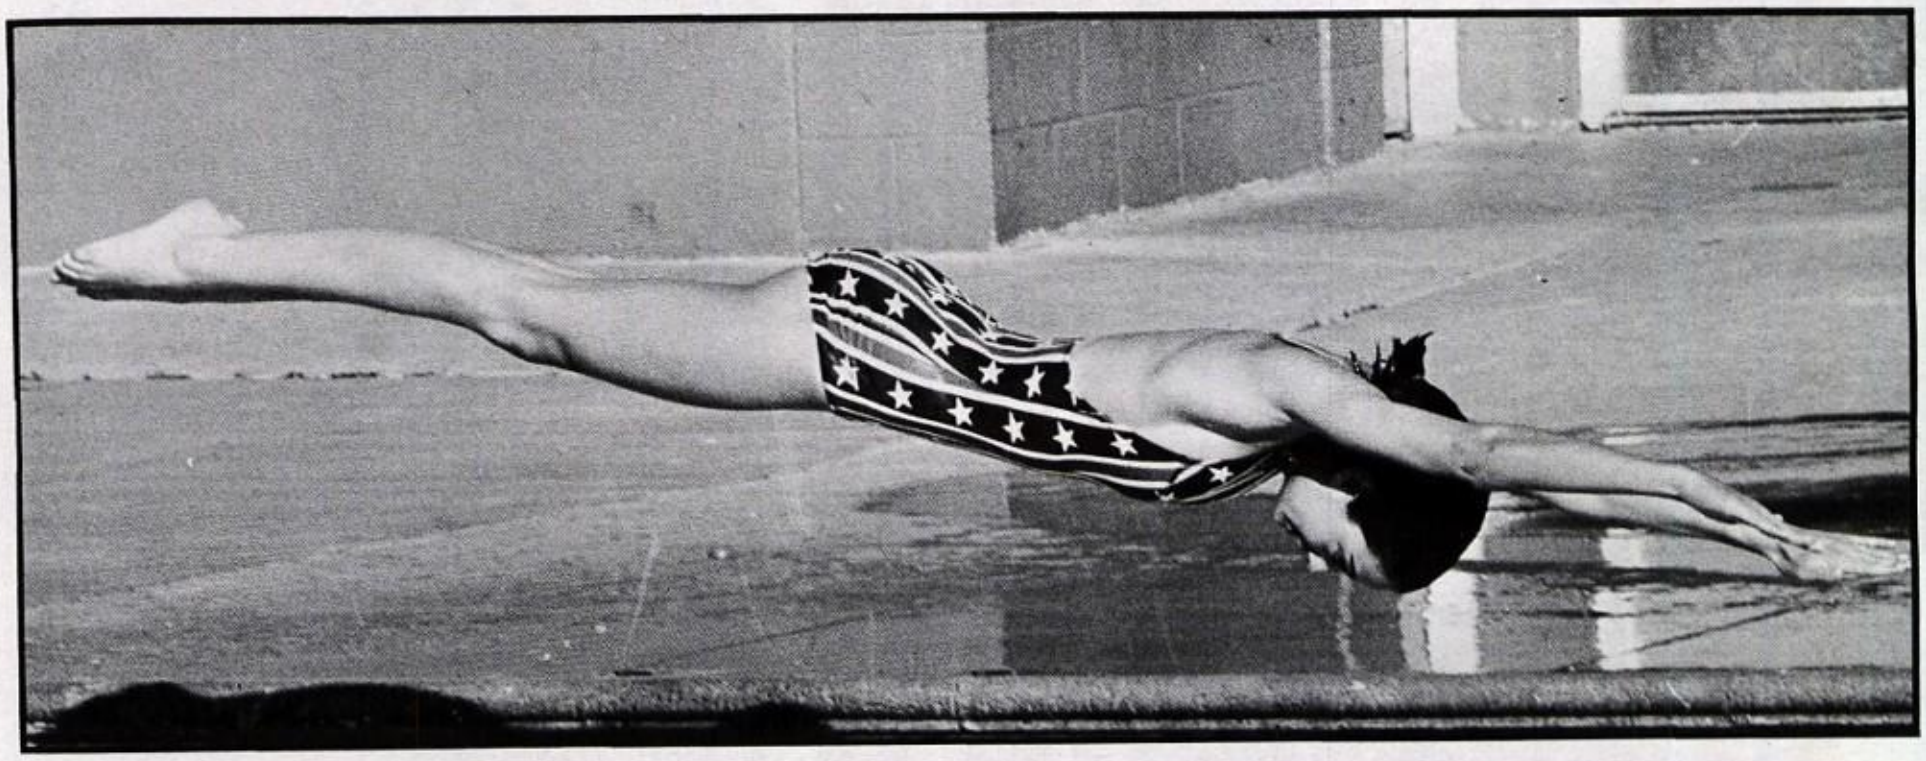
BACK ROW: Hugh McMonigle, Steve Vergara, John McNicoll, Juleen Robinson, Wayne Edhammer, Tom Kashack, Doug Kelly.



For OHS, the 1977 swimming season was the close of an era. No longer must the team travel in packed cars to another school to practice. With the existing group of talented swimmers able to practice in Oceana's new swimming complex, the future of the Oceana swimming program looks very bright.

The 1977 varsity, led by senior and team captain Jody Robinson, made a fine showing, despite the loss of many fine athletes from last year's varsity and championship frosh/soph team. Wayne Edhammer, Debbie Conway, Steve Vergera, Tom Kashak, and frosh diver Keith Hefner also aided in the varsity effort.

The frosn/soph team had a very tough act to follow, namely their 1976 NPL championship. However, led by veterans Patty Meehan, Dave Smith, Darryl Johnson, Juleen Robinson, and promising newcomers Criag Callihan and Doug and Mitchiko Dawkins, the '77 frosh/soph swimmers put forth, in every meet, a strong, competitive performance.

The future of the OHS Swimming program does look very bright!

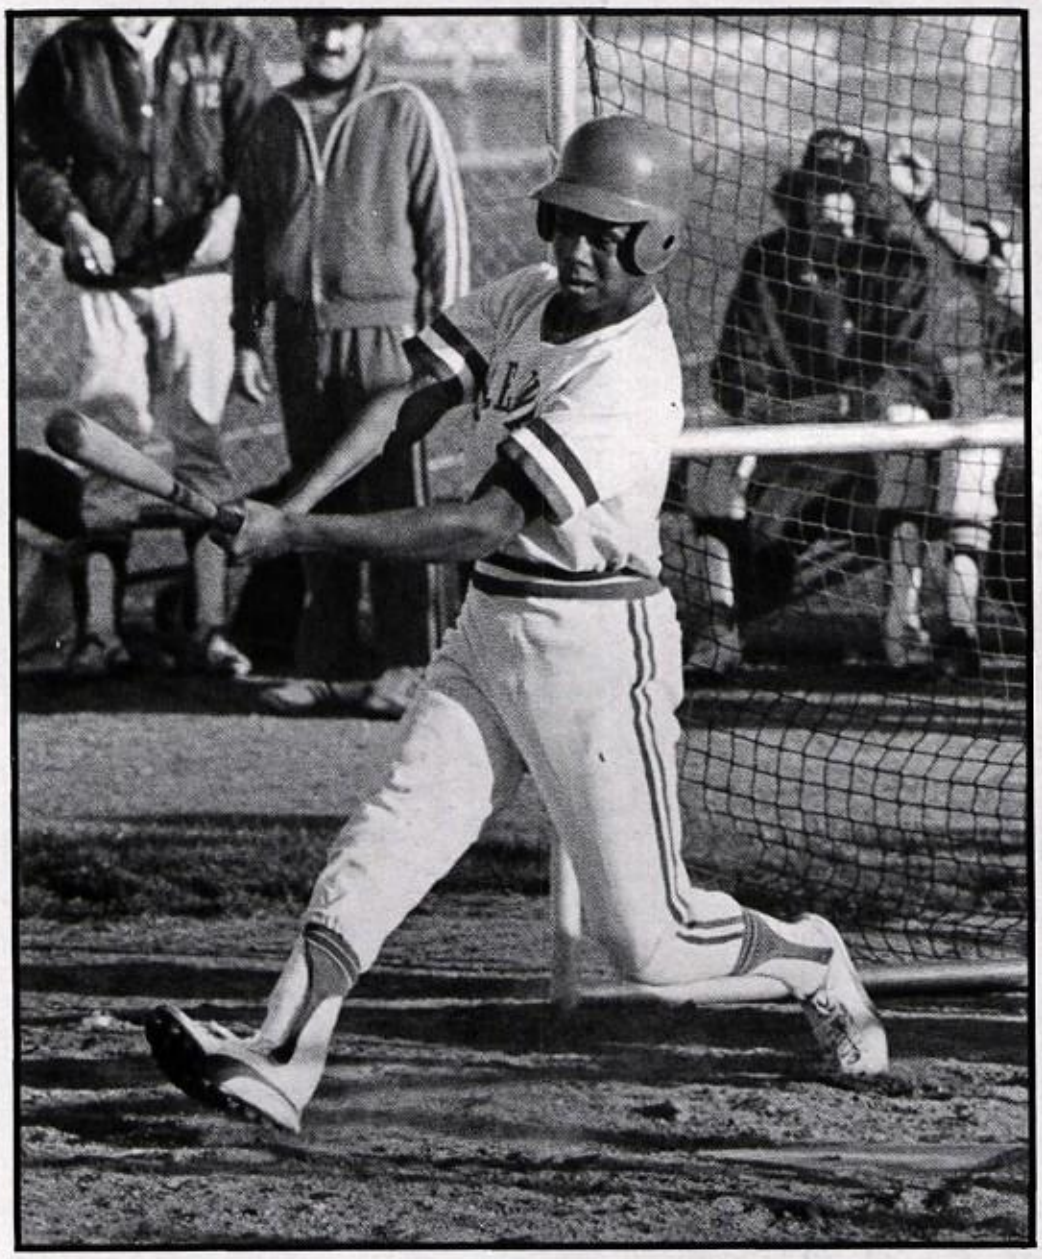
FROSH/SOPH BASEBALL-Front Row: Greg Welch, Tony Kerlegan, Kim Carter, Mike Cagle, Phil Raynal. Second Row: Mark Donham, Jeff Cory, Steve Sampson, Tim Cory, John Profeit, John Brown, Tom Winsell. Last Row: Phil Piserchio, Mike Paton, Keith Cornell, Jim Kasch, Steve Rice, Ray Medina, Coach Morris. Not Pictured: Head Coach Ron Kreiger.



The 1977 Frosh-Soph baseball team proved to be one of the finest ever produced at Oceana High. The members of the team, each displaying a rare blend of talent and desire, created a positive, winning attitude during the practice season, an attitude that carried over into the NPL season.

So strong was this winning attitude, that the Sharks remained top contenders for the NPL championship throughout the entire season, with only a 4-3 loss to El Camino keeping them from a tie for the league title.

For these reasons, each of the athletes on the frosh-soph team should be complimented for their desire, effort and all-around excellent season.

Back Row: Nate Foster, Mike Biancalana, Rick Fenili, Bill Rothgery, Coach Bob Labozetta.

"Exciting" is the best word that can be used to describe the 1977 varsity baseball team. Although the Sharks were not powerful at the plate, they were awesome on the base paths. Jimmy McCrary, Jay Gilbert, Kevin Wynne, Bob Silicani and Nate Foster were unstoppable once they reached any base. In addition, many different offensive plays gave them an opportunity to show their speed.

The pitching staff was ably manned by returning starters Jeff Nelson and Eric Tretton. Further bolstering the Shark mound corps newcomers Rick Fenili, Liam Gogan and Bill Rothgary. The defense was steady and strong up the middle with Mike Biancalana or Ron Jodsaas behind the plate; Bob Silicani or Mike Sangimino as the keystone combination and Kevin Wynne or Jimmy McCrary in center field.

Strong pitching, steady defense and quick feet were the hallmarks of this year's varsity baseball team one of the first ever fielded by Oceana High.

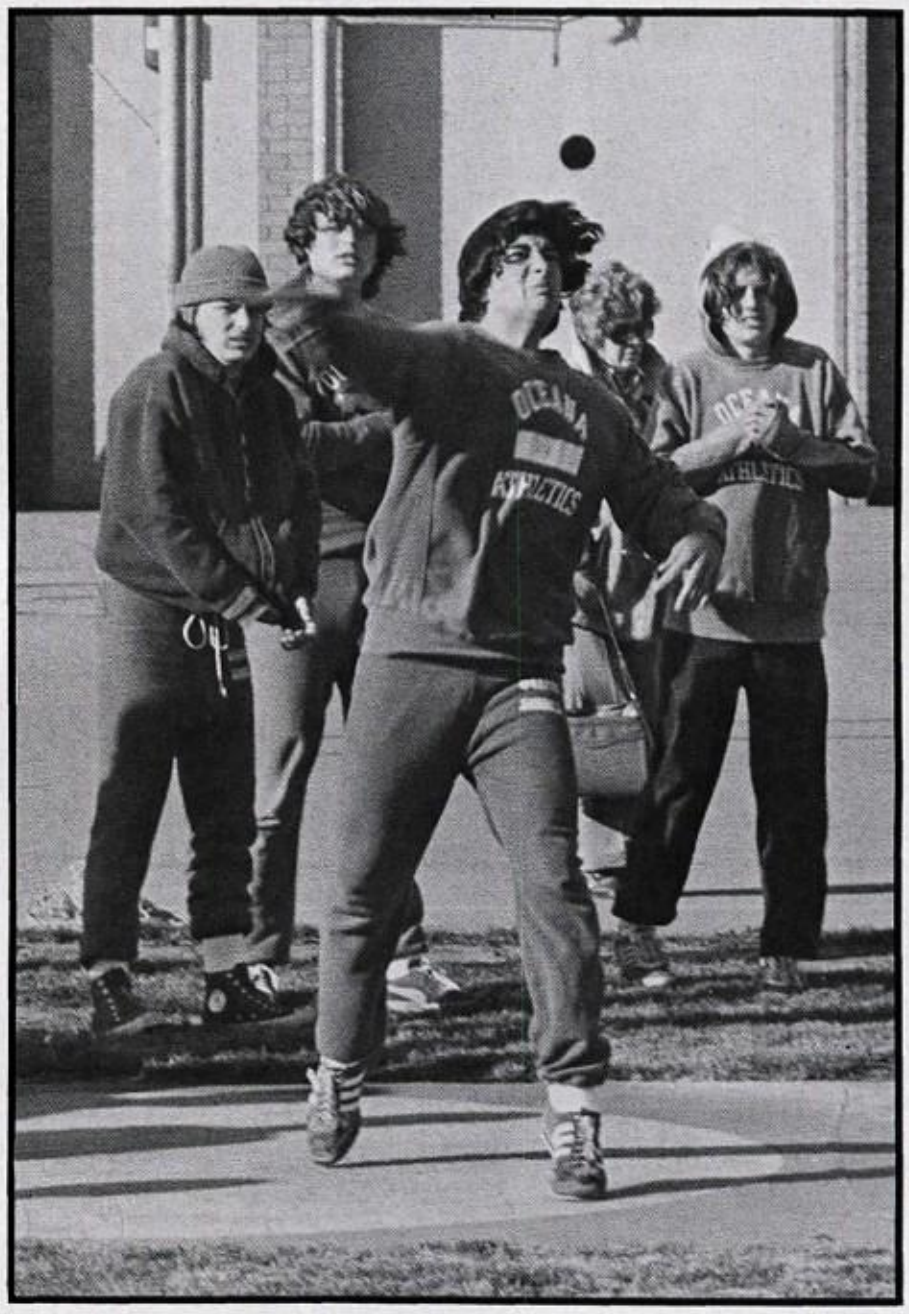
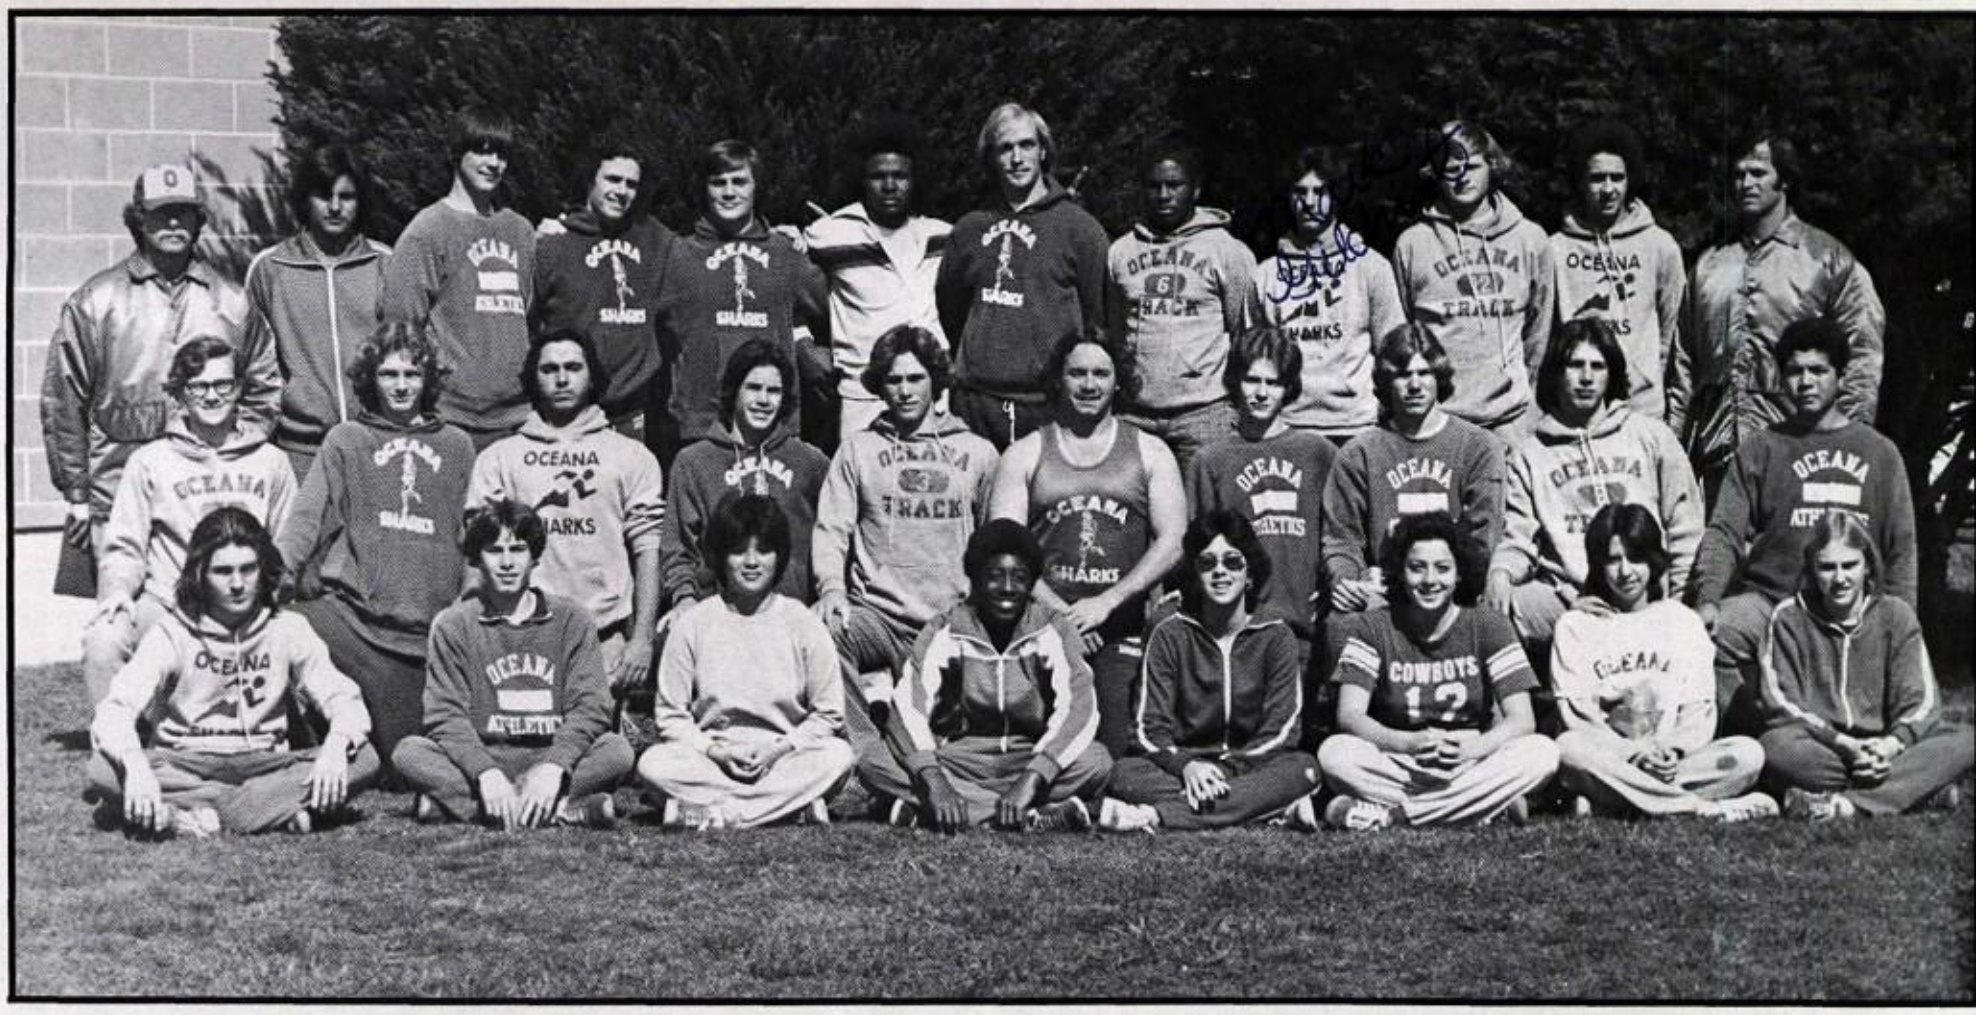
Front Row: Shawn Anderson, Thomas Redwood, Gary Bester, Mark Glisson, Mark Heim.

The 1977 Junior Varsity Track team also suffered from a lack of active personelle. However, though few in number, many outstanding individual performances were turned in.

Sprinters Mark Page, Shawn Anderson, and Earl Bradley; distance runners Dave Lawrence, and Mike Kay, plus weightmen Bill Svozil, Kurt Schmidt and Mike Tyler all gave fine individual efforts, and all look forward to exercising their talents on next year's varsity squad.





VARSITY TRACK–Front Row: Bob Larsen, Mike Ruttenberg, Margie Raetz, Kelvin Moore, Monica Regnoso, Rachel Regnoso, Josie Buch, Elaine Cole. Middle Row: Steve Griffin, Dave Anderson, Robbie Lothringer, Jon Gerrans, John Johnson, Mike Harriman, Joe Torrigino, Ken Manson, Dan Souther, Mark Molina. Back Row: Coach Lewis, Leonard Borrego, Giles Hulsman, Bill Ribera, Denis Murray, Randy Swayne, Tom Harris, Tony Coley, Mark Gilchrist, Mike Heim, Joe Moran, Coach Larios.

The 1977 Varsity Track Team suffered from a lack of personelle. While fielding a team that never numbered more than 25, the Sharks did manage to win their share of events and did produce some fine individual performances.

Pacing the '77 varsity was outstanding junior sprinter Bill Ribera, whose events included the 330 low hurdles, the high hurdles, and the 100 and 400 yard sprint events. Denis Murray, Randy Swayne, Mike Heim, Mike Harriman, Robbie Lothringer and Josie Buch all turned in good performances for a Shark team that would have done much better had it the depth of personelle enjoyed by other NPL teams.

Patti – I'm sorry our knowing each other is coming to an end because you are graduating at the end of this year (you're lucky). We weren't really that much good friends until our first year in Español. Always remember – "El profesor es una jámon." Don't show Mr. Colon this. I also really enjoyed having your company in history this year. If we all didn't stick together, we would probably go nuts from all those "avlaps" + "Edopaks" and other stupid like that. I really wish you good luck with whatever you do, Love "Marcos"

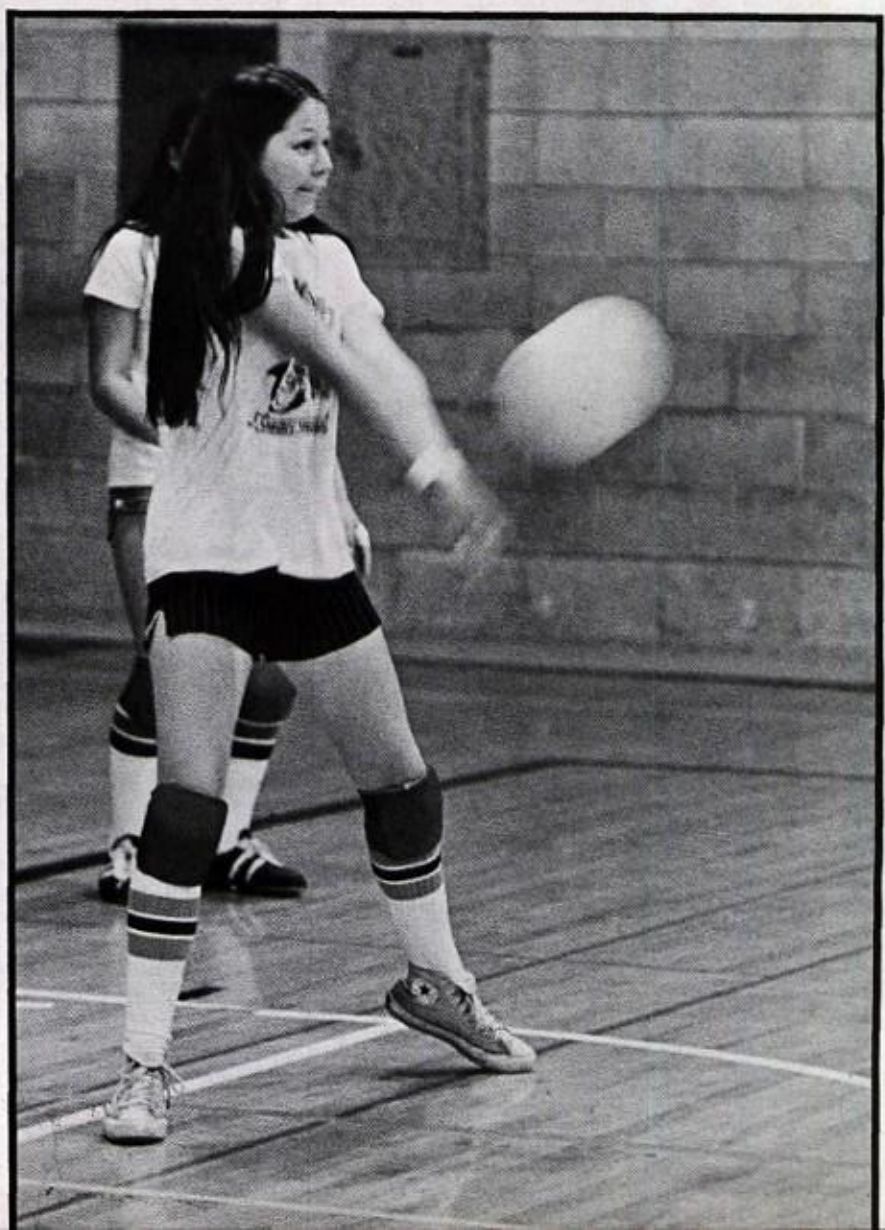
GIRLS VOLLEYBALL-First Row: Kelly Hughes, Sue Hupke, Coach Melody, Celeste Buch, Pam Lopes. Second Row: Leslie Leveroni, Luanna Sherwin, Chris Nielson, Kathy Kaphegian, Teresa Wong, Yoko Matsuoka. Third Row: Joanne Velasquez, Gena Hobbs, Susan Crowley, Terry Clevinger, Sophia Santos. Fourth Row: Lucinda Nahinu, Tracy Takahashi, Barbra Biancalana, Gina Castro. Fifth Row: Julie Bias, Wanda Ellison, Linda Laolagi, Cathy Douglas.

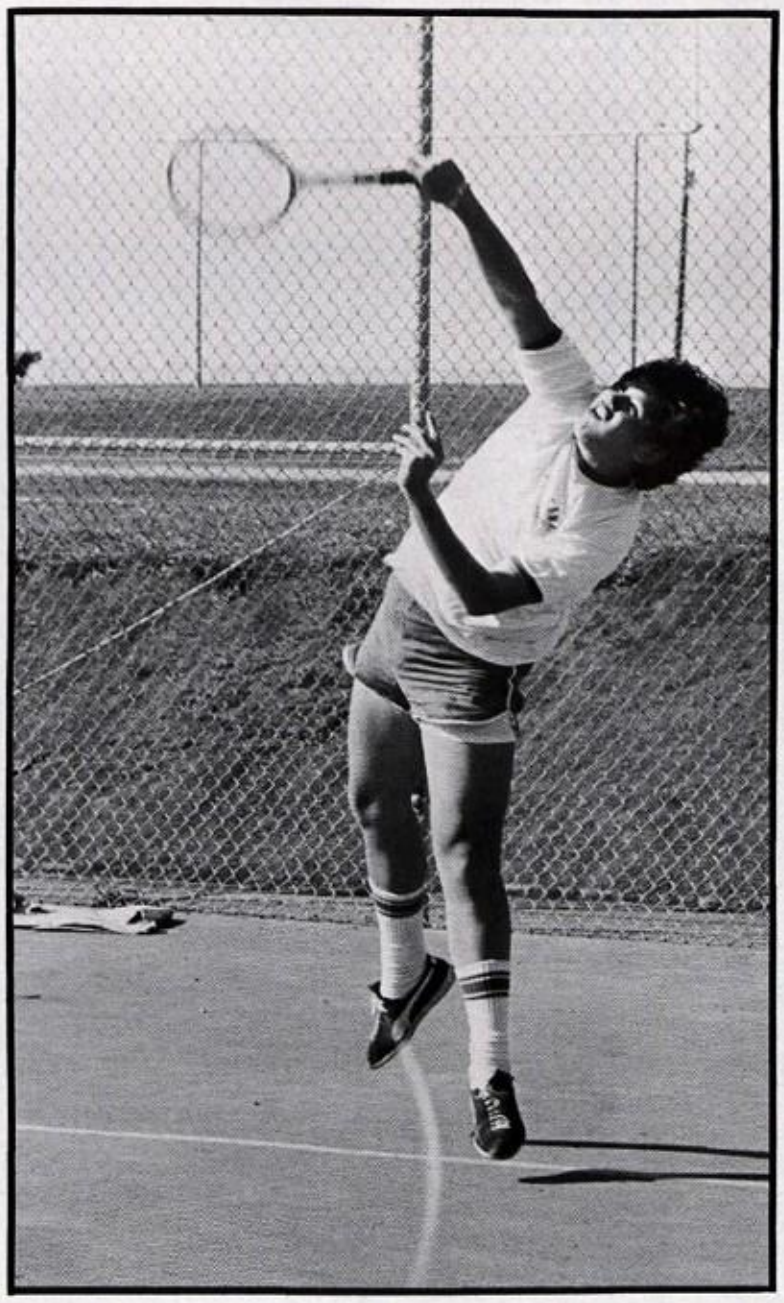
Oceana's volleyball season opened the fall semester with 36 girls trying for 18 positions. The girls practiced one month before the opening game against Westmoor. Although the teams worked hard during the double round robin tournament, both the varsity and junior varsity teams, chalked up only two wins each. The most valuable player awards were given to Tracy Takahashi (Varsity) and Joanne Velasques (Junior Varsity).



Led by Vince O'Shea and Rob Bishop, the young but experienced 1977 golf team proved to be one of the best ever fielded by Oceana High. Competing in a sport that receives little publicity or spectator support, the team, dominated by Sophomores and Juniors, was able to play even with some of the older, more experienced teams in the league. As for years to come, with only one graduating Senior on the team, the Sharks appear to be ready to challenge for the championship in 1978.

GOLF TEAM–Front Row: Vince O'Shea, Mark Keneally. Back Row: Ricky Rasor, Mike Phelan, Roy Bishop, Keith Calihan, Leo Tringale, Mr. Vaplon.

MEN'S TENNIS TEAM: Front Row: Allen Casentini, Mel Melliza, Lorenzo Gonzales, Rick Martindale, Dan Enbom, Dan Delago, Tom Bishop, Coach Don Novitsky. Back Row: Tom Randolph, Gary Burch, Mark Day, Genaro Molina, Dave Lipman, Rohan Piyadasa.



This year's Varsity Tennis Team was very young and inexperienced. With the loss of last year's first four singles players, this was definitely a rebuilding year for Oceana. Last year's number five man, Dan Enbom, has taken over the number one position with newcomers Dave Lipman and Lorenzo Gonzales holding down two and three positions. Other singles players include Allen Casentini, Rick Martindale, and Mark Day. Last year, second doubles team, Gary Burch and Tom Bishop, have moved into this year's number one doubles team with Genaro Molina and Mel Melliza being number two. Also on the team was Dan Delago, Steve Sui, Tom Randolph, and Rohan Piyadasa.

Life at Oceana ... those are the times we will remember. There were days we would sit in the sun and daydream but reality brought us back to the fact that we needed rain. Remember walking down the halls without a pass and wondering which administrator was going to jump out and ask you for one. Then there was Spirit Week, and the craziness of it all gave us an excuse to stay out of class.

And Life goes on

Life at OHS

Remember the funny little boy in the wet suit. How about the guy who tried to use himself as a ticket at the Bart station? The machine rejected him! Then there was that blonde sophomore who thought she was a Senior remember the field trips we took. It must have taken at least eight people to turn the wheel on that boat! And how about the dedicated teachers who loved wrestling, like Silly Billy Crilly who tried to break the arm of Rocky Rosselli. Yes these were the days to Remember.

Under the direction of Al Butler, Mary Beauvais and Jerry Nolan, The OHS Career Education program has grown and prospered. This past year, over 180 students were enrolled in exploratory or work experience programs; over 300 students and 21 teachers participated in career-oriented field trips, and 21 juniors and seniors were enrolled in the off-campus Regional Opportunity Program. New courses and facilities such as Pacific Telephone's Traffic Service Position Systems (TSPS) program were set up on Oceana's campus. In addition, in the spring semester, Oceana presented it's second successful Career Day, during which students, teachers, and outside guest speakers participated in over 70 classroom presentations on career opportunities.

The Career Education program at Oceana allows students to view many career possibilities and to choose wisely the career that will best fit into their future.

Dear Patty,
We've had many good times since seventh grade. I wish you the best of luck in nursing. I know you'll progress with personality. Always go in peace, and perhaps one day we'll meet again...
Always with Love,
Tracy Takahash. (77)

Patty,
To a girl who was cute until I got her real fun knowing you
I thought her a boyfriend
It's been real fun knowing you
I hope we can see each other real soon. If I don't see you again
I hope you have a happy life and have a lot of fun. You are really nice and sweet and a fun person to be around. Don't change your self and stay sweet.

Love,
Vicki Thinker

Pats

We've known each other a really long time!! And we've been through alot together with your family and mine, and Lori & Amanda. But they were really good!! It's time for us to take a big step into the world of madness. And you are to me a real sister whom one I can talk to and ask questions, and you are one to listen to me!! I hope which ever way it goes you choose that it is good for you and I wish you all the best of luck throughout your life. And I really hope you are very happy with Klaus, and he better treat you right or else!!! Pats, I really do not know what to say except I am sooo scared to take the one step in life which will probably determine my future. And no matter where you are or what I am doing at anytime you always have me to talk to or tell me anything, I hope you will one of these days to call and talk to me. I sure hope that we will always be friends and close. Please for you and me keep in touch. OKay!! And I really love you!! OKay I hope Klaus is treating you at the Swiss Ball and Graduation!!
